## **Remote Corners A Sierra Leone Memoir:**

*Remote Corners* Harry Mitchell, 2002-07-26 Africa has been described as the hopeless continent and Sierra Leone's recent history provides a vivid picture of this tragedy. Sierra Leone has witnessed a slide into anarchy and in large areas the government is powerless with control in the hands of rebel gangs some belonging to the Revolutionary United Front while neighbouring states jockey for position and intrigue for influence. After years of civil war violent changes in government death mutilation and destruction of property extreme suffering by so many ordinary people such order as exists is maintained by 11 000 United Nations troops a battalion of British soldiers and a substantial Royal Navy force with marines. Apart from its own military costs Britain as the former colonial power has poured in 60 million to help shore up the government. Renewed attention has been drawn to the problems of Sierra Leone by the visit of the British Prime Minister Tony Blair to the country in early February 2002 during a West African visit intended to highlight the African crisis in general and the dilemmas of Sierra Leone in particular. The diamond trade especially its illicit variety lies at the root of the problem which began to emerge when Sierra Leone was still a British colony. Harry Mitchell shows how the colonial government tried to control the trade and harness the wealth it generated to the territory's advantage and to limit its effect on other aspects of economic and social life. He gives a vivid account of the British Colonial administration in the twilight of Empire. He describes the daily round of a District Commissioner sitting as a magistrate to preserve law and order working with the District Councils and native administrations maintaining relationships with all strata of society from Paramount Chiefs to peasants and organising local elections at all levels to the House of Representatives. Sierra Leone's first elected parliament. Harry Mitchell and his colleagues were fearful of the fate of Sierra Leone as an independent nation despite the stability and calm at independence and while offering no blueprint for the salvation of Africa he suggests that a formula might be devised to bring in the United Nations as trustee for new African nations now in chaos. **Historical Dictionary of Sierra Leone** Magbaily C.

Fyle, 2006-03-27 Sierra Leone was founded albeit under British control with the highest hopes of being a refuge for liberated Africans and freed slaves. When the country received its independence hopes for the future grew even stronger. Alas its expectations came crashing down when the country's situation grew steadily worse after repeated military interventions and a devastating ten year civil war that raged throughout the 1990s. Now that the war is over there is once again renewed cause for optimism about the country's future as Sierra Leone becomes an active participant in African and world affairs. This new edition is based primarily on recent research on the country but covers the earliest known inhabitants the colonial era and the period of independence including the very confusing turmoil of the recent past. The chronology briefly traces its history and the introduction provides an essential overview of all the recent developments in the country. Hundreds of cross referenced dictionary entries describe significant leaders events political parties and movements ethnic groups and related political economic and social aspects. A bibliography is included to facilitate further research. Culture and Conflicts in

Sierra Leone Mining Fenda Akiwumi, 2024-03-05 In *Culture and Conflicts in Sierra Leone Mining Strangers Aliens Spirits* the author uses Sierra Leone as a case study to contribute to the debates on the causes and nature of mineral resource conflicts in Africa Unlike many works that focus on the political economy and political ecology of large scale diamond mining conflicts this book's goal is to add to the limited literature on the persistent discord in mining areas In so doing the book integrates cultural conflict dimensions in analyzing the mineral commodity chain primarily the clash between the centuries old customary landlord stranger land governance institution and state mining laws with colonial vestiges It shows that these cultural conflicts challenge the effective development of the mining sector including establishing artisanal mining as a viable complementary livelihood to farming for rural populations **New Perspectives on the Sierra Leone Krio** Mac

Dixon-Fyle, Gibril Raschid Cole, 2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience **The Ringtones and the Drum** Mark Weston, 2012-10-16 Life death and a brush with insanity in Africa's wild forgotten West *Symbol of Authority* Anthony Kirk-Greene, 2005-11-25 In this book Anthony Kirk Greene who served as a district officer in Nigeria for over a decade draws upon personal memoirs diaries private and official papers and his own experience to paint a vivid picture of the service from his perspective *Symbol of Authority* explores the socio educational status of district officers their recruitment and training and what they did in both their work and leisure *The Routledge History of Food* Carol Helstosky, 2014-10-03 The history of food is one of the fastest growing areas of historical investigation incorporating methods and theories from cultural social and women's history while forging a unique perspective on the past *The Routledge History of Food* takes a global approach to this topic focusing on the period from 1500 to the present day Arranged chronologically this title contains 17 originally commissioned chapters by experts in food history or related topics Each chapter focuses on a particular theme idea or issue in the history of food The case studies discussed in these essays illuminate the more general trends of the period providing the reader with insight into the large scale and dramatic changes in food history through an understanding of how these developments sprang from a specific geographic and historical context Examining the history of economic technological and cultural interactions between cultures and charting the corresponding developments in food history *The Routledge History of Food* challenges readers assumptions about what and how people have eaten bringing fresh perspectives to well known historical developments It is the perfect guide for all students of social and cultural history

Queen Elizabeth II and the Africans Raphael Chijioke Njoku, 2024-09-05 The road to Queen Elizabeth II's implementation

of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II's role in the African decolonization trajectories and the postcolonial state's quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa's independence agitations the account harnesses the African interests to tease out the monarch's dilemma of complying with Whitehall's decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth's contribution fell short of African nationalists' expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky [African Research & Documentation](#) ,2003

*Africa* Richard Dowden,2010-03-09 In captivating prose Dowden spins tales of cults and commerce in Senegal and traditional spirituality in Sierra Leone analyzes the impact of oil and the Internet on Nigeria and aid on Sudan and examines what has gone so badly wrong in Rwanda and the Congo *The Works of the Rev. John Newton ... to which are Prefixed Memoirs of His Life*, &c John Newton,1839 [African Affairs](#) ,1944 *Africa Analysis* ,2002

*The Horses of Sierra Leone* Leeland Shelly Nash,2023-05-18 In this gripping and painful memoir Leeland Shelly Nash recounts her first tour of duty as a UN military observer in Sierra Leone while the country transitions from a brutal civil war to the election of a new government As if acclimating to the stresses of her first overseas deployment in a country that is still on the brink of implosion is not enough she must also contend with gender discrimination and covert actions by someone seeking her repatriation back to Canada for reasons beyond simple sexism Having engaged in similar struggles throughout her military career she refuses to back down While forced to second guess the next actions of her comrades she strives to continue to do her job and make a difference to the people around her in the mission and to find hope in the midst of her discouraging environment

**The Papa Bear: A Memoir** Gustave Prinsell,2017-04-25 Born in 1922 in a poor section of Jersey City New Jersey to parents with only third grade educations this is the life story of Gus Prinsell In this autobiography Gus starts by reflecting on his humble beginnings his earliest childhood memories are of poverty wrought by the Great Depression His father was unemployed for a decade Gus's parents never wavered in insisting that their children pursue an education World War II started as he was entering his 20s and he served his country in the US Navy After becoming a born again Christian in the early 1940s and marrying Louise Bininger he finished college and earned his medical doctor degree from Columbia University in 1952 From there Gus went on to study surgery and tropical medicine He then turned away from material gains and dedicated his life to medical missions in West Africa where he moved with Louise and their four sons and opened the new Kamakwie Wesleyan Hospital in 1959 In 1964 Gus returned to the States where he served as a family physician in Western New York until his retirement Gus still lives in Houghton New York with his wife of over 70 years Louise

At the ages of 94 and 91 Gus and Louise now have seven grandchildren and two great grandchildren Gus takes us through his life s journey in his own words Not only does he tell the story of his own life but he effectively weaves in the stories of many of his family and friends His trust in the Lord through faith has led Gus through his life of achievement When asked to describe himself in one phrase he defines himself as a Christian missionary physician and humanitarian His life of dedication to God and mankind is an example for us all     *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur* ,2004     **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2003     **Forthcoming Books** Rose Arny,2002     **A Portraiture of Domestic Slavery, in the United States: with reflections on the practicability of restoring the moral rights of the slave; ... and a project of a Colonial Asylum for free persons of colour: including memoirs of facts on the interior traffic in slaves, and on Kidnapping. Illustrated with engravings** Jesse TORREY,1817     *A Portraiture of Domestic Slavery, in the United States* Jesse Torrey,1817
