## Sapphires Grave:

**Sapphire's Grave** Hilda Gurley Highgate, 2007-12-18 The debut of a major new talent SAPPHIRE S GRAVE tells the stories of several generations of African American women bringing their spirit and their sorrow to life with a power sensitivity and immediacy In 1749 in Sierra Leone a woman of fierce dignity is captured and forced onto a slave ship On the harrowing voyage to the Americas she is beaten for her unrelenting will and staunch pride When she arrives she gives birth to a daughter who is called Sapphire because of the black blue black complexion she shares with her mother Sapphire has also inherited her mother's strength and defiant spirit and despite a life of poverty and oppression she grows up to mother several daughters of her own Even when tragedy strikes and part of Sapphire dies her strength gives rise to a legend that will sustain the women who follow her each carrying something of her mother her grandmother her aunts each passing on to her own daughters blessing and cursing the consequences of her own choosing Through the lives of Sapphire and her descendants Hilda Gurley Highgate not only creates a poignant and engrossing saga of black women in America she brilliantly illuminates the meaning of roots and the links between women and their female ancestors a tie that often appears tenuous undefined and distant but is strong palpable and much closer than we imagine Written in luminous prose SAPPHIRE S GRAVE is an astonishing work by an author poised to take the literary world by storm *The Coldest Grave* Tosha Y. Miller, 2020-09-15 A devastated land A conflict between magic and chaos One woman who can save the world A century ago the world was torn apart by a bloody war And the world never recovered No truce holds between the magical Unnaturals or the magicless Naturals and each group seems determined to exterminate the other Daughter of a forgotten goddess Cat Spurlock has just found Hendrick the love of her life But Hendrick is a Dragonvire and to mate with him she must become his Queen If that weren't enough her power is growing and poses as much of a threat to herself as to others She hopes her skills are enough for the responsibility and the battle to come The Unnaturals number one enemy are the Hunters who intend to perform a blood curse that will rid the entire world of magic and destroy everyone Part of their curse requires the life of Cat's mom All Cat has to do is to unite clashing factions of Unnaturals form a ragtag army get them inside a fortified city and stop hundreds of Hunters from achieving their purpose That's not too hard is it And how is a girl supposed to save the world when her mate is so sexily distracting This novel contains violence adult language and strong triggering conduct Urban Fantasy Novel 18 *The Sapphire Ring - Book Six of the Seven Stones of Power* Andy Stone, 2016-07-24 With the Dark Knight Zaro dead there is only one Dark Knight left alive The Alliance must march on Remidel to free the kingdom from the yoke of the Evil One Being so close to home Bern must decide if he stays on the path or return home to Arsiliac to see his family a decision that may change the fate of the Seven Kingdoms Alaric has found the Opal stone and it has unlocked his mind Memories and a power he never knew he had are now available to him and he must undertake a journey to discover the truth of the prophecy *The Readers' Advisory Guide to Historical Fiction* Jennifer S.
