**The Selected Letters of Josiah Wedgwood**, 1965      **The selected letters of Josiah Wedgwood**, ed Josiah Wedgwood, Ann Finer, George Savage,      **The Selected Letters of Josiah Wedgwood. Edited by Ann Finer and George Savage. [With a Portrait.]**. Josiah WEDGWOOD (the Elder.), 1965      The Selected Letters of Josiah Wedgwood Josiah Wedgwood, 1965      **Josiah Wedgwood** Anthony Burton, 2019-11-30 The story of the innovative genius who became pottery maker to royalty and to the world You don't have to know a glaze from a slip to enjoy this Kirkus Reviews Born in Staffordshire England to a family of traditional potters in 1730 Josiah Wedgwood would grow up to revolutionize the industry founding the company still world renowned in the twenty first century When he started work the local ware was either fairly rustic or made to look a little more sophisticated by the addition of heavy glazes He worked to produce a lighter colored body and to use designs made to appeal to aristocratic tastes convinced that where they led the rapidly growing middle class would follow The result was cream ware which when a whole service was ordered by the royal family was soon christened queens ware But Wedgwood was a distinctive character for more reasons than his artistry As a businessman he adopted an early form of mass production and is believed to be the inventor of many modern marketing techniques such as money back guarantees and illustrated catalogs He was also a passionate early abolitionist who used his company to promote the anti slavery cause and he pursued the study of chemistry in order to understand the science behind the potter's art eventually inventing a kiln thermometer This fascinating biography brings to life a remarkable eighteenth century figure      *Selected Letters* Josiah Wedgwood, 1965      **The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** James Karman, 2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos New Mexico that nearly destroyed their marriage      **Creating Modern Capitalism** Thomas K. McCraw, 1997 This is the first book to explain for a broad audience the interconnections among technological innovation management science the power of entrepreneurship and national economic growth in countries like Britain Japan and the United States      **Labour and the Poor in England and Wales - The letters to The Morning Chronicle from the Correspondants in the Manufacturing and Mining Districts, the Towns of Liverpool and Birmingham, and the Rural Districts** J. Ginswick, 2016-09-13 The Morning Chronicle presented the state of the working classes of Britain before the public with clarity insight and honesty Consisting mainly of verbatim statements from the people themselves it was a

medium through which the previously inarticulate masses were able to speak with one firm voice First published in 1983 this book collates the letters from correspondents based in Lancashire Cheshire and Yorkshire The letters improve our knowledge of working class life in nineteenth century England and Wales and provide a unique insight into the impact of industrialization This book will be of interest to those studying the history of the working class labour and poverty *The Collected Letters of Erasmus Darwin* Erasmus Darwin,2007 First published in 2006 this book is a unique collection of the letters of Erasmus Darwin revealing his amazing variety of talents **Selected Letters** Jane Austen,2004 In one of her personal letters Jane Austen wrote Little Matters they are to be sure but highly important In fact letter writing was something of an addiction for young women of Jane Austen s time and in her social position and Austen s letters have a freedom and familiarity that only intimate writing can convey Wiser than her critics who were disappointed that her correspondence dwelt on gossip and the minutiae of everyday living Austen understood the importance of Little Matters of the emotional and material details of individual lives shared with friends and family through the medium of the letter Ironic acerbic always entertaining Jane Austen s letters are a fascinating record not only of her own day to day existence but of the pleasures and frustrations experienced by women of her social class which are so central to her novels Vivien Jones s selection includes nearly two thirds of Austen s surviving correspondence and her lively introduction and notes set the novelist s most private writings in their wider cultural context [The 17th and 18th Centuries](#) Frank N. Magill,2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **Melancholy Wedgwood** Iris Moon,2024-01-23 An experimental biography of the ceramics entrepreneur Josiah Wedgwood that reveals the tenuous relationship of eighteenth century England to late capitalist modernity Melancholy Wedgwood traces the multiple strands in the life of the ceramic entrepreneur Josiah Wedgwood 1730 1795 to propose an alternative view of eighteenth century England s tenuous relationship to our own lives and times amid the ruins of late capitalist modernity Through intimate vignettes and essays and in writing at turns funny sharp and pensive Iris Moon chips away at the mythic image of Wedgwood as singular genius business titan and benevolent abolitionist revealing an amorphous fragile and perhaps even shattered life In the process the book goes so far as to dismantle certain entrenched social and economic assumptions not least that the foundational myths of capitalism might not be quite so rosy after all and instead induce a feeling that could only be characterized as blue *The Collected Letters of Mary Wollstonecraft* Mary Wollstonecraft,2003 You will smile at an observation that has just occurred to me I consider those

minds as the most strong and original whose imagination acts as the stimulus to their senses Mary Wollstonecraft wrote in a letter contemplating the role of the imagination in human relationships Enlightenment feminist and famed author of *The Vindication of the Rights of Woman* Wollstonecraft was also one of the most distinctive letter writers of the eighteenth century This volume contains all of her known correspondence Wollstonecraft talked and thought on paper her letters were a large part of the drama of her life In them she grows from an awkward child of fourteen to the woman of thirty eight facing death in childbirth Where the letters of bluestocking writers such as Elizabeth Carter and Catherine Talbot have a public quality Wollstonecraft's letters whether written in haste or carefully composed opinionated or vulnerable stand out among those of other contemporary writers for their candor and lack of sentimentality They create a palpable world a sense of inner vitality revealing a woman of consistent character who nonetheless struggled to reconcile disparate aspects of her life integrity and sexual longing the needs and duties of a woman motherhood and intellectual life fame and domesticity reason and passion Written in cramped lodgings and swaying boats in the wilds of Scandinavia and the chill of Paris in winter these letters record not a finished ordered life viewed retrospectively but the dynamic process of living Collectively they form a remarkable work of autobiography that reveals the many dimensions of Wollstonecraft's genius

*Imagining Consumers* Regina Lee Blaszczyk, 2020-03-24 Winner of the Hagley Prize in Business History from The Hagley Museum and Library and the Business History Conference Selected by Choice Magazine as an Outstanding Academic Title Originally published in 1999 *Imagining Consumers* tells for the first time the story of American consumer society from the perspective of mass market manufacturers and retailers It relates the trials and tribulations of china and glassware producers in their contest for the hearts of the working and middle class women who made up more than eighty percent of those buying mass manufactured goods by the 1920s Based on extensive research in untapped corporate archives *Imagining Consumers* supplies a fresh appraisal of the history of American business culture and consumerism Case studies illuminate decision making in key firms including the Homer Laughlin China Company the Kohler Company and Corning Glass Works and consider the design and development of ubiquitous lines such as Fiesta tableware and Pyrex Ovenware

*The Scientific Enterprise* Edna Ullmann-Margalit, 2012-12-06 The volume before us is the fourth in the series of proceedings of what used to be the Israel Colloquium for the History Philosophy and Sociology of Science This Colloquium has in the meantime been renamed It now bears the name of Yehoshua Bar Hillel 1915-1975 Bar Hillel was an eminent philosopher of science language and cognition as well as a fearless fighter for enlightenment and a passionate teacher who had a durable influence on Israeli philosophical life The essays collected in this volume have of course this much in common that they are all in of and pertaining to science They also share the property of having all been delivered before live and often lively audiences in Jerusalem and in Tel Aviv in the years 1984-1986 As is customary in the volumes of this series the essays and commentaries presented here are intended to strike a rather special balance between the disciplines to which the Colloquium is dedicated The historical and sociological

vantage point is addressed in Kramnick's and Mali's treatment of Priestley in Vickers and Feldhay's studies of the Renaissance occult and in Warnke's and Barasch's work on the imagination. From a philosophical angle, several concepts all material to the methodology of science are taken up, following by Smart and Margalit's analysis by Ackerman's explanation by Taylor and the role of mathematics in physics by Levy Leblond and Pitowsky.

**Drawing the Greek Vase** Hans-Caspar Meyer, Alexia Petsalis-Diomidis, 2023. How have two-dimensional images of ancient Greek vases shaped modern perceptions of these artefacts and of the classical past? This is the first scholarly volume devoted to the exploration of drawings, prints and photographs of Greek vases in modernity and traces the ways artists have depicted Greek vases in a range of styles and contexts.

*Republicanism and Bourgeois Radicalism* Isaac Kramnick, 2019-05-15. With this book Isaac Kramnick adds a strong voice to the lively debate about the nature of political ideology in eighteenth-century England and America. Whereas the now dominant republican thesis sees liberal ideology as virtually irrelevant in an age of civic commitment to a moral public order, Kramnick makes a strong case for a thriving liberalism in the Anglo-American world at the time of the American and French revolutions. In his view, both ideologies flourished during this period and it is unwise to see one as the exclusive paradigm in which eighteenth-century political discourse took place. In short, he proposes to the republican school a scholarly truce.

The New Bath Guide Christopher Anstey, Annick Cossic, 2010. This illustrated edition of *The New Bath Guide* by Christopher Anstey is based on the Second Issue of the First Edition which was published in 1766. It includes two major additions made by the author: the Epilogue and *A Charge to the Poets*. It aims at widening the perspective on the eighteenth century by examining the work of a minor poet and challenges conventional assumptions about the scope of minor poetry. This series of satirical letters in verse, written by the members of a provincial family staying in Georgian Bath, provides an inexhaustible source of fun and has great sociological interest. Thanks to the individual and varied voices which are heard in this epistolary poem, a whole society in the making comes alive through the distorting mirror of satire. The introduction, notes and appendices throw new light on a once famous and provocative text and make extensive use of little-known material such as significant parts of the author's correspondence. They situate Anstey's work in its literary and historical contexts by locating it at the junction of fiction and documentation at a time of emergence when new social codes were defined for a new society.

Mistress of Udolpho Rictor Norton, 1999-05-01. This is the biography of the Gothic novelist Ann Radcliffe (1764-1823), author of *The Mysteries of Udolpho*, the world's first best-seller. The text clarifies Radcliffe's emergence from a Dissenting Unitarian rather than a conventional Anglican background. This places Radcliffe within the circle of other women writers nurtured in radical Dissenting backgrounds such as Wollstonecraft, Hays, Inchbald and Barbauld. Radcliffe's childhood and family background are documented and the rumours of her madness and reclusiveness investigated, leading to an evaluation of the reasons for her probable mental breakdown. The text constitutes a cultural history of a writing woman, demonstrating her place within radical culture, literary tradition and aesthetic discourse and examining her role in the rise of

the professional woman writer Her novels are analyzed mainly in the context of her biography and sources
