Federico Garcia Lorca and the Culture of Male Homosexuality Ángel Sahuquillo, 2007-05-31 Spain in the twentieth century gave birth to an array of astounding artistic and literary talent including the passionately iconoclastic writer Federico Garcia Lorca But his works were ill received in the homophobic atmosphere of institutionalized Spanish criticism Because of this atmosphere even today s critics have effectively marginalized and disavowed intimations of homo affectivity and homoeroticism in the great Spanish works This book first appeared in Spain in 1991 as counter discourse against those prevailing ideological structures Before its appearance no significant work had focused on the position of Spanish culture towards homosexuality or on how homosexuality could affect the works of canonical writers Engaging with homosexuality as an imperative source of meaning in artistic work this volume rigorously studies the works of Federico Garcia Lorca and several of his marginalized homosexual contemporaries including Emilio Prados Luis Cernuda Juan Gil Albert and Salvador Dalí The study relies on the textual evidence presented by these authors to define the homosexual culture as one plagued by the realities of rejection fear of the law self doubts the lack of an authorized language with which to convey emotions the

awareness of disgust around the individual the need to accept marginality to find sexual or emotional satisfaction and the knowledge of one's own social divergence all of which have an enormous influence on any artist's work With this new and updated translation this work offers English speaking readers the opportunity to focus on formal aspects of literary expressions of homosexuality

The Holy Terrors Jean Cocteau, 2013-05-15 Cocteau's novel *Les Enfants Terribles* which was first published in 1929 holds an undisputed place among the classics of modern fiction Written in a French style that long defied successful translation Cocteau was always a poet no matter what we were writing the book came into its own for English language readers in 1955 when this translation was completed by Rosamund Lehmann It is a masterpiece of the art of translation of which the *Times Literary Supplement* said It has the rare merit of reading as though it were an English original Lehrmann was able to capture the essence of Cocteau's strange necromantic imagination and to bring fully to life in English his story of a brother and sister orphaned in adolescence who build themselves a private world out of one shared room and their own unbridled fantasies What started in games and laughter because for Paul and Elisabeth a drug too magical to resist The crime which finally destroys them has the inevitability of Greek tragedy Illustrated with twenty of Cocteau's own drawings

Laughter in the Dark Vladimir Vladimirovich Nabokov, 1960 Tragedy of a rich and respectable Berlin art dealer and his passion for his young mistress

The Sea and Poison Shūsaku Endō, 1992 Dr Suguru a competent physician serves his internship during the war in a hospital where senior staff are more interested in career building than in healing

Montano's Malady Enrique Vila-Matas, 2015-10-27 A quirky cosmopolitan novel about life and literature by the prize winning Spanish writer Enrique Vila Matas author of *Bartleby Co* The narrator of Montano's Malady is a writer named Jose who is so obsessed with literature that he finds it impossible to distinguish between real life and fictional reality Part picaresque novel part intimate diary part memoir and philosophical musings Enrique Vila Matas has created a labyrinth in which writers as various as Cervantes Sterne Kafka Musil Bolaño Coetzee and Sebald cross endlessly surprising paths Trying to piece together his life of loss and pain Jose leads the reader on an unsettling journey from European cities such as Nantes Barcelona Lisbon Prague and Budapest to the Azores and the Chilean port of Valparaíso Exquisitely witty and erudite it confirms the opinion of Bernardo Axtaga that Vila Matas is the most important living Spanish writer

Memoirs Tennessee Williams, 2015-06-22 For the old crocodile as Williams called himself late in life the past was always present and so it is with his continual shifting and intermingling of times places and memories as he weaves this story When *Memoirs* was first published in 1975 it created quite a bit of turbulence in the media though long self identified as a gay

man Williams candor about his love life sexual encounters and drug use was found shocking in and of itself and such revelations by America's greatest living playwright were called a raw display of private life by The New York Times Book Review. As it turns out thirty years later Williams look back at his life is not quite so scandalous as it once seemed he recalls his childhood in Mississippi and St Louis his prolonged struggle as a starving artist the overnight success of *The Glass Menagerie* in 1945 the death of his long time companion Frank Merlo in 1962 and his confinement to a psychiatric ward in 1969 and subsequent recovery from alcohol and drug addiction all with the same directness compassion and insight that epitomize his plays. And of course *Memoirs* is filled with Williams' amazing friends from the worlds of stage screen and literature as he often hilariously sometimes fondly sometimes notremembers them Laurette Taylor Gore Vidal Truman Capote Elia Kazan Marlon Brando Vivian Leigh Carson McCullers Anna Magnani Greta Garbo Elizabeth Taylor and Tallulah Bankhead to name a few. And now film director John Waters well acquainted with shocking the American public has written an introduction that gives some perspective on the various reactions to Tennessee's *Memoirs* while also paying tribute to a fellow artist who inspired many with his integrity and endurance.

The Crack-up Francis Scott Fitzgerald, 1993

Autobiographical Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller's most luminous statements of his personal philosophy of life *Stand Still Like the Hummingbird* provides a symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print. Miller's genius for comedy is at its best in *Money and How It Gets That Way* a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money. His deep concern for the role of the artist in society appears in *An Open Letter to All and Sundry* and in *The Angel is My Watermark* he writes of his own passionate love affair with painting. *The Immorality of Morality* is an eloquent discussion of censorship. Some of the stories such as *First Love* are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco. Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books.

Glass, Irony, and God Anne Carson, 1995 Anne Carson's poetry characterized by various reviewers as short talks essays or verse narratives combines the confessional and the critical in a voice all her own. Known as a remarkable classicist Anne Carson in *Glass Irony and God* weaves contemporary and ancient poetic strands with stunning style. This collection includes *The Glass Essay* a powerful poem about the end of a love affair told in the context of Carson's reading of the Bronte sisters *Book of Isaiah* a poem evoking the deeply primitive feel of ancient Judaism and *The Fall of Rome* about her trip to find Rome and her struggle to overcome feelings of a terrible alienation there.

Nightwood Djuna Barnes, 2014-01-01 The fiery and enigmatic masterpiece one of the greatest novels of the Modernist era *Nightwood* Djuna Barnes' strange and sinuous tour de force belongs to that small class of books that somehow reflect a

time or an epoch Times Literary Supplement That time is the period between the two World Wars and Barnes novel unfolds in the decadent shadows of Europe's great cities Paris Berlin and Vienna a world in which the boundaries of class religion and sexuality are bold but surprisingly porous The outsized characters who inhabit this world are some of the most memorable in all of fiction there is Guido Volkbein the Wandering Jew and son of a self proclaimed baron Robin Vote the American expatriate who marries him and then engages in a series of affairs first with Nora Flood and then with Jenny Petherbridge driving all of her lovers to distraction with her passion for wandering alone in the night and there is Dr Matthew Mighty Grain of Salt Dante O Connor a transvestite and ostensible gynecologist whose digressive speeches brim with fury keen insights and surprising allusions Barnes depiction of these characters and their relationships Nora says A man is another persona woman is yourself caught as you turn in panic on her mouth you kiss your own has made the novel a landmark of feminist and lesbian literature Most striking of all is Barnes unparalleled stylistic innovation which led T S Eliot to proclaim the book so good a novel that only sensibilities trained on poetry can wholly appreciate it Now with a new preface by Jeanette Winterson Nightwood still crackles with the same electric charge it had on its first publication in 1936
