## **Remembering Nguyen:**

*Remembering Nguyen* Ken Brawley, 2003-02-19 REMEMBERING NGUYEN is about my first trip to South Vietnam in the early 1960s And just in case you were not aware Nguyen is pronounced as When in Vietnamese I personally feel that this is a damned clever play on words The book is a chronicle of events through out that 13 months tour of duty but it is different than most other books about the Vietnam experience REMEMBERING NGUYEN looks at the country the people and the strife through a more humorous eye or so I fervently hope So If you are looking for a breathtaking story of heroism and hair raising adventures then I fear you should look elsewhere But if you would like to know what a rather nave boy found that forced him into man hood and perhaps have a good laugh or two then REMEMBERING NGUYEN is the book for you Thanks and enjoy Ken Brawley

**Remembering Musical Childhoods in Vietnam** Tina A. Huynh, 2024-08-06 This book offers an in depth exploration of the childhood musical experiences of Vietnamese elders providing a unique lens on the intersections between identity culture and music education Centering the stories of five Vietnamese Americans and one Vietnamese person who grew up in Vietnam between 1931 and 1975 the author considers the role that each individual s childhood musical experiences played in their life as they were impacted by war political movements and immigrant and refugee experiences The book adds a new perspective to research on the global music practices of children by exploring music transmission and repertoire in Vietnam in the context of political unrest and colonialism before and during the Vietnam War It also explores the evolution of the personal meanings and memories of music over a period of drastic change in each individual s life as five of six elders transitioned into a life in the United States This book provides both an act of cultural and musical preservation and relevant implications for music education today Situating the children s songs and games of Vietnamese culture in their original context the author invites those in the field of music education to consider how lived experiences and entrenched systems of teaching affect music learning and identity formation The volume includes a selection of Vietnamese children s songs games chants and musicopoetic lullabies ca dao offering ways to enrich music educators world music curricula Relevant to music education ethnomusicology and Asian American studies this book provides a nuanced account of Vietnamese children s music making of the past and presents an analysis of childhood musical experiences in a wider cultural sociopolitical and historical context

**Remembering Heaven's Face** John Balaban,2002 The author recounts his years in Vietnam as a conscientious objector serving as a teacher and a rescue worker for an organization that sent children with war injuries to the United States

**Yahuti** Gary Brosch,2012-11-06 I have stated before that the world is not your friend Nations have little interest in the United States other than what they may gain from her dead or alive pick her pockets or pick her bones it matters little to rag picking nations However America your danger has become far more profound than ever before Your external enemies pale in comparison to the beast that currently is consuming you alive from within Your deadliest enemy is to be found within your own borders now This enemy is multi faceted and relentless It is your own government Your own government at all levels is at war with the American culture the American economic and military superiority the American identity American citizenship American education literally everything that has made America unique for three hundred years is under assault from within Unless this trend is immediately rectified any attempt to protect your country from external enemies will be useless What are you prepared to do about that

Remembering Migration Kate Darian-Smith,Paula Hamilton,2019-08-10 This book provides the first comprehensive study of diverse migrant memories and what they mean for Australia in the twenty first century Drawing on rich case studies it captures the changing political and cultural dimensions of migration memories as they are negotiated and commemorated by individuals communities and the nation Remembering Migration is divided into two sections the first on oral histories and the second examining the complexity of migrant heritage and the sources and genres of memory writing The focused and thematic analysis in the book explores how these histories are re remembered in private and public spaces

including museum exhibitions heritage sites and the media Written by leading and emerging scholars the collected essays explore how memories of global migration across generations contribute to the ever changing social and cultural fabric of Australia and its place in the world

**Forms of Dictatorship** Jennifer Harford Vargas, 2018 An intra ethnic study of Latina o fiction written in the United States from the early 1990s to the present Forms of Dictatorship examines novels that depict the historical reality of dictatorship and exploit dictatorship as a literary trope This literature constitutes a new sub genre of Latina o fiction which the author calls the Latina o dictatorship novel The book illuminates Latina os central contributions to the literary history of the dictatorship novel by analyzing how Latina o writers with national origin roots in the Caribbean Mexico and Central and South America imaginatively represent authoritarianism The novels collectively generate what Harford Vargas terms a Latina o counter dictatorial imaginary that positions authoritarianism on a continuum of domination alongside imperialism white supremacy heteropatriarchy neoliberalism and border militarization Focusing on novels by writers such as Junot Diaz Hector Tobar Cristina Garcia Salvador Plascencia and Francisco Goldman the book reveals how Latina o dictatorship novels foreground more ubiquitous modes of oppression to indict Latin American dictatorships U S imperialism and structural discrimination in the U S as well as repressive hierarchies of power in general Harford Vargas simultaneously utilizes formalist analysis to investigate how Latina o writers mobilize the genre of the novel and formal techniques such as footnotes focalization emplotment and metafiction to depict dictatorial structures and relations In building on narrative theories of character plot temporality and perspective Harford Vargas explores how the Latina o dictatorship novel stages power dynamics Forms of Dictatorship thus queries the relationship between different forms of power and the power of narrative form that is between various instantiations of repressive power structures and the ways in which different narrative structures can reproduce and resist repressive power

The Routledge Companion to Migration Literature Gigi Adair, Rebecca Fasselt, Carly McLaughlin, 2024-07-30 The Routledge Companion to Migration Literature offers a comprehensive survey of an increasingly important field It demonstrates the influence of the age of migration on literature and showcases the role of literature in shaping socio political debates and creating knowledge about the migratory trajectories lives and experiences that have shaped the post 1989 world The contributors examine a broad range of literary texts and critical approaches that cover the spectrum between voluntary and forced migration In doing so they reflect the shift in recent years from the author centric study of migrant writing to a more inclusive conception of migration literature The book contains sections on key terms and critical approaches in the field important genres of migration literature a range of forms and trajectories of migration with a particular focus on the global South and on migration literature s relevance in social contexts outside the academy Its range of scholarly voices on literature from different geographical contexts and in different languages is central to its call for and contribution to a pluriversal turn in literary migration studies in future scholarship This Companion will be of particular interest to scholars working on contemporary migration literature and it

also offers an introduction to new students and scholars from other fields Chapter 15 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**Winning North Vietnam's Hearts and Minds during the Vietnam War (1954-1975)** Hai-Chung Pham, 2024-12-02 Pham explores North Vietnam's unique challenges and perspectives to provide a holistic understanding of the Vietnam War Delving into the emotional philosophical and cultural dimensions of Northern Vietnamese experiences this book transcends mere military strategy to illuminate how these elements shaped the nation's identity beliefs and self conception The book's multifaceted approach fosters a deeper understanding of North Vietnam's wartime journey Beginning with the 1954 division of Vietnam it probes into the ideological battles and propaganda efforts of the Democratic Republic of Vietnam DRV and examines historical precedents Communist ideology and propaganda slogans Drawing upon historical records personal anecdotes and cultural insights it offers readers

an intimate chronicle of North Vietnam's odyssey By focusing on the cultural psychological and ideological dimensions of the DRV's struggle it fills a gap in the existing literature surrounding Northern Vietnamese experiences and perspectives A valuable resource for scholars students researchers and political scientists interested in the field of history communication war studies peace and conflict studies as well as the Vietnam War's historical and contemporary implications Edinburgh Companion to Twentieth-Century British and American War Literature Adam Piette, 2012-03-07 The first reference book to deal so fully and incisively with the cultural representations of war in 20th century English and US literature and film The volume covers the two World Wars as well as specific conflicts that generated literary and imaginative **Returns of War** Long T. Bui, 2018-11-06 The legacy and memory of wartime South Vietnam through the eyes of Vietnamese refugees In 1975 South Vietnam fell to communism marking a stunning conclusion to the Vietnam War Although this former ally of the United States has vanished from the world map Long T Bui maintains that its memory endures for refugees with a strong attachment to this ghost country Blending ethnography with oral history archival research and cultural analysis Returns of War considers Returns of War argues that Vietnamization as Richard Nixon termed it in 1969 and the end of South Vietnam signals more than an example of flawed American military strategy but a larger allegory of power providing cover for US imperial losses while denoting the inability of the South Vietnamese and other colonized nations to become independent modern liberal subjects Bui argues that the collapse of South Vietnam under Vietnamization complicates the already difficult memory of the Vietnam War pushing for a critical understanding of South Vietnamese agency beyond their status as the war's ultimate losers Examining the lasting impact of Cold War military policy and culture upon the Vietnamized afterlife of war this book weaves questions of national identity sovereignty and self-determination to consider the generative possibilities of theorizing South Vietnam as an incomplete ongoing search for political and personal freedom Remembering Conquest Omar Valerio-Jiménez, 2024-04-10 This book analyzes the ways collective memories of the US Mexico War have shaped Mexican Americans civil rights struggles over several generations As the first Latinx people incorporated into the nation Mexican Americans were offered US citizenship by the Treaty of Guadalupe Hidalgo which ended the war Because the 1790 Naturalization Act declared whites solely eligible for citizenship the treaty pronounced Mexican Americans to be legally white While their incorporation as citizens appeared as progress towards racial justice and the electorate's diversification their second class citizenship demonstrated a retrenchment in racial progress Over several generations civil rights activists summoned conquest memories to link Mexican Americans poverty electoral disenfranchisement low educational attainment and health disparities to structural and institutional inequalities resulting from racial retrenchments Activists also recalled the treaty's citizenship guarantees to push for property rights protection from vigilante attacks and educational reform Omar Valerio Jim nez addresses the politics of memory by exploring how succeeding generations reinforced or modified earlier memories of conquest according to their contemporary social and political contexts The book also examines collective

memories in the US and Mexico to illustrate transnational influences on Mexican Americans and to demonstrate how community and national memories can be used strategically to advance political agendas

**A Companion to the Vietnam War** Marilyn B. Young, Robert Buzzanco, 2008-04-15 A Companion to the Vietnam War contains twenty four definitive essays on America's longest and most divisive foreign conflict. It represents the best current scholarship on this controversial and influential episode in modern American history. Highlights issues of nationalism, culture, gender, and race. Covers the breadth of Vietnam War history including American war policies, the Vietnamese perspective, the antiwar movement, and the American home front. Surveys and evaluates the best scholarship on every important era and topic. Includes a select bibliography to guide further research.

**Toward a Framework for Vietnamese American Studies** Linda Ho Peché, Alex-Thai Dinh Vo, Tuong Vu, 2023-02-10 This collection is the first work of its kind to synthesize the current state of Vietnamese American studies. Offering cutting edge analysis from social sciences and humanities perspectives, this volume serves as a foundational resource and a site for interrogating underexplored facets of the field.

**Remembering 1989** Anke Pinkert, 2024-10-07 This account of the laboratory of radical democracy in the months before East Germany's absorption in the West challenges memories of Germany's reunification. For many, 1989 is an iconic date, one we associate with the fall of the Berlin Wall and the end of the Cold War. The year prompts some to rue the defeat of socialism in the East while others celebrate a victory for democracy and capitalism in the reunified Germany. Remembering 1989 focuses on a largely forgotten interregnum, the months between the outbreak of protests in the German Democratic Republic in 1989 and its absorption by the West in 1990. Anke Pinkert, who herself participated in those protests, recalls these months as a volatile but joyous laboratory of radical democracy and tells the story of how and why this time out of joint has been erased from Germany's national memory. Remembering 1989 argues that in order to truly understand Germany's historic transformation, we must revisit protesters' actions across a wide range of minor, vernacular, and often transient sources. Drawing on rich archives including videotapes of untelevised protests, illegally printed petitions by Church leaders, audio recordings of dissident meetings, and interview footage with military troops, Pinkert opens the discarded history of East European social uprisings to new interpretations and imagines alternatives to Germany's neoliberal status quo. The result is a vivid, unexpected contribution to memory studies and European history.
