

School Violence

Toney Allman

School Violence:

School Violence Bryan J. Grapes, 2000 Despite evidence that school violence is in decline a string of highly publicized mass shootings in American schools has inspired a sense of panic in parents and school officials Contributors provide insight into the possible causes of violent behavior in students and suggest potential remedies *Encyclopedia of School*

Psychology T. Stuart Watson, Christopher H. Skinner, 2004-08-03 One volume reference work with approximately 250 entries organized alphabetically for ease of use and of locating subject matter Each entry will contain 5-8 references as well as a bibliography of references and suggested readings An authoritative reference text on school psychology that would appeal to and be understood by a broad audience Will assist individuals in acquiring a general understanding of some of the theories practices and language associated with the field of school psychology **Encyclopedia of Victimology and Crime**

Prevention Bonnie S. Fisher, Steven P. Lab, 2010-02-02 Victimology and crime prevention are growing interrelated areas cutting across several disciplines Victimology examines victims of all sorts of criminal activity from domestic abuse to street violence to victims in the workplace who lose jobs and pensions due to malfeasance by corporate executives Crime prevention is an important companion to victimology because it offers insight and techniques to prevent situations that lead to crime and attempts to offer ideas and means for mitigating or minimizing the potential for victimization In many ways the two fields have developed along parallel yet separate paths and the literature on both has been scattered across disciplines as varied as sociology law and criminology public health and medicine political science and public policy economics psychology and human services and more The Encyclopedia of Victimology and Crime Prevention provides a comprehensive reference work bringing together such dispersed knowledge as it outlines and discusses the status of victims within the criminal justice system and topics of deterring and preventing victimization in the first place and responding to victims needs Two volumes containing approximately 375 signed entries provide users with the most authoritative and comprehensive reference resource available on victimology and crime prevention both in terms of breadth and depth of coverage In addition to standard entries leading scholars in the field have contributed Anchor Essays that in broad strokes provide starting points for investigating the more salient victimology and crime prevention topics A representative sampling of general topic areas covered includes interpersonal and domestic violence child maltreatment and elder abuse street violence hate crimes and terrorism treatment of victims by the media courts police and politicians community response to crime victims physical design for crime prevention victims of nonviolent crimes deterrence and prevention helping and counseling crime victims international and comparative perspectives and more Stopping School Violence Health and Administration Development Group (Aspen Publishers), 1999 School Violence in Context Rami Benbenishty, Ron Avi Astor, 2005-02-10 Table of contents

School Violence Mohammad Shafii, Sharon Lee Shafii, 2008-11-01 The statistics are appalling Between 8% and 10% of U S high school students carry guns to school every day In a typical mid size city 30 to 50 cases of school violence are reported

daily and half of these cases involve guns School Violence Assessment Treatment Prevention shows us the reality behind the statistics Its distinguished contributors include leading clinicians researchers school counselors and legal authorities who closely examine every aspect of this complex epidemic challenging us to solve this multifaceted public health problem and offering concrete recommendations on how to do it The comprehensive volume is divided into four parts Part I Contributing Factors presents the multiple contributing factors including those involved in creating violent children and violence prone schools the nature and context of school violence and its biological and cultural causes For example although the number of violent deaths by shooting in schools remained stable through the 1990s the number of violent acts against female students increased significantly as did gang activity and the availability of guns in schools Part II Assessment and Management details diagnostic assessment management and treatment of children and adolescents who have the potential for or have threatened school violence Eyewitnesses describe the shootings and their aftermaths in Pearl Mississippi and Littleton Colorado including the extensive measures taken to decrease the traumatic effect of these incidents on the children and adolescents and their families the educators and the community at large Also presented is a model for time limited cognitive behavioral group therapy for those who sustain or witness violent injuries in schools a model that could be adapted to other settings Part III Legal Aspects begins by putting us on notice that anyone aware of a potentially violent act by a youth has a legal responsibility to alert the intended victim s and others who could warn or protect them offering a uniquely insightful view by the plaintiff attorney for the victims of school violence in Paducah Kentucky of the Tarasoff case and its ramifications Part IV Prevention concludes with what we can do now to help prevent school violence detailing effective prevention measures that range from the innovative a method that focuses on the school as a whole rather than on individuals and uses a social system and power dynamics perspective to the everyday teaching tolerance and conflict resolution Psychiatric practitioners clinical social workers pediatricians art and activity therapists school counselors and administrators and other educators and mental health care professionals and concerned adults who want to help prevent violence in our schools and minimize its traumatic effects on children parents and the community at large will appreciate this lucid in depth treatment of what has become one of today s most disturbing issues

Handbook of School Violence and School Safety Shane Jimerson, Amanda Nickerson, Matthew J. Mayer, Michael J. Furlong, 2012-03-12 The Handbook of School Violence and School Safety International Research and Practice has become the premier resource for educational and mental health professionals and policymakers seeking to implement effective prevention and intervention programs that reduce school violence and promote safe and effective schools It covers the full range of school violence and safety topics from harassment and bullying to promoting safe secure and peaceful schools It also examines existing school safety programs and includes the multi disciplinary research and theories that guide them Examinations of current issues and projections of future research and practice are embedded within each chapter This volume maps the boundaries of this rapidly growing and multidisciplinary

field of study Key features include Comprehensive Coverage The chapters are divided into three parts Foundations Assessment and Measurement Prevention and Intervention Programs Together they provide a comprehensive review of what is known about the types causes and effects of school violence and the most effective intervention programs that have been developed to prevent violence and promote safe and thriving school climates Evidence based Practice Avoiding a one size fits all approach to prevention and intervention the focus throughout is on the application of evidence based practice to address factors most commonly associated with school violence and safety Implications for Practice Each chapter bridges the research to practice gap with a section delineating implications for practice of the foregoing research Chapter Structure To ensure continuity and coherence across the book each chapter begins with a brief abstract and ends with a table showing the implications for practice International Focus Acknowledging the fact that school violence and safety is a global concern this edition has increased its focus on insights learned from cross national research and practice outside the USA Expertise The editors and authors are experienced researchers teachers practitioners and leaders in the school violence field their expertise includes their breadth and depth of knowledge and experience bridging research policy and practice and representing a variety of international organizations studying school violence around the world **Everyday School**

Violence Sarah E. Daly, 2018-10-16 The book aims to discuss the issue of small scale school violence While school shootings and safety are of the utmost concern among teachers students parents and the public many children suffer the effects of everyday violence that affect the learning environment and the sense of safety in schools Such violence can include bullying threats fistfights theft weapon carrying and more It offers an overview of aggression and violence including its theoretical causes and presentations especially in the context of development and schools It also outlines the effects of violence on schools and students The publication is particularly unique in that it will encourage the reader to slow down the violence and evaluate it frame by frame This technique used by the author in consultation has been effective in preparing school employees to address issues of violence encouraging them to evaluate their own willingness to intervene and identifying their own strengths and limitations By insisting that they have a plan of action the hope is that they will be better prepared when faced with student conflict even in the absence of a school plan Finally the book discusses basic program design and implementation practices to assist school administrators and professionals to create a tailored program to specifically address their own schools needs *School Violence* Laura L. Finley, 2014-09-26 A timely investigation of the history

legislation and perpetrators of school violence this guide debunks the myths and misconceptions about this terrible problem of national concern With school violence on the rise schools have implemented security safeguards like never before in the form of metal detectors video cameras and armed guards School communities have mixed opinions regarding these drastic prevention measures many welcome the protection while some condemn the reminders of violence these tactics evoke This comprehensive text introduces the history of school violence in the United States providing an overview of proposed causes

from violent video games to inadequate parental involvement to bullying by classmates and detailing the pros and cons of various deterrents Experienced criminologist Laura Finley incorporates personal reflections primary source data and profiles of key figures to address the painful reality of school shootings and other violent acts The text expounds upon the characteristics of victims individuals who are most likely to carry out violence and common types of assaults Chapters include a discussion on current legislation stories of infamous perpetrators activists who are working to make schools safer and school community and societal risk factors

School Violence Toney Allman, 2016-07-15 Explores pros and cons of several issues related to school violence including is a violent culture to blame are schools secure enough and are non violence courses a solution Text contains critical thinking components in regards to social issues and history Describes common argumentative techniques such as the bandwagon technique scapegoating and bias Includes bibliographic notes timeline glossary index additional resources and step by step instructions for writing an opinion based essay Aligns with Common Core Language Arts Anchor Standards for Reading Informational Text and Speaking and Listening Aligns with Common Core Language Arts Anchor Standards for Reading Informational Text and Speaking and Listening Correlations available on publisher s website
