## Sarrasine A Screenplay:

Sarrasine Paul Tana, Bruno Ramirez, 1996 This work presents a screenplay set in French Canada Inside the Historical Film Bruno Ramirez, 2014-09-30 From cinema's beginnings filmmakers have turned to the past for their stories so much so that in many ways our historical culture is shaped more in the movie theatre than in the classroom Inside the Historical Film argues how and why film can enrich our understanding of the past Bruno Ramirez discusses a wide range of films from various historical and national contexts pointing to the role that film crafts play in translating historical events into cinematic language He takes the reader through the process of conception research design and production of several films that he researched and co wrote explaining the decisions that were made to best convey historical knowledge The practice based quality at the core of Ramirez's analysis is further enhanced by conversations with world renowned film directors including Denys Arcand Constantin Costa Gavras Deepa Mehta Renzo Rossellini Paolo and Vittorio Taviani and Margarethe von Trotta Grounded in an appreciation for the interpretative value of making films and cinema's ability to reach large public audiences at personal and emotional levels Inside the Historical Film seeks to understand historical films as both creative works and multi layered representations of the past Twentieth-century Italian Literature in English Translation Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **Crossing the 49th Parallel** Bruno Ramirez, 2018-09-05 In the hundred years ending in 1930 an estimated 2.8 million Canadians moved south of the 49th Parallel and settled in the United States The human and technical resources they brought made Canadian immigrants integral to the growth of New England the Great Lakes region and the west coast Crossing the 49th Parallel is the first book to encompass that entire continent wide population shift It brings Canadian migration to the center of both Canadian and U.S. history Bruno Ramirez researches the contents of previously unused border records to bring to light the wide variety of local contexts and historical circumstances that led Canadian men women and children to cross the border and become key actors in the U.S. economy and society Ramirez goes beyond these statistical data consulting qualitative sources and case studies to reveal the motives and aspirations of individuals and family groups The comparative perspective of Crossing the 49th Parallel allows Ramirez to explain the distinctive roles of French and Anglo Canadians in the immigrant movement By shifting the viewpoint from a continental to a transatlantic one Ramirez also unveils Canada's important role in international migration it served as a temporary destination for many Europeans who subsequently remigrated to the United States Italian Literature since 1900 in English Translation 1929-2016 Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book
