Health Care Industry Almanac 2006 Jack W. Plunkett, 2005-11 Plunkett's Health Care Industry Almanac is the only complete reference to the American Health Care Industry and its leading corporations. Whatever your purpose for researching the health care field, you'll find this massive reference book to be a valuable guide. No other source provides this book's easy to understand comparisons of national health expenditures, emerging technologies, patient populations, hospitals, clinics, corporations, research, Medicare, Medicaid, managed care, and many other areas of vital importance. Included in the market research sections are dozens of statistical tables covering every aspect of the industry from Medicare expenditures to hospital utilization from insured and uninsured populations to revenues to health care expenditures as a percent of GDP. A special area covers vital statistics and health status of the U.S. population. The corporate analysis section features in-depth profiles of the 500 major for-profit firms which we call The Health Care 500 within the many industry sectors that make up the health care system from the leading companies in pharmaceuticals to the major managed care companies. Details for each corporation include executives by title, phone, fax, website, address, growth plans, divisions, subsidiaries, brand names, competitive advantage, and financial results. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM enabling key word search and export of key information, addresses, phone numbers, and executive names with titles for every company profiled.

*Saunders Pharmaceutical Word* Ellen Drake, Randy Drake, 2009-11-24 Written by transcriptionists for transcriptionists, this drug reference lets you quickly locate the correct spelling and capitalization of more than 27,000 brand name and generic drugs. It includes the corresponding uses of those drugs, cross-referencing of brand names to generics, and the usual methods of administration, e.g., capsule, IV, cream. To help you avoid errors, it also contains the indications of approved drugs and standard dosages. Over 27,000 brand name and generic drugs are included with dosage forms, investigational drug names, chemotherapy protocols, trademarked dosage forms, drug categories, classes, and almost 2,000 medicinal herbs and natural remedies. Pharmaceutical information is organized specifically for the medical transcriptionist, allowing you to correctly determine the drug being transcribed and confirm related information. Sound-alike ear icon helps you confirm the correct drug when similar names exist, increasing your accuracy and confidence. Appendices offer useful information at a glance, including sound-alikes, the most prescribed drugs, therapeutic drug levels, and abbreviations used with medications and dosages. Updated drug information ensures accuracy and timeliness with new drugs added, obsolete drugs removed, and appropriate changes made.
