**Smoky the Cowhorse** Will James, 1993 The experiences of a mouse-colored horse from his birth in the wild through his capture by humans and his work in the rodeo and on the range to his eventual old age. **Echoes of the Old Ways** Harold Brannan, 2014 At the end of the Red River War, any lingering vestige of the fierce Indian hegemony over the Southern Plains was completely crushed, and the tribes of native people were now restricted to government-controlled reservations in Oklahoma Territory. The abrupt change left vacant thousands of acres of unclaimed land, which the frontier settlers of Texas and other states began to move into and claim as their own. Old customs die hard, however, and for the next few years of transition, there were still echoes of the old ways reverberating across the land. **Smoky the Cowhorse. The pacing**

**mustang. Black Beauty** Will James, Ernest Thompson Seton, Anna Sewell, 2021-01-08 This composite book contains three wonderful pieces of work by famous writers: *Black Beauty* by Anna Sewell, *Smoky the Cowhorse* by Will James, and *The Pacing Mustang* by Ernest Thompson Seton. Love to animals to horses in particular unites these stories. The first book became a world bestseller. It was purchased by more than 50 million readers. In *Smoky the Cowhorse*, an old cowboy tells about the hard life of a real cowboy horse in the wide expanse of the prairie. In *The Pacing Mustang*, the wild black Pacing Mustang couldn't be caught by any cowboy. Only a greedy cook was able to cunningly entrap the fast horse. In the end, even the cook was left behind by the horse's tremendous speed. Atkinson's Evening Post, and Philadelphia Saturday News, 1929 **Shawnee**

Bob Giel, 2022-06-28 They say revenge is a dish best served cold. They better be right. Sixteen-year-old Lon Pearce is an orphan who has lost both his parents separately at the hands of the same man, local business owner Carl Teverence. Grief-stricken by their murders, he heads into town, half-cocked and ready to take his vengeance. Only things don't quite turn out the way he'd hoped. Teverence and his men see him coming a mile away. They turn the tables on him with ease, and Lon is lucky to escape with his life. Alone and hunted, Lon is forced to leave everything he knows and loves behind, even his name. Now known only as Shawnee, he journeys west across the plains on a long and lonely trail. He hasn't forgotten the score he has to settle, but he needs to learn the skills to make it possible. He lends a hand to those he finds in need along the way, even when it forces him further outside the law. Will Shawnee find his way back home to deliver the justice he so desperately desires? Will he have learned enough to defeat Teverence and his men, or will he wind up in a shallow grave next to his parents? And even if he is successful, will he have enough integrity, enough of his soul remaining to think of himself as a good man? An action-filled adventure of loss and revenge, Bob Giel's *Shawnee* will have you on the edge of your seat until the very last page. The Mammoth Book of the West Jon E.
