Growing Love in Christian Marriage Third Edition - Pastor's Manual Jane P Ives,S. Clifton Ives,2013-03 Life together begins with a strong foundation **Marriage, Bible, Violence** Saima Afzal,Johanna Stiebert,2023-10-01 Drawing on both biblical studies scholarship and practitioner experience this book explores the disjuncture between complementarian accounts of biblical marriage and intersections of marriage and violence in texts from Jewish and Christian Scriptures This volume challenges authoritative complementarian claims to the Bible s allegedly clear and unequivocal directions on marriage It refutes these claims with analysis of the muddled and often violent depictions of marriage in the Bible itself Regular reminders show why such an exploration matters that is because recourse to the authority and plain meaning of the Bible has had and continues to have impact on real people s lives Sometimes this impact is violent and traumatic notably

when the Bible is weaponised to justify intimate partner violence This book explores a wide range of biblical texts and interpretations Particular focus is placed on the influential pronouncements on biblical marriage by the US Family Research Council and Council for Biblical Manhood and Womanhood Textual analysis includes close focus on Genesis 1 3 Malachi 2 and Ephesians 5 This book will appeal to students of biblical studies and theology as well as anyone interested in research based activism and in how sacred texts are directed towards modern day to day life It investigates marriage the Bible and violence all of which play significant roles in public discourses and popular culture *NLT Study Bible* Tyndale, Tyndale House Publishers Staff, 2017-04 Ask Seek Knock Receive Find Open For everyone who asks receives Everyone who seeks finds And to everyone who knocks the door will be opened Matthew 7 8 Explore the Scriptures with almost 50 of today's top evangelical scholars including Daniel Block Barry Beitzel Tremper Longman John N Oswalt Grant R Osborne Norman Ericson and many more Every feature in the NLT Study Bible has been created to do more than just impart information Ask questions and the NLT Study Bible gives you both the words and the world of the Bible Seek deeper understanding and find the meaning and significance of Scripture not just facts Knock on the door of God's Word and see what doors are opened to you The New Living Translation makes the message clear The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends Dr William H Marty ThD Professor of Bible Moody Bible Institute Features from nearly 50 of today's most trusted Bible teachers include 300 theme articles identify and explore the major topics and ideas of the Bible 25 000 study and textual notes provide background and deeper explanations of words phrases verses and sections 85 introductory articles set the stage for the Old and New Testament and each major Bible section book and time period including the intertestamental period the time after the apostles and a harmony of the Gospels Each book introduction covers background materials including authorship setting meaning and message of the book an outline recommended resources and more 220 charts illustrations maps and timelines organize and illuminate important information 200 Greek and Hebrew word studies trace the use of important words throughout the Bible 90 profiles paint portraits of major figures in the Bible good and bad 50 000 cross references connect related verses Words of Christ in red **100 Answers to Questions from the Neighborhoods** Tim Wallingford, 2016-12-29 100 Answers to Questions from the Neighborhoods Personal Evangelism Done Jesus Style Companion Study Guide is a modern day application of Jesus and the apostles strategy to fulfill the Great Commission In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world Colossians 1 6 Did you know Jesus walked over 3 000 miles through neighborhoods throughout Palestine In Matthew 10 Jesus commanded his disciples to go into a neighborhood find a worthy person and stay at their home From there they went out and met the neighbors The disciples then showed love to those they met by meeting any physical needs Only then would they share God's love story the gospel of Christ This was also Jesus personal strategy Today most evangelistic plans involve

Guiding God's Marriage Courtney Ann Irby, 2024-05-14 Examines how religious leaders use premarital counseling to influence how we view intimacy It is well known that the institution of marriage has changed dramatically in the past few decades However very little research has focused on the role of religious institutions in helping couples form and maintain their relationships *Guiding God's Marriage* offers an examination of Christian marriage preparation programs exploring their efforts to stabilize the institution of marriage and highlighting the tension between individualism and community in people's relational lives Marriage preparation programs offer a useful lens through which to trace shifts in both religious and family institutions because they set out clear and intentional articulations of marriage ideologies and gendered relationship scripts by faith communities By documenting the changes in content and practices of Christian premarital education along with its advice regarding what makes a good marriage the book charts the ways that

religious communities have been transformed by and have helped to contribute to the individualization of faith and relationships Featuring archival research as well as first hand observations of four marriage preparation courses two Protestant and two Catholic along with seventy interviews with participating couples and leaders of these and other programs the book offers a rare view of visions about how to realize a successful and faith filled relationship This examination of marriage classes offers key insight into how religious communities have responded to cultural changes in marriage gender sexuality and intimacy Challenge of the Disciplined Life Study Guide Richard J. Foster, 1989-08

Christianity and Family Law John Witte, Jr, Gary S. Hauk, 2017-10-12 The Western tradition has always cherished the family as an essential foundation of a just and orderly society and thus accorded it special legal and religious protection Christianity embraced this teaching from the start and many of the basics of Western family law were shaped by the Christian theologies of nature sacrament and covenant This volume introduces readers to the enduring and evolving Christian norms and teachings on betrothals and weddings marriage and divorce women s and children s rights marital property and inheritance and human sexuality and intimate relationships The chapters are authoritatively written but accessible to college and graduate students and scholars as well as clergy and laity While alert to the hot button issues of sexual liberty today the contributing authors let the historical figures speak for themselves about what Christianity has and can contribute to the protection and guidance of our most intimate association
