**Selected Poems** Robert Herrick, 2003 A great survivor among the Cavalier poets most of his poems were composed in a remote Devonshire parish Even so the body of his poetry is large and his religious vocation hardly shows in the almost innocent exuberance of his fine verse     *Selected Poems of Thom Gunn* Thom Gunn, 2017-07-04 Thom Gunn s controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from The Sense of Movement 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn s friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning *The Man With the Night Sweats* and *Boss Cupid* Gunn s last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn s electric powerful intensely joyful poems     New Selected Poems Thom Gunn, 2018-11-13 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there s nothing archaic quaint or sepia toned about his poetry His method was dispassionate

and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career

**The Poems of Ben Jonson** Tom Cain, Ruth Connolly, 2021-11-29 Ben Jonson who was with Shakespeare and Marlowe one of three principal playwrights of his age was also one of its most original and influential poets Known best for the country house poem To Penshurst and his moving elegy On my First Son his work inspired the whole generation of seventeenth century poets who declared themselves the Sons of Ben This edition brings his three major verse publications Epigrams 1616 The Forest 1616 and Underwood 1641 together with his large body of uncollected poems to create the largest collection of Jonson's verse that has been published It thus gives readers a comprehensive view of the wide range of his achievement from satirical epigrams through graceful lyrics to tender epitaphs Though he is often seen as the preeminent English poet of the plain style Jonson employed a wealth of topical and classical allusion and a compressed syntax which mean his poetry can require as much annotation for the modern reader as that of his friend John Donne This edition not only provides comprehensive explanation and contextualization aimed at student and non specialist readers alike but presents the poems in a modern spelling and punctuation that brings Jonson's poetry to life

*John Donne: Collected Poetry* John Donne, 2012-10-04 Regarded by many as the greatest of the Metaphysical poets John Donne 1572 1631 was also among the most intriguing figures of the Elizabethan age A sensualist who composed erotic and playful love poetry in his youth he was raised a Catholic but later became one of the most admired Protestant preachers of his time The Collected Poetry reflects this wide diversity and includes his youthful songs and sonnets epigrams elegies letters satires and the profoundly moving Divine Poems composed towards the end of his life From joyful poems such as The Flea which transforms the image of a louse into something marvellous to the intimate and intense Holy Sonnets Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived His poems remain among the most passionate profound and spiritual in the English language

*Selected Poems: Tennyson* Alfred Lord Tennyson, 2007-12-06 Tennyson's poetry epitomizes the Victorian age for which he became a spokesman His finest poems are often steeped in a sensuous melancholy as in Maud or are chivalric heroic and allegorical as in The Lady of Shalot and Morte d'Arthur

Jonson, 2015-07-18 Underwood published in the expanded folio of 1640 is a large and heterogeneous group of poems. It contains A Celebration of Charis, Jonson's most extended effort at love poetry, various religious pieces, encomiastic poems including the poem to Shakespeare and a sonnet on Mary Wroth, the Execration against Vulcan and others. **The Conception of Virtue in Women in Selected Poems of Ben Jonson** Suttiwan Cox, 1984 Selected Poems John Donne, 1904 *Selected Poems and Songs* Robert Burns, 2013-01-10 The Poetic Genius of my Country bade me sing the loves, the joys, the rural scenes and rural pleasures of my natal Soil in my native tongue. Many of the poems and songs of Robert Burns 1759-96 are familiar to readers the world over: lyrical, acerbic, comic, bawdy, democratic. They include To a Mouse, John Anderson my Jo, A red, red Rose, Auld lang syne, Tam o' Shanter and many more, whose vernacular energy and simple beauty have ensured lasting popularity. This generous new selection offers Burns's work as it was first encountered by contemporary readers, presenting the texts in the contexts in which they were originally published. It reproduces the whole of Poems chiefly in the Scottish Dialect published at Kilmarnock in 1786, the volume which made Burns famous, and it reunites a generous selection of songs from The Scots Musical Museum and A Select Collection of Scottish Airs with their full scores. Comprehensive notes describe the circumstances in which other poems and songs found their way into print both before and after the poet's death. The edition also includes some important letters and a full glossary to explain Scots words.

**Selected Poems of Emily Dickinson** Emily Dickinson, 1959 This enthralling collection contains more than 400 poems that were published between 1886, the year of Emily Dickinson's death, and 1900, which express her concepts of life and death, of love and nature.

*Selected Poems* John Dryden, 2001-08-30 A new and comprehensive selection of Dryden's poetry revealing him as a master of theatricality, ventriloquism and unmistakable originality. Brought together here are many of the poems from his time as Poet Laureate and loyal servant of the crown, including the Biblical allegory Absalom and Achitophel in which the poet attacked those who intrigued against the King and earned himself a reputation for menace, and a number of powerful enemies. His Works of Virgil set the standard for the translation of Latin poetry. His last work, Fables Ancient and Modern, combined original verse and new translations showing how he transformed the idioms and gestures of other voices and made them his own.
