Reminiscences of the Civil War John Brown

Gordon, 2017-05-20 John Gordon 1832 1904 was one of the Confederacy's most capable generals. A native of Georgia, he went on to serve as governor of the state after the war. His memoirs are one of the most famous accounts of the Civil War and an example of the Lost Cause view of the war.

Reminiscences of the Civil War, 1861-1865 Preston Lafayette Ledford, 2022-08-21 In *Reminiscences of the Civil War 1861-1865*, Preston Lafayette Ledford offers a poignant and introspective narrative that captures the raw emotional landscape of personal experience during one of America's most tumultuous periods. Written in a reflective and accessible style, Ledford's memoir delves into the complexities of war, capturing not only the harrowing realities of battle but also the profound bonds formed among soldiers. The book stands as a testament to the literary tradition of Civil War memoirs, positioning itself within the context of contemporaneous works by figures such as Walt Whitman and Ambrose Bierce, yet remaining distinctively personal in its approach. Preston Lafayette Ledford, a Civil War veteran himself, draws upon his own experiences as both a soldier and a witness to history. His unique perspective provides readers with an intimate understanding of the emotional and psychological challenges faced by individuals torn from their homes and thrust into conflict. Ledford's commitment to preserving the authenticity of his memories mirrors the broader cultural movements of the late 19th century, where personal narratives were essential to comprehending the national trauma. I highly recommend *Reminiscences of the Civil War* to readers interested in first-person accounts of the Civil War, as it presents a nuanced portrayal of conflict, camaraderie, and loss. Ledford's engaging prose not only enlightens the modern reader about the era but also imparts timeless lessons about humanity amidst strife, making this book a valuable addition to any historical literature collection. In this enriched edition, we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read. *Military*

Logan, 1970 This is an abridged edition of Mrs Logan s classic *Reminiscences of a Soldier s Wife* What the author called there the grateful features of her experience the political cauldron of Washington the cruel choices imposed by the Civil War the hard fought election campaigns the social seasons of the nation s capital as well as the inception of the woman s suffrage movement have now become vital parts of Americana In rearranging the materials in this volume Mr Adams gives new emphasis to those portions that are of the greatest historical interest He summarizes the recollections of the years 1838 to 1859 in a Prelude and those of 1877 to 1923 in a Postlude Thus the actual reminiscences included in this book set into dramatic focus the crisis of the Civil War the intensified partisan feelings of Reconstruction and the new order of the Grant era *Under the Guns: A Woman's Reminiscences of the Civil War* Annie Wittenmyer, In preparing this little volume for publication no attempt whatever has been made to record as facts of history the military movements of the army during our recent Civil War The great captains who led the Union forces through the terrible conflict from Fort Sumter to Appomattox have already covered to a large extent the military history of the war My purpose has been simply to bring out in connection with these great military events with which they were so intimately connected a few of the many incidents and heart histories that were crowded into my own life from April 20 1861 to Nov 23 1865 The stories and reminiscences in this book are true to life every one of them They are told just as they occurred without any attempt at literary embellishment and most of them can be substantiated by living witnesses Camps and hospitals were established near my own home in Keokuk Iowa early in April 1861 I began at once my

ministrations to the sick in these newly established hospitals and during my daily visits closed the eyes of the first Iowa soldier who died in the war From that time on till the close of the war I was actively engaged all along the lines I was loyally and generously sustained by the women of Iowa was elected by the Iowa Legislature sanitary agent of the State was commissioned by Iowa s grand old war governor Samuel J Kirkwood was furnished by Secretary Stanton with a pass to all parts of the field and government transportation for myself and supplies This official order of Mr Stanton s was supplemented by the following charge It is especially enjoined upon all officers to furnish this lady every facility in carrying out her generous purposes it being shown that she is worthy of great respect I had also the co operation of the Sanitary and Christian Commissions and the chief medical officers and government officials so that I had unusual facilities for doing good I was greatly indebted to General and Mrs Grant for sympathy and aid When Mrs Grant was at her husband s headquarters the place was a haven of rest for me and a welcome always awaited me Indeed Mrs Grant would have joined me in the work but her husband was afraid her strength and sympathies would be overtaxed During these brief visits I learned to appreciate the unselfishness and noble qualities of General Grant and the strength and purity of his character and the loveliness and sterling worth of Mrs Grant and her wifely devotion I was also under great obligations to General John A Logan who was ever ready to aid me When it was almost impossible to get from Bridgeport to Chattanooga he sent me up in a little steamer which he loaded with my supplies Later I met Mr Orson the president of the United Telegraph Association and General Logan introduced me with such kindly appreciative words that without a hint from either of us he filled out an order allowing me to telegraph free to the end of the war I still have that little order in my possession It is due our brave soldiers that I should say that I felt as safe in their midst as I would have done in my own home even though at times I was the only woman in the midst of an army of twenty thousand fighting men as was the case at Milliken s Bend after the repulse of General Sherman at Haines Bluff Not one impertinent or rude word was ever spoken to me in all those years No purer or grander army ever marched to the music of fife and drum than the army that stood for the defence of our flag and the unity of our government from 1861 to 1865 A woman could walk in their midst in white and a little child would have been as safe as in its mother s arms As I was all along the lines from Vicksburg to Petersburg and was on some of the bloodiest battle fields and as I followed Sherman s army along the fiery lines from Chattanooga to Atlanta I necessarily had to pass through many perils and witness many exciting scenes A few of these stories I have now thought best to publish *Reminiscences of the Civil War* John Brown Gordon, 1985 For many years I have been urged to place on record my reminiscences of the war between the States In undertaking the task now it is not my purpose to attempt a comprehensive description of that great struggle nor an elaborate analysis of the momentous interests and issues involved The time may not have arrived for a full and fair history of that most interesting period in the Republic s life The man capable of writing it with entire justice to both sides is perhaps yet unborn He may appear however at a future day fully equipped for the great work If endowed with the requisite breadth

and clearness of view with inflexible mental integrity and absolute freedom from all bias he will produce the most instructive and thrilling record in the world's deathless annals and cannot fail to make a contribution of measureless value to the American people and to the cause of free government throughout the world I have also recorded in this volume a large number of those characteristic and thrilling incidents which illustrate a unique and hitherto unwritten phase of the war the story of which should not be lost because it is luminous with the noblest lessons Many of these incidents came under my own observation

GENERAL LONGSTREET S forces and mine at Appomattox numbered together less than 8000 men but every man able to bear arms was still resolute and ready for battle There were present three times that many enrolled Confederates but two thirds of them were so enfeebled by hunger so wasted by sickness and so foot sore from constant marching that it was difficult for them to keep up with the army They were wholly unfit for duty It is important to note this fact as explaining the great difference in the number of those who fought and those who were to be fed At the final meeting between General Lee and General Grant rations were ordered by General Grant for 25 000 Confederates Marked consideration and courtesy were exhibited at Appomattox by the victorious Federals from the commanding generals to the privates in the ranks General Meade who had known General Lee in the old army paid after the surrender an unofficial visit to the Confederate chieftain After cordial salutations General Lee said playfully to his former comrade in arms that years were telling upon him General Meade who had fought Lee at Gettysburg and in many subsequent battles made the strikingly gracious and magnanimous answer Not years but General Lee himself has made me gray Some of the scenes on the field immediately after the cessation of hostilities and prior to the formal surrender illustrate the same magnanimous spirit and were

standpoint of a private Considering the vast number represented by the author it is quite remarkable that within the twenty one years since the war began no one has heretofore attempted to tell the experiences sufferings and noble exploits of the men who enabled their officers to gain an undying fame and whose patient endurance unwavering patriotism and unsurpassed heroism saved the union of the States demonstrated that the United States is a Nation and not a mere Confederation and rescued from its sorest peril the Republican form of government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Under the Guns Annie Wittenmyer,1895 **Reminiscences of the Civil War** John Hallum,2017-08-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
