## **Savage Beach:**

*Bulletin of the Beach Erosion Board*, 1957      '80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film as it's now known came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit especially with the advent of direct to video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity and sheer weirdness of 80s low budget action cinema from the American Ninja series to dime a dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad* and *Samurai Cop*.      *The Films of the Eighties* Robert A. Nowlan, 1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries as well as smash hits and bombs, memorable and boring performances and new trends and tried and true formula offerings. *The Film of the Eighties* includes numerous examples of all of these. Each entry has the year of release, production company, country of origin, U S U K Australian Canadian, leading performers and the characters they portrayed and comprehensive credits. A brief description, review and evaluation of the film's cinematic values, if any, are also provided.

**At a Theater or Drive-in Near You** Randall Clark, 2013-12-17 Millions of Americans have been thrilled, scared, titillated and shocked by exploitation movies, low budget films with many scenes of sex, violence and other potentially lurid elements. The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films. This is the first comprehensive study of the American exploitation film to be published. It discusses five distinct genres: the teen movie, the sexploitation film, the martial arts movie, the blaxploitation film and the lawbreaker picture. Contained within these genres are many popular American film types including beach movies, biker pictures and women's prison movies. The study provides a history and sociopolitical analysis of each genre, focusing on significant films in those genres. It also discusses the economics of exploitation films and their place in the motion picture industry, the development of drive-in theaters, the significance of the teenage audience and the effect of the videocassette. Finally, the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience.

**Decaf-A-Nation** Joanna Moore, 2023-04-07 Life would be very different without coffee. This page turner will make you smile or maybe even laugh a bit. *Decaf A Nation* is about a massive shortage in the nation's coffee supply that disrupts the status quo with respect to offshore drilling plans for the Atlantic. Caffeine withdrawal leads to erratic behavior and surprisingly positive outcomes. The story begins when former ATF agent Marie Alpern, working for *Surfers of the Sea*, moves to Charleston, South Carolina, to represent non-profit interests in protecting the South Atlantic from oil and gas extraction. She is soon sucked into investigating a suspicious contamination of the coffee supply and the kidnapping of an Italian tennis player. Her efforts become intertwined with the lives of many others, a New Jersey attorney

who starts off clueless about the environment a Charleston native who feels displaced by the rising cost of living a budding young scientist working on tobacco mold among others Unbeknownst to Marie caffeine shortage leads to personal awakening and catalyzes change *The Drifters* James A. Michener, 2015-05-05 In this triumphant bestseller renowned novelist James A Michener unfolds a powerful and poignant drama of disenchanting youth during the Vietnam era Against exotic backdrops including Spain Morocco and Mozambique he weaves together the heady dreams shocking tribulations and heartwarming bonds of six young runaways cast adrift in the world as well as the hedonistic pursuit of drugs and pleasure that collapses all around them With the sure touch of a master Michener pulls us into the private world of these unforgettable characters exposing their innermost desires with remarkable candor and infinite compassion Praise for *The Drifters* A blockbuster of a book full of surprise drama and fascination Philadelphia Bulletin Rings with authentic detail and clearly descriptive sights and smells *The Drifters* is to the generation gap what *The Source* was to Israel Publishers Weekly *The Drifters* conveys a sense of a new time a new generation Chicago Sun Times Michener has slid open a window on the world of the dropout and has spared no effort to make the reader aware of this new world The Salt Lake Tribune *Winnipeg Beach* Dale Barbour, 2012-06-08 During the first half of the twentieth century Winnipeg Beach proudly marketed itself as the Coney Island of the West Located just north of Manitoba's bustling capital it drew 40 000 visitors a day and served as an important intersection between classes ethnic communities and perhaps most importantly between genders In *Winnipeg Beach* Dale Barbour takes us into the heart of this turn of the century resort area and introduces us to some of the people who worked played and lived in the resort Through photographs interviews and newspaper clippings he presents a lively history of this resort area and its surprising role in the evolution of local courtship and dating practices from the commoditization of the courting experience by the Canadian Pacific Railway's Moonlight Specials through the development of an elaborate amusement area that encouraged public dating and to its eventual demise amid the moral panic over sexual behaviour during the 1950s and 60s Valour on Juno Beach T. Robert Fowler, 1994 Recounts the actions and experiences of decorated Canadian troops who landed on Juno Beach on D Day **New York Magazine**, 1989-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Annual Bulletin of the Beach Erosion Board** United States.
