Frontier Cowboys and the Great Divide Ken Mather, 2013-04-15 Despite being neighbouring provinces with long ranching histories British Columbia and Alberta saw their ranching techniques develop quite differently As most ranching styles were based on one of the two dominant styles in use south of the border BC ranchers tended to adopt the California style whereas Alberta took its lead from Texas But the different practices actually go back much further Cattle cultures in southwestern Spain sub Saharan Africa and the British highlands all shaped the basis of North American ranching Digging deep into the origins of cowboy culture Ken Mather tells the stories of men and women on the ranching frontiers of British Columbia and Alberta and reveals little known details that help us understand the beginnings of ranching in these two provinces

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
