**The Oxford History of Classical Reception in English Literature** Patrick Cheney, Philip Hardie, 2015-10-29 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English

writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading *Rival Playwrights* James Shapiro, 1991

**The Variorum Edition of the Poetry of John Donne, Volume 7, Part 2** John Donne, 2021-01-05 Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared the eighth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of thirteen Divine Poems and details the genealogical history of each poem accompanied by a thorough prose discussion Arranged chronologically within sections the material is organized under the following headings Dates and Circumstances General Commentary Genre Language Versification and Style the Poet Persona and Themes The volume also offers a comprehensive digest of general and topical commentary on the Divine Poems from Donne s time through 2012 John Donne, Coterie Poet Arthur F. Marotti, 2008-08-01 Arthur F Marotti has produced the first systematic study of John Donne s poetry as coterie literature offering fresh interpretations of the poems in their biographical and sociohistorical contexts It will be of interest and value to students and scholars of English Renaissance literature to critics interested in the application of revisionist history to literary study and to those concerned with the processes by which literature became institutionalized in the early modern period Donne treated poetry as an avocation restricting his verse to carefully chosen readers friends acquaintances patrons and the woman he later married This study employs socio historical and psychoanalytic methods to examine this poetry as work designed for readers to respond in knowledgeable ways to a complex interplay of literary text and social context Marotti argues that it is necessary to relate literary language to the languages of social economic and political transactions and to define the social and ideological affiliations of literary genres and modes After setting Donne s practice in the framework of the sixteenth century systems of manuscript literary transmission Marotti treats the verse chronologically and according to audience paying particular attention to the rhetorical enactment of the author s relationships to peers and superiors through the conflicting styles of egalitarian assertion social iconoclasm and deferential politeness Marotti relates the poetry to Donne s contemporary prose discussing the author s choice of various literary forms in the context of his sociopolitical life as well in terms of the shift from Elizabethan to Jacobean rule the latter change resulting in a realignment of genres within the culture s literary system He reads Donne s formal satires humanist verse letters erotic elegies and commentary epistles aware of the social coordinates of those particular genres and defines the markedly different circumstances to which Donne s libertine courtly satiric sentimental complimentary and religious lyrics individually belonged Marotti deals also with Donne s inventive mixing of genres in both shorter and longer poems Marotti s

groundbreaking work offers new models of historical interpretation of Donne's poetry complementing previous formalist intellectual historical and literary historical readings. It particularly highlights the importance of attending to the socioliterary conditions of literature designed for manuscript transmission rather than for publication work that includes for example much of the lyric poetry of Renaissance England. **A Critical Companion to John Skelton** Sebastian I. Sobecski, V. J. Scattergood, 2018. Introduces Skelton and his work to readers unfamiliar with the poet. gathers together the vibrant strands of existing research and opens up new avenues for future studies. Walter Pater R.M. Seiler, 2013-10-15. The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare's plays or reactions to the first publication of Jane Austen's novels. The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries. Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author's reputation. Each volume contains an introduction to the writer's published works, a selected bibliography and an index of works, authors and subjects. The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes.

The Variorum Edition of the Poetry of John Donne, Volume 6 John Donne, 1995. Based on an exhaustive study of the manuscript and print history of Donne's poetry, this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne's time forward. Textual introductions briefly locate the poems in the context of Donne's life or poetic development, outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors. A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission. Provided by publisher. **Spenser's Forms of History** Bart Van Es, 2002. In Spenser's Forms of History, Bart van Es describes six modes through which Early Modern England addressed the past: chronicle, chorography, antiquarian discourse, euhemerism, typology and prophecy. By setting this material alongside the works of Edmund Spenser, the book explores allusive strategies ranging in effect from eulogy to polemic. Key Spenserian texts including *The Faerie Queene*, *The Shepheardes Calendar* and *A View of the Present State of Ireland* are read against Elizabethan cultural documents extending from popular print to restricted manuscripts. Over the course of six chapters, each focusing on a single form, the book shows Spenser to have been an exceptional historical thinker. Drawing on recent studies of nationhood, the study not only offers a new picture of the English Poet Historical but also makes an innovative contribution to current debates concerning the relationship between literature and history. **The Heritage Series of Black Poetry, 1962-1975** Lauri Ramey, 2016-03-03. In 1962 the Heritage Series of Black Poetry founded and edited by Paul Breman published Robert Hayden's *A Ballad of Remembrance*. By 1975 the Series had published 27 volumes by some of the twentieth

century's most important and influential poets As elaborated in Lauri Ramey's extensive scholarly introduction this innovative volume has dual purposes To provide primary sources that recover the history and legacy of this groundbreaking publishing venture and to serve as a research companion for scholars working on the Series and on twentieth century black poetry Never before published primary materials include Paul Breman's memoir retrospectives by several of the poets published in the Series a photo documentary of W E B Du Bois's 1958 visit to The Netherlands poems by poets represented in the Series and scholarly essays Also included are bibliographies of the Heritage poets and of the Heritage Press Archives at the Chicago Public Library This reference work is an essential resource for scholars working in the fields of black poetry transatlantic studies and twentieth century book history

Court Politics, Culture and Literature in Scotland and England, 1500-1540 Jon Robinson, 2017-11-30 The focus of this study is court literature in early sixteenth century England and Scotland The author examines courtly poetry and drama in the context of a complex system of entertainment education self-fashioning dissimulation propaganda and patronage He places selected works under close critical scrutiny to explore the symbiotic relationship that existed between court literature and important socio political economic and national contexts of the period 1500 to 1540 The first two chapters discuss the pervasive influence of patronage upon court literature through an analysis of the panegyric verse that surrounded the coronation of Henry VIII The rhetorical strategies adopted by courtiers within their literary works however differed depending on whether the writer was at the time of writing the verse or drama excluded or included from the environs of the court The different often elaborate rhetorical strategies are through close readings of selected verse delineated and discussed in chapter three on David Lyndsay and chapter four on Thomas Wyatt and Thomas Elyot

**Women's Authorship and Editorship in Victorian Culture** Beth Palmer, 2011-02-17 This book brings new perspectives to the study of sensation fiction in the Victorian period It examines Mary Elizabeth Braddon Ellen Wood and Florence Marryat's magazines alongside their fiction to explore the self-conscious and complex ways they used sensation to re-work contemporary notions of female agency

*Romantic Writings* Stephen Bygrave, 2017-09-29 *Romantic Writings* is an ideal introduction to the cultural phenomenon of Romanticism one of the most important European literary movements and the cradle of Modern culture Here you will find an accessible introduction to the well-known male Romantic writers Blake Wordsworth Coleridge Byron Shelley and Keats Alongside are chapters dealing with poems by Charlotte Smith Mary Robinson Ann Barbauld Elizabeth Barrett Browning which challenge the idea that these men are the only Romantic writers As a further counterpoint the book also includes discussion of two German Romantic short stories by Kleist and Hoffman Throughout close reading of texts is matched by an insistence on reading them in their historical context *Romantic Writings* offers invaluable discussions of issues such as the notion of the Romantic artist colonialism and the exotic and the particular situation of women writers and readers

**The Complete Poems** R. Rebholz, Thomas Wyatt, 2015-07-30 As a diplomat in Renaissance Europe and a luminary at the court of Henry VII Sir Thomas Wyatt wrote in an incestuous world

where everyone was uneasily subject to the royal whims and rages Wyatt had himself survived two imprisonments in the Tower as well as a love affair with Anne Boleyn and his poetry that of an extraordinarily sophisticated passionate and vulnerable man reflects these experiences making disguised reference to current political events Above all though Wyatt is known for his love poetry which often dramatizes incidents and remembered conversations with his beloved with an ear acutely sensitive to patterns of rhythm and colloquial speech Conveying the actuality of betrayal or absence and the intense pressure of his longing for a love that could be trusted these are some of the most haunting poems in the English language
