The Roots of American Loyalty Merle Eugene Curti,1967

Emotions in American History Jessica C. E. Gienow-Hecht,2010-04-01 The study of emotions has attracted anew the interest of scholars in various disciplines igniting a lively public debate on the constructive and destructive power of emotions in society as well as within each of us Most of the contributors to this volume do not hail from the United States but look at the nation from abroad They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history In particular they focus on emotions in American history between the 18th century and the present in war in social and political discourse as well as in art and the media In addition to case studies the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects

Schoolbook Nation Joseph Moreau,2004-11-23 DIVAn unbiased examination of the century and a half long culture wars fought in the pages of our country s history texts div Immigrant Minds, American Identities Orm Øverland,2000 Devised by individual ethnic leaders and spread through ethnic media banquets and rallies these myths were a response to being marginalized by the dominant group and a way of laying claim to a legitimate home in America **BOOK JACKET**

Legacy of Hate: A Short History of Ethnic, Religious and Racial Prejudice in America Philip Perlmutter,2015-07-17 For all its foundation on the principles of religious freedom and human equality American history contains numerous examples of bigotry and persecution of minorities Now author Philip Perlmutter lays out the history of prejudice in America in a brief compact and readable volume Perlmutter begins with the arrival of white Europeans moves through the eighteenth and industrially expanding nineteenth centuries the explosion of immigration and its attendant problems in the twentieth century and a fifth chapter explores how prejudice racial religious and ethnic has been institutionalized in the educational systems and laws His final chapter covers the future of minority progress

The 50% American Stanley A. Renshon,2005-11-01 The United States is the only nation in the world that allows its citizens to hold one or more foreign citizenships vote in another nation s elections run for or be appointed to office in another country and join the armed forces even of a nation with interests hostile to those of the U S while retaining their citizenship These policies reinforce the often already strong emotional political and economic ties today s immigrants retain to their home countries Yet few studies have addressed what dual citizenship means for the United States as a nation and the integration of immigrants into the American national community Is it possible to reconcile two different nationalities cultures and psychologies How can we honor immigrants sense of identity without threatening American national identity What do Americans have a right to expect of immigrants and what do they have a right to expect of Americans In The 50% American political psychologist Stanley Renshon offers unique insight into the political and national ramifications of personal loyalties Arguing that the glue that binds this country together is a psychological force patriotism he explains why powerful emotional

attachments are critical to American civic process and how they make possible united action in times of crisis In an age of terrorism the idea that we are all Americans regardless of our differences is more than a credo it is essential to our national security Comprehensive in scope this book examines recent immigration trends tracing the assimilation process that immigrants to the United States undergo and describing how federal state and local governments have dealt with volatile issues such as language requirements voting rights and schooling Renshon turns a critical eye to the challenges posed over the past four decades by multiculturalism cultural conflict and global citizenship and puts forth a comprehensive proposal for reforming dual citizenship and helping immigrants and citizens alike become more integrated into the American national community

Bonds of Affection John Bodnar, 2020-10-06 During the Civil War Walt Whitman described his admiration for the Union soldiers loyalty to the ideal of democracy His argument that this faith bonded Americans to their nation has received little critical attention yet today it raises increasingly relevant questions about American patriotism in the face of growing nationalist sentiment worldwide Here a group of scholars explores the manner in which Americans have discussed and practiced their patriotism over the past two hundred years Their essays investigate for example the extent to which the promise of democracy has explained citizen loyalty what other factors such as devotion to home and family have influenced patriotism and how patriotism has often served as a tool to maintain the power of a dominant group and to obscure internal social ills This volume examines the use of patriotic language and symbols in building unity in the early republic rebuilding the nation after the Civil War and sustaining loyalty in an increasingly diverse society Continuing through the World Wars to the Clinton presidency the essay topics range from multiculturalism to reactions toward masculine power In addition to the editor the contributors include Cynthia M Koch Cecilia Elizabeth O Leary Andrew Neather Stuart McConnell Gaines M Foster Kimberly Jensen David Glassberg and J Michael Moore Lawrence R Samuel Robert B Westbrook Wendy Kozol George Lipsitz Barbara Truesdell Robin Wagner Pacifici and William B Cohen

John L. Sullivan and His America Michael T. Isenberg, 1994-01-15 A knockout biography of John L Sullivan that puts the fabled boxing champ squarely in the context of his rough and tumble times Drawing on a wealth of contemporary sources including the scandalous National Police Gazette Isenberg History Annapolis recounts how Sullivan brawled his way from a working class background in Boston s Irish ghetto to the top of the prizefighting world

American Intellectual History Albert A. Blum, Arthur Alphonse Ekirch, Charles F. Delzell, Charles F. Mullett, Crane Brinton, Franklin Daniel Scott, Gilbert C. Fite, Harold J. Grimm, Kenneth W. Morgan, Philip D. Curtin, Robert Walcott, William Stull Holt, William T. Hagan, 1963

Star-Spangled Banner Marc Ferris, 2014-09-13 The first comprehensive history of America s controversial national anthem and how it evolved from an English barroom ballad into a patriotic hit Nearly every American knows The Star Spangled Banner the national anthem of the United States of America Yet many people dislike the song contend that it glorifies militarism and question its suitability as the musical embodiment of nationhood Even professional vocalists have trouble singing the multi octave melody and remembering the

words So why in 1931 did Congress designate it as the official national anthem more than a century after Francis Scott Key put pen to paper Filled with fascinating little known facts drawn from a variety of primary sources *Star Spangled Banner* provides the first narrative history of this controversial song which turns 200 years old in 2014 Marc Ferris's lively account which traces the evolution of the song's instant popularity as well as its use and abuse by Americans of different political stripes also explains the changing rituals surrounding the song including the practice of standing with hats removed and hand held over the heart during public performances This entertaining book will appeal to patriots of all persuasions along with sports fans musicians veterans history buffs and anyone who has ever struggled to hit the high notes in the land of the free and the home of the brave **Monthly Bulletin** San Francisco Public Library, 1919 *Law and Markets in United States History* James Willard Hurst, 2001 The eminent legal scholar James Willard Hurst's sociological analysis of the relation between law and private business in relation to society at large Hurst argues that law and business support the same goals of efficiency and humanity and examines their interrelationship toward that end in terms of ethical issues related to public policy money supply the impact of incremental change inflation and deflation monopoly and competition and other economic factors Based on Hurst's lectures at The University of Wisconsin in April 1981 James Willard Hurst 1910-1997 is widely recognized as the father of modern American legal history He taught at University of Wisconsin Law School A prolific scholar and writer Hurst's major works include *The Growth of American Law* *The Law Makers* 1950 *Law and The Conditions of Freedom in The Nineteenth century United States* 1956 *Law and Economic Growth* *The Legal History of the Wisconsin Lumber Industry 1835-1916* 1964 *Law and Social Process in U S History* 1960 and *Law and Social Order in the United States* 1977 **CONTENTS** Introduction The Market the Law and Challenges of Scarcity Chapter 1 Law and the Constitution of the Market Chapter 2 The Market in Social Context Chapter 3 Bargaining through Law and through Markets Notes Sources Cited Index *Reader's Guide to American History* Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history *Women, the State, and Welfare* Linda Gordon, 2012-11 A collection of essays about women and welfare in America this book discusses how welfare programmes affect women and how gender relations have influenced the structure of such programmes Issues such as race and class are also discussed **Patriot Fires** Melinda Lawson, 2002-11-27 The Civil War is often credited with giving birth to the modern American state The demands of warfare

led to the centralization of business and industry and to an unprecedented expansion of federal power But the Civil War did more than that as Melinda Lawson shows it brought about a change in American national identity redefining the relationship between the individual and the government Though much has been written about the Civil War and the making of the political and economic American nation this is the first comprehensive study of the role that the war played in the shaping of the cultural and ideological nation state In *Patriot Fires* Lawson explains how when threatened by the rebellious South the North came together as a nation and mobilized its populace for war With no formal government office to rally citizens the job of defining the war in patriotic terms fell largely to private individuals or associations each with their own motives and methods Lawson explores how these interpreters of the war helped instill in Americans a new understanding of loyalty to country Through efforts such as sanitary fairs to promote the welfare of soldiers the war bond drives of Jay Cooke and the establishment of Union Leagues Northerners cultivated a new sense of patriotism rooted not just in the subjective American idea but in existing religious political and cultural values Moreover Democrats and Republicans Abolitionists and Abraham Lincoln created their own understandings of American patriotism and national identity raising debates over the meaning of the American idea to new heights Examining speeches pamphlets pageants sermons and assemblies Lawson shows how citizens and organizations constructed a new kind of nationalism based on a nation of Americans rather than a union of states a European styled nationalism grounded in history and tradition and celebrating the preeminence of the nation state Original in its insights and innovative in its approach *Patriot Fires* is an impressive work of cultural and intellectual history As America engages in new conflicts around the globe Lawson shows us that issues addressed by nation builders of the nineteenth century are relevant once again as the meaning of patriotism continues to be explored

History of Asian Americans Jonathan H. X. Lee, 2015-01-16 A comprehensive compelling and clearly written title that provides a rich examination of the history of Asians in the United States covering well established Asian American groups as well as emerging ones such as the Burmese Bhutanese and Tibetan American communities *History of Asian Americans Exploring Diverse Roots* supplies a concise easy to use yet comprehensive resource on Asian American history Chronologically organized it starts with Chinese immigration to the United States and concludes with coverage of the most recent Asian migrant populations describing Asian American lives and experiences and documenting them as an essential part of the continuously evolving American experience and mosaic The book discusses domestic as well as international influencing factors in Asian American history thereby providing information within a transnational framework An ideal resource for high school and undergraduate level students as well as general readers interested in learning about the history of Asian Americans the chapters employ critical racialization and ethnic studies discourses that put Asian and Asian Americans subjects in an insightful comparative perspective The book also specifically addresses the important roles played by Asian American women across history

History of American Political Thought Raymond Garfield Gettell, 1928 First

Americans Thomas Grillo, 2018-05-22 The little known story of how army veterans returning to reservation life after World War I transformed Native American identity Drawing from archival sources and oral histories Thomas Grillo demonstrates how the relationship between Native American tribes and the United States was reinvented in the years following World War I During that conflict twelve thousand Native American soldiers served in the U S Army They returned home to their reservations with newfound patriotism leveraging their veteran cachet for political power and claiming all the benefits of citizenship even supporting the termination policy that ended the U S government's recognition of tribal sovereignty

History of Education: Debates in the history of education Roy Lowe, 2000 This major work brings together some of the most significant and influential writing on the history of education during the past thirty years It illustrates key themes and their relevance for our understanding of the development of schooling

Roots Of American Loyalty Introduction

In the digital age, access to information has become easier than ever before. The ability to download Roots Of American Loyalty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Roots Of American Loyalty has opened up a world of possibilities. Downloading Roots Of American Loyalty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Roots Of American Loyalty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Roots Of American Loyalty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Roots Of American Loyalty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Roots Of American Loyalty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Roots Of American

Loyalty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
