*Crafty Screenwriting* Alex Epstein, 2002-10-08 The most innovative and creative screenwriting book yet from an author who knows first hand what it takes to get a movie made. Based on an award-winning website hailed as smart enough for professional screenwriters and accessible enough for aspiring screenwriters, *Crafty Screenwriting* is the first book not only to offer a successful screenwriter's tricks of the trade but to explain what development executives really mean when they complain that the dialogue is flat or the hero isn't likeable. Fresh, provocative and funny, Alex Epstein diagnoses a problem that other screenwriting books barely address and answers questions they rarely ask like: Why is it sometimes dangerous to know your characters too well before you start writing? or Why does your script have to be so much better than the awful pictures that get made every day? As a development executive who has accepted and rejected countless screenplays and a produced screenwriter himself, Epstein can take you into the heart of the most important question of all: Is this a movie? A crucial book for anyone who has ever wondered what it takes to get their movie made.

**Able by Grace: A Testimony of Faith, Disability, and Finding God's Purpose** Tylia L. Flores, 2025-03-05 My journey of faith hasn't been a straight, easy path. It's been a winding road filled with twists, turns, and unexpected detours. From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy, depression, and anxiety, my story is one of both immense challenge and unwavering hope. I've experienced moments of profound connection with God where His love has washed over me like a tidal wave. I've also stumbled through seasons of doubt where I questioned His existence and His plan for my life. I've been hurt by a church community that failed to live up to its calling of inclusion and love. I've felt isolated and alone, overwhelmed by the physical and emotional burdens of my disability. Yet through it all, God's love has persisted. His hand has been a steady guide, leading me through darkness and into the light. This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life. It's a testament to the healing power of God, a celebration of His unwavering love, and a beacon of hope for others who are struggling with similar challenges. I invite you to join me on this journey, a journey of faith, vulnerability, and ultimate triumph. Prepare to be challenged, to be moved, and to be reminded of the incredible power of God's grace in the face of life's most difficult trials. This is more than just my story; it's an invitation to embrace your own story, to find strength in your faith, and to
