Meeting,1998    **Moungbakou: Production des Connaissances en Sciences** ,2023-04-13 This book addresses the epistemological ethical and methodological challenges faced by African scholars in their research practices The epistemological domain addresses three interrelated topics how African university students ethnocentric choice of research topics hampers the production of knowledge researchers adaptation of their research methods to improve validity and the challenge of knowledge production on community museums plagued by gross inertia irregularities uncooperative gatekeepers and inadequate funding The methodological domain foregrounds issues around scientific rigour the criteria for what counts as quality research and reporting standards Contributors contend that the use of mixed methods provides the best scope for the effective study and evaluation of social issues They also detail how better funded projects tend to improve the respect of ethical standards especially as they pertain to the protection of subjects confidentiality Self financed researchers on the other hand tend to be less compliant a challenge that afflict especially younger and inexperienced researchers This volume thus contributes not only to a critical understanding of the challenges faced by social scientists in contemporary Africa but also the prospects and mechanisms on how to improve knowledge production processes    **La muséologie - 6e éd.** André Gob,Noémie Drouquet,2025-06-11 La muséologie la croise de la communication la sociologie l'histoire et la pédagogie s'est imposée en tant que discipline académique et formation professionnelle part entière Cet ouvrage en dresse un panorama complet illustré d'exemples et présente les développements de la gestion des techniques muséographiques les plus récentes ainsi que les fonctions que le musée est appelé à exercer au sein de la société Il souligne la dimension politique de l'institution Pour cette cinquième édition les auteurs ont
