John Wilmot of Rochester

Satire Against Mankind Other Poems:

A Satire Against Mankind and Other Poems John Wilmot of Rochester, 1942 *A Satire Against Mankind and Other Poems* John Wilmot Earl of Rochester, 1942 *A Satire Against Mankind, and Other Poems* John Wilmot Earl of Rochester, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *A Satire Against Mankind and Other Poems. Edited by Harry Levin* John Wilmot Earl of Rochester, Harry Levin, 1942 *The Twickenham Edition of the Poems of Alexander Pope* Maynard Mack, Butt John, 2004-01-14 Index to The Twickenham Edition of the Poems of Alexander Pope which has remained the standard edition for more than a generation This exhaustive index allows easy access to the individual poems and people and places of the period making this an essential source for anyone studying eighteenth century literature or eighteenth century studies **Restoration and Eighteenth-Century Poetry 1660-1780 (Routledge Revivals)** Eric Rothstein, 2014-10-10 Restoration and Eighteenth Century Poetry 1660 1780 originally published in 1981 considers poetry written between 1660 and 1780 a period which although largely recovered from its nineteenth century reputation still attracts widely varying critical responses Abandoning the old labels such as neoclassicism romanticism and sensibility the author focuses on descriptions of genres and their formal elements and traces the broader patterns of literary and historical change running through the period Eric Rothstein describes different poetic modes panegyric satire pastoral and topographical poetry the epistle and the ode to suggest their aesthetical possibilities as well as their process of change He also considers style and the uses of the past topics which have often caused particular problems for the students of the period What becomes clear is the extraordinary originality flexibility and power with which Restoration and eighteenth century poets handles the stylistic assumptions and the body of poems they inherited and employed in their own works **Rochester and other literary rakes of the court of Charles ii, by the author of 'The life of sir Kenelm Digby'.** Thomas Longueville, 1902 **Selected Poems** of Wilmot of Rochester, 2013-03-14 If I by miracle can be This livelong minute true to thee Tis all that heav n allows The Earl of Rochester was England s first celebrity poet a byword for the theatricality licentiousness and scepticism of the Restoration age But his scandalous reputation belies the variety and sophistication of his work his love poems set new standards not only of sexual explicitness but also of psychological acuity and lyric grace while his satires broke new ground as much by the refinement of

their ironies as in the brutality of their invective A fascinatingly contradictory figure Rochester emerges more clearly than ever from this new edition the first selection of his work in modern spelling to take account of recent revolutionary advances in textual scholarship It includes only poems now securely attributed to the poet in texts based not on the posthumous and unreliable printed editions but on the most authoritative manuscripts which circulated in his lifetime ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date

bibliographies for further study and much more *The World's Great Classics* ,1899 **Rochester and Other Literary Rakes of the Court of Charles II.** Thomas Longueville,1903 *The American Cyclopaedia* George Ripley,Charles Anderson Dana,1883 *The American Cyclopædia* George Ripley,Charles Anderson Dana,1873 **Dictionary of National Biography** Leslie Stephen,Sir Sidney Lee,1900 **The New Mexico Quarterly** ,1943 **The Literary History of England** Donald F. Bond,G. Sherburn,2003-09-02 English historians in the Middle Ages is an overview of the history of English historians and their works in the Middle Ages English historians helped lay the groundwork for modern historical methodology provided vital accounts of the early history of England its culture and revelations about the historians themselves The most remarkable period of historical writting was during the High Middle Ages in the 12th and 13th centuries when English chronicles produced works with a variety of interest wealth of information and amplitude of range However one might choose to view the reliability **History of English Literature (Vol. 1-3)** Hippolyte Taine,2023-12-23 Hippolyte Taine s History of English Literature Volumes 1 3 stands as a seminal work that intricately weaves together literary analysis and cultural criticism offering a comprehensive exploration of the evolution of English literature from its origins to the 19th century Taine employs a meticulous approach utilizing a blend of psychological sociological and environmental factors to elucidate the influences shaping literary movements His writing style rich in erudition and clarity invites readers to appreciate the interplay between literature and the social fabric of its time drawing connections between pivotal texts and the historical circumstances of their creation Taine a prominent figure in 19th century literary criticism was influenced by the intellectual currents of positivism and empiricism His background in philosophy and keen interest in the sciences informed his belief that literature is an expression of the collective psyche of a society His travels and encounters with various literary forms further fueled his desire to analyze the intrinsic link between culture and literature leading to the inception of this monumental work History of English Literature is an indispensable resource for scholars students and casual readers alike who seek to deepen their understanding of literary development and its contextual underpinnings Taine s profound insights not only enrich the appreciation of English literary heritage but also provoke thoughtful reflection on how literature mirrors the human experience across time **A Martyr for Sin** Kirk Combe,1998 In other words many if not all of

Rochester's writings work to debunk particular truth producing mechanisms of Charles's court unmask certain affectations of the luminaries of Whitehall and expose to ridicule a range of patrician social and literary practices Combe takes all such activities to be political in nature **The New Mexico Quarterly Review** ,1943 **English Satire** James

Sutherland,1962-01-02 Professor Sutherland's Clark Lectures begin with a definition of satire distinguishing it from comedy and emphasising the special qualities of the satirical author's motives and his participation in and enjoyment of the use of his talent He then discusses primitive and popular forms and there follow four chapters in satire in verse in prose in the novel and in the theatre Each is historical ranging from the beginnings of modern English literature to Shaw and Orwell Due consideration is given to classical and medieval traditions but the real core of the argument is an analysis of the great English satirists their standpoint style and method with ample and enjoyable quotation Dryden Swift and Pope are given the most attention but in each chapter Professor Sutherland touches on a number of topics and authors including Fielding Austen Peacock Dickens and Thackeray A valuable unified account of the nature and resources of satire and the achievements of English satirists **Lectures on Art** Taine,1875
