Saving Lives Poems:

"Saving Lives" Stephen Leroy Gardner, 1979 **A Spark of Hope** Dr Julia Antoine, Brenda Mohammed, 2019-02-12 A Spark of Hope is meant to do just that give hope where there was none Their aim is to encourage us to appreciate and value life it is a precious gift To change the things we can and accept the ones we cannot change always with that Spark of Hope in our sights *Poetry Will Save Your Life* Jill Bialosky, 2017-08-15 An unconventional and inventive coming of age memoir organized around forty three remarkable poems by poets such as Robert Frost Emily Dickinson Wallace Stevens and Sylvia Plath For Jill Bialosky certain poems stand out like signposts at pivotal moments in a life the death of a father adolescence first love leaving home the suicide of a sister marriage the birth of a child the day in New York City the Twin Towers fell she illuminates the ways in which particular poems offered insight compassion and connection and shows how poetry can be a blueprint for living *A Spark of Hope III* Brenda Mohammed, 2023-03 A Spark of Hope Volume Three A Treasury of poems for Saving Lives is the third book in this series This collection is dedicated to the late Farhana Sait former Literary Ambassador for India in the How to Write for Success Literary Network founded by Author Brenda Mohammed Farhana was passionate about preventing suicides and was in charge of the sub forum Poems for Prevention of Suicide Elizabeth Esquerro Castillo Literary Ambassador for the Philippines wrote the Foreword She stated A Spark of Hope is an eclectic cascade of inspiring poetry which ignites hope faith and renewal composed by poets from across the globe who joined hands with one goal and that was to save lives It is a book that sparks unity and harmony to achieve oneness despite barriers and cultural differences In these dark times the burdened and distressed need a spark of hope to uplift their souls This book should be kept on your library shelves **Carve Poetry into Your Psyche** Sylva Portoian, 2014-07-07 Sylva s Fifteen Poetry Collections more than 1000 pages of verse during less than seven year period The author is a pediatrician and has published medical articles in well known journals *Unhailed Poetry* Ron Harry P Viterbo, 2024-06-10 unhailed POETRY is a collection of a diversely themed poems that tells a tale from different walks of life Though some with fictional approach real life morals can somehow be regarded When writing poetry the author looks around for inspiration placing himself in a certain scenario from a different person s standpoint With this questions like how would that certain individual feel what would he do or what s next for him are portrayed **The Artist's Life: Inside & Outside of the Studio** Damon Freed, 2019-09-13 This is my third book of poetry in a series of poems on my life It contains 175 poems I would be obliged to publish it someday **My Life By Me And My Poetry In-Between** Marty Slain (Mykos), 2019-12-18 My Life by Me and My Poetry In Between By Marty Slain Mykos My life s had a lot of laughter and love But also tears of frustration and sorrow A few regrets and way too many whys But I still look forward to my tomorrow In June 2015 at the age of 60 Marty Slain Mykos decided to start this book Her life has been full of ups and downs challenges faced and overcome love lost and found and friends and family encouraged her to share her story In poetry and prose Marty spins her unique tale and hopes to encourage others with her positive spirit Part of

a large family Marty grew up surrounded by faith and love At eighteen she discovered she was pregnant and married the baby s father The young family tried to make it work But when her husband became abusive Marty left him She was repeatedly unlucky in love but found happiness in her three children and career in construction and restoration She and her siblings supported each other through divorces and deaths Marty had fun in the good times plenty of dancing rich friendships and a wonderful man When darkness came however she had to fight to keep the light in her life Watching her children face their own struggles in relationships and parenting brought both joy and heartache In the end it s been a wonderful journey of family and friends who have inspired and challenged her Poems celebrate the love she has lived as well as soberly reflecting the dark times in her life Sensitive and spirited Marty s words will comfort and encourage you Laughter is important family is everything and faith will always bring you through *Principles of Life Poetry* Cynthia Opoku Mensah-White,2022-02-16

Principles of Life Poetry By Cynthia Opoku Mensah White *Principles of Life Poetry* is about life experience and things needed to create a civil society The poems empower and help people to reflect on their lives in a positive way The subject matter is intended to create an inclusive society filled with love acceptance and appreciation for individual uniqueness Readers will be able to relate and be conscious of how decision making impacts society at large *Poetry from a Black Man's Perspective* Dermoth Alexander Henry,2022-11-14

Poetry from a Blackman s prospective is not seen as emotional for emotions is feelings where as it is the heart that controls the mind for instance you could be sad and write about something that makes you feel glad or visa versa When I write I try to balance stable with stability nothing is seen as controversial Although surprising the reader will certainly agree with the concept From the days of the Hieroglyphics in Egypt Black people have got their point across with pronounce accuracy so following in the footsteps of my Ancestors the path is made easier Poetry: the Epitome of Life and Hope Dominique Wrizile,2012-12-29

Poetry The Epitome of Life and Hope presents a touching collection of poetry that explores four vital themes life love hope and struggle In these verses author Dominique Wrizile explores the mutability of the human condition through often wistful language and philosophical mediations Exploring both the challenges of seemingly insurmountable obstacles and the courage needed to move ahead Wriziles poetry is emotional and inspiring The poems in *Poetry The Epitome of Life and Hope* explore the story of a young man whose origins on one continent enhance his current existence on another Through his poetry we come to understand the struggles and challenges that have brought him to the place where he is today

Courage So far so good The storm blew but I stood holding on the best I could The imperfection I conquered in my eyes it seemed impossible but a man in the mirror said I was capable and now I can see the walk is walkable Hope was the key Determination led the way Courage was the horizon Patience made me stay Hope is the best thing without it I could do nothing Even when it was troubling because of hope I was smiling A person without hope is like a ship without a compass I am glad hope found me otherwise I would not be here **Annual Report of the United States Life-saving Service for the Years 1880-.** United States. Walter Scott: Novels, Short Stories, Poetry, Memoirs & Letters Walter Scott, 2024-01-07 The Complete Works of Sir Walter Scott Novels Short Stories Poetry Memoirs Letters presents an extensive tapestry of literary artistry that encapsulates the essence of early 19th century Romanticism Scott masterfully weaves historical themes with rich evocative narratives creating a compelling exploration of Scottish identity and cultural heritage His distinct literary style is characterized by vivid imagery intricate character development and meticulous attention to historical detail allowing readers to traverse the landscape of his era through both familiar and fantastical realms Walter Scott often celebrated as the father of the historical novel drew inspiration from his Scottish roots legal background and love for folklore His formative years in the Borders steeped in Scottish legend greatly influenced his storytelling approach where past and present coalesce into breathtaking epic tales Scott's dedication to his craft is evident in the breadth and depth of this compilation which reflects not just his literary prowess but his keen understanding of human nature and societal constructs This comprehensive collection is essential for readers seeking a deepened appreciation of Scott's literary contributions It serves as both a historical document and an artistic endeavor that invites contemporary audiences to reflect on enduring themes of heroism morality and the complexities of identity For anyone interested in the foundations of the novel poetry or the interplay of history and fiction Scott's complete works are an invaluable resource In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes

A Saving Bannister Woodward, Wendy, 2015-05-10 Across the abyss a bannister goes a raining on a ledge over sullen darkness leading its intermediaries to stairs up and down rooms that begin and do not end halls of light but rarely glory alcoves peopled by rain spiders and slow breathing So begins Wendy Woodward's third volume of poetry a journey into vulnerability and grace across terrains inhabited by dogs minotaurs and leviathans by puppets and a failed Icarus Stories are teased from the ears of donkeys and the pit pits of an oyster catcher from a cupboard in the Amatholas to a monastery in Sikkim all held behind the saving bannister of her poetry

We Wish You Could Write Poetry Too Clinton Gardner, 2013-06-16 This book is a compilation of the poems written over a 25 year time period The topics are varied as is the abilities of the author Some of the poems are very good while others were a waste of paper

Inspiration is a funny thing and one never knows what idea might strike next This project was merely an attempt to get all the scraps of paper and blog entries in one place so family and friends could read his attempts at poetry if they felt a need to punish themselves

Martyrdom, Mysticism and Dissent Asghar Seyed-Gohrab, 2021-08-23 This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980 1988 How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas Examining poetry by both Islamic revolutionary and established dissident poets it demonstrates how poetry spurs people to action even leading them to sacrifice their lives The book's originality lies in fresh analyses of how themes such as martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes motifs and doctrines to justify death Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives As such the book is a must for readers interested in Iranian culture and history in Sufi poetry in martyrdom and war poetry Those involved with Middle Eastern Studies Iranian Studies Literary Studies Political Philosophy and Religious Studies will benefit from this book From his own memories and expert research the author gives us a ravishing account of a poetry stained with blood violence and death His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age old mystical themes for the most traumatic of times for Iran Alan Williams Research Professor of Iranian Studies University of Manchester When Asghar Seyed Gohrab a highly prolific academician publishes a new book you can be certain he has paid attention to an exciting and largely unexplored subject Martyrdom Mysticism and Dissent The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980 1988 is no exception in the sense that he combines a few different cultural religious mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s This time he has even enriched his narrative by inserting his voice into his analysis It is a thoughtful book and a fantastic read Professor Kamran Talattof University of Arizona

Byron: The Poetry of Politics and the Politics of Poetry Roderick Beaton, Christine Kenyon Jones, 2016-07-01 It is no great matter supposing that Italy could be liberated who or what is sacrificed It is a grand object the very poetry of politics Only think a free Italy Why there has been nothing like it since the days of Augustus So wrote Lord Byron in his journal in February 1821 only days before the outbreak of revolution in Greece where three years later he would die in the service of the revolutionary cause For a poet whose life and work are interlaced with action of multiple sorts surprisingly little attention has been devoted to Byron's engagement with issues of politics This volume brings together the work of eminent Byronists from seven European countries and the USA to re assess the evidence What did Byron mean by the poetry of politics Was he in any sense

a political animal Can his final fateful involvement in Greece be understood as the culmination of earlier more deeply rooted quests The first part of the book examines the implications of reading and writing as themselves political acts the second interrogates the politics inherent or implied in Byron s poems and plays the third follows the trajectory of his political engagement or non engagement from his abortive early career in the British House of Lords via the Peninsular War in Spain to his involvement in revolutionary politics abroad

The Complete Works of Sir Walter Scott: Novels, Short Stories, Poetry, Plays, Journal, Letters, Articles and much more (Illustrated Edition) Walter Scott,2024-01-06 The Complete Works of Sir Walter Scott Novels Short Stories Poetry Plays Journal Letters Articles and much more Illustrated Edition offers an extraordinary panorama of 19th century literature encapsulating Scott s multifaceted contributions to the genres of historical fiction poetry and drama Scott s narrative techniques are marked by a Romantic flair deftly intertwining history and imagination creating a palpable sense of time and place This illustrated edition enriches readers experiences with visual interpretations of Scott s intricate characters and vividly rendered settings providing context that amplifies the impact of his profound themes of love honor and nationalism Sir Walter Scott 1771 1832 is often heralded as the father of historical novels his pioneering works laid the groundwork for future authors A Scottish writer deeply influenced by his own heritage and the landscapes of Scotland Scott drew from his experiences as an advocate a literary publisher and a cultural historian culminating in a body of work that searched for the intersection between personal and national identity His deep engagement with Scotland s history and folklore positions him as a crucial figure in the Romantic literary movement This illustrated volume is essential for any serious reader of literature providing not only a comprehensive collection of Scott s prolific output but also an essential understanding of the cultural and historical milieu that shaped his work Whether a novice or an aficionado of Romantic literature readers will find in this collection a treasure trove that elucidates the enduring legacy of Scott s contributions to literature In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes
