You'll read about politicians, celebrities, fashion, toys, fads and disasters. Relearn the hip slang of the time while finding out which tales from the fifties were really tall tales or urban legends that are now debunked. Rodriguez gives you a whole decade's worth of fun facts and all important memories. It may have been half a century ago but with *The 1950s Most Wanted* it'll seem like just yesterday.

Careless Love (Enhanced Edition) Peter Guralnick, 2014-12-30. Hailed as a masterwork by the Wall Street Journal, *Careless Love* is the full, true and mesmerizing story of Elvis Presley's last two decades in the long-awaited second volume of Peter Guralnick's masterful two-part biography. Winner of the Ralph J. Gleason Music Book Award, *Last Train to Memphis*, the first part of Guralnick's two-volume life of Elvis Presley, was acclaimed by the New York Times as a triumph of biographical art. This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, *Careless Love* chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking, revelatory drama that for the first time places the events of a too often mistold tale in a fresh, believable and understandable context. Elvis changes during these years from a tragic mystery that *Careless Love* unlocks for the first time. This is the quintessential American story encompassing elements of race, class, wealth, sex, music, religion and personal transformation. Written with grace, sensitivity and passion, *Careless Love* is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times.

Sweet Air Edward P. Comentale, 2013-02-28. *Sweet Air* rewrites the history of early twentieth century pop music in modernist terms. Tracking the evolution of popular regional genres such as blues, country, folk and rockabilly in relation to the growth of industry and consumer culture, Edward P. Comentale shows how this music became a vital means of exploring the new and often overwhelming feelings brought on by modern life. Comentale examines these rural genres as they translated the traumas of local experience—the racial violence of the Delta, the mass exodus from the South, the Dust Bowl of the Texas panhandle—into

sonic form Considering the accessibility of these popular music forms he asserts the value of music as a source of progressive cultural investment linking poor rural performers and audiences to an increasingly vast network of commerce transportation and technology
