Santas Factory:

Behemoth: A History of the Factory and the Making of the Modern World Joshua B. Freeman, 2018-02-27 Freeman's rich and ambitious *Behemoth* depicts a world in retreat that still looms large in the national imagination. More than an economic history or a chronicle of architectural feats and labor movements, Jennifer Szalai, *New York Times*. In an accessible and timely work of scholarship, celebrated historian Joshua B. Freeman tells the story of the factory and examines how it has reflected both our dreams and our nightmares of industrialization and social change. He whisks readers from the early textile mills that powered the Industrial Revolution to the factory towns of New England to today's behemoths making sneakers, toys, and cellphones in China and Vietnam. *Behemoth* offers a piercing perspective on how factories have shaped our societies and the challenges we face now.

When Santa Went Missing Parinita Shetty, 2014-12-01 All eleven-year-old Noel wants to do is live a normal life, something that's just the tiniest bit difficult when your dad is Santa Claus. Just as Noel is struggling to cope with her dysfunctional family, an older brother who wants to develop a non-existent acting career, a younger brother who thinks he's a reindeer, and a mother who's prone to nervous breakdowns, her father goes missing in prime Santa Claus season. When rumours of Santa's disappearance start leaking, a reluctant Noel is packed off on a quest to prevent worldwide elfish panic. To help her on this mission are Gilmore Coral and Bean, three elves with personality disorders of their own. This ragtag team has one week to visit six factories around the world and prevent them from falling into chaos. With crazy challenges at every turn and Santa Claus still refusing to budge from the missing persons list, saving Christmas seems just a little out of their league.

When Santa Fell to Earth Cornelia Funke, 2011-10-01 A crash landing puts Christmas in peril in this quirky, funny, and heartwarming holiday classic from the *New York Times* bestselling author of *Inkheart*. Scared by a storm, Twinklestar, the least reliable reindeer, bolts, causing Santa and his sleigh to crash land. And though Santa has dropped into a friendly neighborhood, he's not safe. Jeremiah Goblynch, the ruthless new leader of the Council of Yuleland, is determined to put an end to children's wishes and turn the holiday season into his own personal moneymaking scheme. As the last REAL St Nick around, only Santa stands between Goblynch and his grinchlike plan. With the help and hope of kids Charlotte and Ben, Santa must face Goblynch and his Nutcracker goons to save Christmas. Wonderfully imaginative details, adventure, danger, and a brave young Santa who fights to preserve all that is magical and special about Christmas make this a perfect read over a mug of hot chocolate on a cold winter's night. *School Library Journal*. The humor plus some unusual character types sets this apart from the general run of holiday tales. *Kirkus Reviews*.

Santa Must Die! Rebecca M. Senese, Hired as security for a Christmas in July mall promotion because of his name, private detective Noel Kringle expects an easy job.
