Shelley Percy Bysshe Shelley, 1991 **The Selected Poetry and Prose of Shelley; Edited ... by Harold Bloom** Percy Bysshe Shelley, 1978 Shelley's Broken World Bysshe Inigo Coffey, 2021-06-15 Shortlisted for the University English

Book Prize 2022 Shelley's Broken World is a provocative and profound reassessment of Shelley's poetic art and thought. Bysshe Inigo Coffey returns to a peculiarity of Shelley's expressive repertoire first noticed by his Victorian readers and editors: his innovative use of pauses which registered as irregularities in ears untuned to his innovations. But his pauses are more than a quirk: various intermittences are at the centre of Shelley's artistry and his thought. This book aims to transform the philosophical, scientific and aesthetic contexts in which Shelley is positioned. It offers a ground-breaking analysis of his reading and is the first study to refer to and include images of the unpublished Marlow List, a record of the books Shelley left behind him on his departure for Italy in 1818. Shelley's prosody grew to articulate his sense that actuality is experienced as ruptured and fractured with gaps and limit points. He shows us the weakness of the actual. As we approach the bicentenary of the poet's death, Shelley's Broken World provides an exciting new beginning for the study of a major Romantic poet, the history of materialism and prosody. Shelley A. S. Glover, 1978-10 Selected Poetry Percy Bysshe Shelley, 2022-07-26

During his short and restless life, Percy Bysshe Shelley produced a great number of poems, three verse plays and numerous prose works as well as many essays in which he propounded his philosophical views and radical political ideas. These together with his highly unconventional itinerant life and his literary connections make him one of the most important and intriguing figures in British Romanticism. This volume provides a generous selection of his poetry from the sonnet *Ozymandias* to famous lyrics such as *Ode to the West Wind* and *Lines Written among the Euganean Hills* to the longer poems of his maturity *Adonais* and *Epipsychidion*, all thoroughly annotated and presented in chronological order. The Selected Poetry and Prose of Percy Bysshe Shelley Percy Bysshe Shelley, 1951 *Selected Poetry and Prose* Percy Bysshe Shelley, 1965 *Selected Poetry, Prose and Letters* Percy Bysshe Shelley, 1951 **Shelley's German Afterlives** S. Schmid, 2007-04-16 Schmid shows how reception processes work across linguistic, national and cultural boundaries, taking the English Romantic poet Shelley's German reception as a case study. It also highlights Anglo-German literary and cultural relations of the nineteenth and twentieth centuries and supplies a theoretical framework for further analysis.
