[Fighting Jim Crow in the County of Kings](#) Brian Purnell,2013-05 The Congress of Racial Equality CORE established a reputation as one of the most important civil

rights organizations of the early 1960s In the wake of the southern student sit ins CORE created new chapters all over the country including one in Brooklyn New York which quickly established itself as one of the most audacious and dynamic chapters in the nation In *Fighting Jim Crow in the County of Kings* historian Brian Purnell explores the chapter s numerous direct action protest campaigns for economic justice and social equality The group s tactics evolved from pickets and sit ins for jobs and housing to more dramatic action such as dumping trash on the steps of Borough Hall to protest inadequate garbage collection The Brooklyn chapter s lengthy record of activism however yielded only modest progress Its members eventually resorted to desperate measures such as targeting the opening day of the 1964 World s Fair with a traffic snarling stall in After that moment its interracial nonviolent phase was effectively over By 1966 the group was more aligned with the black power movement and a new Brooklyn CORE emerged Drawing from archival sources and interviews with individuals directly involved in the chapter Purnell explores how people from diverse backgrounds joined together solved internal problems and earned one another s trust before eventually becoming disillusioned and frustrated *Fighting Jim Crow in the County of Kings* adds to our understanding of the broader civil rights movement by examining how it was implemented in an iconic northern city where interracial activists mounted a heroic struggle against powerful local forms of racism **Jet**, 1954-07-29 The weekly source of African American political and entertainment news [Children's Book Review Service](#) Children's Book Review Service, 1999 *Diddlysquat* Wilkie Lee Jernigan, 2012-09 *Diddlysquat* is something you may have never heard about It is something you do not know something others do not know and something only God knows In this book you will discover many things that will amuse befuddle irritate tickle and astonish you It is a book for trivia lovers sports lovers especially football life lovers love lovers and church lovers although that last one may not be on the positive side There are many discoveries presented here that will simplify your understanding of many things unknown to you Most of all there are literary snippets that relate to life and what you believe in Prepare to learn more about religion life and history and sometimes laugh at the truths that are worded so well they can hurt you *Diddlysquat* by Wilkie Lee Jernigan is work that is both entertaining and candid painfully in its every leaf About the Author Wilkie Lee Jernigan was born in North Carolina but now lives in Virginia He and his wife Marie have been in Chesapeake for the past eighteen years Aside from his career in the Navy he also worked for the postal service Writing is something he does to occupy his time and this book is his first published work [Forty Years a Giant](#) Steven Treder, 2021-06 Here is the life story of Horace Stoneham who inherited the New York Giants Major League Baseball franchise in 1936 and owned and operated the organization until 1976 [The Columbia History of American Television](#) Gary Edgerton, 2007-10-12 Television is a form of media without equal It has revolutionized the way we learn about and communicate with the world and has reinvented the way we experience ourselves and others More than just cheap entertainment TV is an undeniable component of our culture and contains many clues to who we are what we value and where we might be headed in the future Media historian Gary R Edgerton follows the technological

developments and increasing cultural relevance of TV from its prehistory before 1947 to the Network Era 1948 1975 and the Cable Era 1976 1994 He begins with the laying of the first telegraph line in 1844 which gave rise to the idea that images and sounds could be transmitted over long distances He then considers the remodeling of television's look and purpose during World War II the gender racial and ethnic components of its early broadcasts and audiences its transformation of postwar America and its function in the political life of the country He talks of the birth of prime time and cable the influence of innovators like Sylvester Pat Weaver Boone Arledge and Ted Turner as well as television's entrance into the international market describing the ascent of such programs as Dallas and The Cosby Show and the impact these exports have had on transmitting American culture abroad Edgerton concludes with a discerning look at our current Digital Era 1995 present and the new forms of instantaneous communication that continue to change America's social political and economic landscape Richly researched and engaging Edgerton's history tracks television's growth into a convergent technology a global industry a social catalyst a viable art form and a complex and dynamic reflection of the American mind and character It took only ten years for television to penetrate thirty five million households and by 1983 the average home kept their set on for more than seven hours a day The Columbia History of American Television illuminates our complex relationship with this singular medium and provides historical and critical knowledge for understanding TV as a technology an industry an art form and an institutional force
