Rookwood A Romance:

Rookwood William Harrison Ainsworth,1879 **Rookwood** William Harrison Ainsworth,2020-09-28 Within a sepulchral vault and at midnight two persons were seated The chamber was of singular construction and considerable extent The roof was of solid stone masonry and rose in a wide semicircular arch to the height of about seventeen feet measured from the centre of the ceiling to the ground floor while the sides were divided by slight partition walls into ranges of low narrow catacombs The entrance to each cavity was surrounded by an obtusely pointed arch resting upon slender granite pillars and the intervening space was filled up with a variety of tablets escutcheons shields and inscriptions recording the titles and heraldic honors of the departed There were no doors to the niches and within might be seen piles of coffins packed one upon another till the floor groaned with the weight of lead Against one of the pillars upon a hook hung a rack of tattered time out of mind hatchments and in the centre of the tomb might be seen the effigies of Sir Ranulph de Rokewode the builder of the mausoleum and the founder of the race who slept within its walls This statue wrought in black marble differed from most monumental carved work in that its posture was erect and lifelike Sir Ranulph was represented as sheathed in a complete suit of mail decorated with his emblazoned and gilded surcoat his arm leaning upon the pommel of a weighty curtal axe The attitude was that of stern repose A conically formed helmet rested upon the brow the beaver was raised and revealed harsh but commanding features The golden spur of knighthood was fixed upon the heel and at the feet enshrined in a costly sarcophagus of marble dug from the same quarry as the statue rested the mortal remains of one of the sternest knights to his mortal foe that ever put speare in the rest **Rookwood** William Harrison Ainsworth,1902 **Rookwood** Ainsworth

Rockwood, a romance W. Harrison Ainsworth, 1836

Rookwood William Ainsworth, 2016-12-05 A rich and complex Gothic Romance centring on the murky deeds of an ancient family It is a wonderfully atmospheric piece that combines narrative poetry song and descriptive writing to great effect The character of Dick Turpin that we know today the dashing highwaymen and unmatched horseman can be said to stem directly from this novel as the most famous part of the book often published on its own in the past Turpin's Ride To York is devoted to him Although seemingly little known to a modern audience Ainsworth's Rookwood gave the world the image of the highwayman with which we are all so familiar

Summary by paulc This is a true romance in the classical sense of the word love is a lynchpin of the plot but moreso the travails and curses upon the doomed family of Rookwood Interspersed with their dealings are the adventures of noble highwayman Dick Turpin who becomes the most compelling and lovable character among the lot The descriptions and sense of poetry within the book are gorgeous the language verbose and florid but not stifling GOOD stuff
