Roosevelt The Hunter:

Theodore Roosevelt on Hunting Lamar Underwood, 2019-04-01 Besides being one of our greatest presidents Roosevelt stands alone as a conservationist a visionary when it came to the protection and preservation of America's natural resources and an author Library Journal There have been few hunters as daring as powerful and as articulate as our twenty sixth president Theodore Roosevelt From his ranching years in the Dakota Territory to the famous African adventures Roosevelt's tales are unparalleled stories of the hunt The best of them are collected here Of Roosevelt's many volumes of hunting and exploration two reader favorites have always been Ranch Life and the Hunting Trail and African Game Trails both excerpted here During his ranching years Roosevelt ranged far and wide and his African trips were also famously bold In all his expeditions Roosevelt reveals in detail hunts that were incredible journeys of both pursuit and discovery for wherever he went in the outdoors he assumed the dual roles of hunter and naturalist The hunts range from upland birds and waterfowl to prized big game animals like elk bear and sheep amid lofty peaks There are goat pursuits among ice glazed mountain spires and close encounters with grizzlies in the black timber He survives lion charges and buffalo attacks and stumbles on elephants

Roosevelt Cole Kekelis, 2003-11-01 Theodore Roosevelt was a remarkable individual His boundless energies and tremendous enthusiasm best show themselves in his many adventures as a hunter He hunted animals of all size and description over three continents He was charged by a maddened twelve hundred pound grizzly in the Rocky Mountains He was nearly killed by a buffalo on a dry moonlit prairie He stood against the implacable fury of the rhino and the elephant and he was able to keep a steady aim while in the face of a lion A a's charge He almost met his death under the charge of a moose and he once spent a sleepless night alone in the hills with his camp surrounded by ravenous timber wolves He sought out and relished these dangers for they put his courage and skills of marksmanship and riding to the test *Theodore Roosevelt, Hunter-conservationist*
