Schooling For The People

Martin Hegland

Schooling For The People:

The Danish People's High School Martin Hegland,1916 **The Philosophy of Schooling** Robin Barrow,2015-06-03

This book first published in 1981 provides a penetrating and lucid introduction to the philosophy of education The emphasis on schooling rather than education draws attention to the broad spectrum of the book recognising that schools generally do more than educate Dr Barrow specifically addresses himself to the larger question of what schools are for and what they should do This book will be of interest both to students of philosophy and students of education Schooling for Social Change Monisha Bajaj,2011-11-24

Schooling for Social Change offers fresh perspectives on the emerging field of human rights education in India 60 years after independence the Indian schooling system remains unequal Building on over a year of fieldwork including interviews and focus groups with policymakers educators parents and students Monisha Bajaj examines different understandings of human rights education at the levels of policy pedagogy and practice She provides an in depth study of the origins and effects of the Institute of Human Rights Education a non governmental program that operates in over 4 000 schools in India This enlightening book offers an instructive case study of how international mandates and grassroots activism can work together Bajaj shows how the Institute of Human Rights Education has gained significant momentum for school based adoption textbook reform and policy changes in a nation state still struggling to ensure universal access to education Schooling for Social Change provides a wealth of analysis from the frontlines of education reform and will be of interest to all those working in international and comparative education human rights and South Asian development

Schooling for the Real World Adria Steinberg,Kathleen Cushman,Robert Riordan,1999-10-29 Explains how schools can create work based curricula as opposed to narrow vocational programs providing practical guidance for combining academic instruction with learning in real world settings as well as setting standards and goals and assessing student work The Education of the People J. Willm,J. P. Nicholl,1847 **The Danish People's High School** Arthur Coleman

Monahan,Clarence Arthur Perry,Harry Sanger Richards,Isaac Leon Kandel,James Mahoney,Martin Hegland,Theodore Leander MacDowell,Walter Sylvanus Deffenbaugh,1915 Missouri School Journal ,1925 **Ruling by Schooling**

Quebec Bruce Curtis,2012-08-23 Ruling by Schooling Quebec provides a rich and detailed account of colonial politics from 1760 to 1841 by following repeated attempts to school the people This first book since the 1950s to investigate an unusually complex period in Quebec s educational history extends the sophisticated method used in author Bruce Curtis s double award winning Politics of Population Drawing on a mass of archival material the study shows that although attempts to govern Quebec by educating its population consumed huge amounts of public money they had little impact on rural ignorance while near universal literacy reigned in New England by the 1820s at best one in three French speaking peasant men in Quebec could sign his name in the insurrectionary decade of the 1830s Curtis documents educational conditions on the ground but also shows how imperial attempts to govern a tumultuous colony propelled the early development of Canadian social science

He provides a revisionist account of the pioneering investigations of Lord Gosford and Lord Durham
