Apologetics, Mission and New Religious Movements: A Holistic Approach Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson's work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways **The History of Apologetics** Zondervan, 2020-06-16 ECPA Christian Book Award 2021 Finalist Biography Memoir Explore Apologetics through the Lives of History's Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context Each chapter looks at the life of a well known apologist from history unpacks their methodology and details how they approached the task of defending the faith By better understanding how apologetics has been done readers will be better able to grasp the contextualized nature of apologetics and apply those insights to today's context The History of Apologetics covers forty four apologists including Part One Patristic Apologists Part Two Medieval Apologists Part Three Early Modern Apologists Part Four 19th C Apologists Part Five 20th C American Apologists Part Six 20th C European Apologists Part Seven Contemporary Apologists

Collectivistic Religions Slavica Jakelc, 2016-05-23 Collectivistic Religions draws upon empirical studies of Christianity in Europe to address questions of religion and collective identity religion and nationalism religion and public life and religion and conflict It moves beyond the attempts to tackle such questions in terms of choice and religious nationalism by introducing the notion of collectivistic religions to contemporary debates surrounding public religions Using a comparison of several case studies this book challenges the modernist bias in understanding of collectivistic religions as reducible to national identities A significant contribution to both the study of religious change in contemporary Europe and the theoretical debates that surround religion and secularization it will be of key interest to scholars across a range of disciplines including sociology political science religious studies and geography *John Warwick Montgomery's Legal Apologetic* Ross Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground

apologetically as it assesses Dr Montgomery's work. It focuses on his legal historical apologetic and in the process reframes it for both the tough minded and the tender hearted. It shows not only the rationality of Montgomery's work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason. A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism. This book also breaks new ground as the legal apologetic model has not been previously assessed; it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves. The present work should thus be of particular interest to apologists, theologians, philosophers of religion, pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age. *Fighting the Good Fight, 3rd and Enlarged Edition* John Warwick Montgomery, 2020-10-27

John Warwick Montgomery is considered to be one of the foremost living apologists for classical biblical Christianity. A renaissance scholar with a flair for controversy, he lives in France, England and the United States. His international activities have brought him into personal contact with some of the most exciting events of our time: not only was he in China in June 1989 but he was in Fiji during its 1987 bloodless revolution, was involved in assisting East Germans to escape during the time of the Berlin Wall and was in Paris during the revolutionary days of May 1968. He has had personal contact with world leaders such as President Anwar Sadat of Egypt and English Prime Minister Tony Blair. He has been centrally involved in evangelical and Lutheran church affairs such as the Wenham conference on the authority of Scripture and the inerrancy controversies in the Lutheran Church Missouri Synod. His public debates with atheist Madalyn Murray O'Hair, Bishop James Pike, death of God advocate Thomas Altizer and situation ethicist Joseph Fletcher are historic. His wife is the internationally celebrated orchestral harpist Lanalee de Kant. Dr Montgomery is the author or editor of more than fifty books in five languages. He holds ten earned degrees including a Master of Philosophy in Law from the University of Essex, England, a Ph.D. from the University of Chicago, a Doctorate of the University in Protestant Theology from the University of Strasbourg, France, and the higher doctorate in law LL.D. from the University of Cardiff, Wales. He is an ordained Lutheran clergyman, an English barrister, an avocat au Barreau de Paris, France, and is admitted to practise as a lawyer before the Supreme Court of the United States. He obtained acquittals for the Athens 3 missionaries on charges of proselytism at the Greek Court of Appeals in 1986 and won the leading religious liberty cases of *Larissis v Greece* and *Bessarabian Orthodox Church v Moldova* before the European Court of Human Rights. Professor Montgomery's autobiography offers an opportunity for the reader to meet one of the most fascinating figures in the contemporary church, to understand how he attained his influence in so many diverse areas of modern life and to comprehend the Christ-centered philosophy of life that has motivated all of his activities. This autobiography manifests the author's willingness to speak frankly about those with whom he has agreed and disagreed and is lightened with his well-known sense of humour. Readers have a remarkable and unique treat in store for them.
