Selected Studies On Prophetic Interpretation:

Selected Studies on Prophetic Interpretation William H. Shea, 1992 **Selected Studies on Prophetic Interpretation**
William H. Shea, 1982 Selected Studies on Prophetic Interpretation William H. Shea, 1990 *Illuminations by Philo of Alexandria: Selected Studies on Interpretation in Philo, Paul and the Revelation of John* Peder Borgen, 2021-05-25 This volume contains a collection of 17 essays on Philo written by Peder Borgen between 1987 and 2018 The first six studies deal with important issues in Philo's religious thought and social world such as his views on Flaccus prayers and his eschatology The next five essays illustrate how an understanding of Philo can contribute to the interpretation of Paul especially his Letter to the Galatians The final six studies deal with the importance of Philo's writings for the interpretation of the Revelation of John a subject too rarely touched upon in recent scholarship *Apocalypse and Millennium* Kenneth G. C. Newport, 2000-08-10 *Apocalypse and Millennium* argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh's thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and Davidianism which began in 1929 BOOK JACKET *The A to Z of the Seventh-Day Adventists* Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861-63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller's conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002-04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are

followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations

Kippur Diego D. Sausa, 2006 The author demonstrates through the books of Leviticus Hebrews Daniel and Revelation that mankind is treading on the final pages of this world's history before the final cosmic mega cataclysmic change at Christ's coming

The Cultic Motif in the Book of Daniel Winfried Vogel, 2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read

Unveiling Three Parts of Babylon William C. Taggart III PhD,2022-12-06 This second book of the Unveiling Series Unveiling Three Parts of Babylon by Dr William C Taggart III offers a biblical study based on Revelation 16 19 where the kingdom of Satan portrayed as the great city Babylon falls into three parts The author noted that in Revelation 18 4 the saints are urged to leave Babylon to avoid her plagues Jeremiah 51 35 49 That the Satanic kingdom is portrayed biblically in three parts in Revelation 16 19 makes it imperative that the saints have a biblical understanding of those three parts to exit the Satanic kingdom completely A correct biblical understanding of the three parts of Babylon is essential to the fleeing saints as they seek to escape the Satanic influences in all its forms Unveiling Three Parts of Babylon continues the Unveiling Series by further biblically developing the three parts of Babylon which initially was presented by the author s doctoral dissertation through corrections made and additional analysis This second book not only exposes more fully the kingdom of Satan but encourages the successful exit of all humanity from the Babylonian entanglements of all three parts Revelation 18 4

Decoding Jesus : A Comparison between John Calvin and Ellen G. White's Views Dr. PP Jones, Th.D,2014-04-26 Decoding Jesus will forever change your view about Jesus John Calvin 1509 1564 and Ellen G White 1827 1915 though divergent in many ways shared a pivotal common denominator the Judeo Christian Bible from Genesis to Revelation as a major template from which they reflected on

the close connectedness and radical difference of God human beings and the created environment Calvin encountered a theological conundrum He was unaware that one cannot hold on to the 16th century Reformation of employing the biblical historical time line from Genesis to Revelation as a reflexive scheme on God s four grand acts creation reconciliation the cross redemption renewal Pentecost Holy Spirit and fulfillment end of time whilst simultaneously embracing the classical first millennium Trinitarian view Karl Barth the great Swiss Reformed theologian of the early 20th century was aware of Calvin s conundrum Barth resolved that the dogma of the Trinity is not found in the Bible but should be used as a good dogma operating as the main starting pattern of one s theology How further can one go than Barth in giving the notion of the Trinity a biblical vote of no confidence White treaded softly around the Trinity notion Her vast ocean of voluminous writings is devoid of the word Trinity She visited Switzerland and having read Calvin s doctrines she most likely saw Calvin and the Reformation s contradiction concerning the dogma of the Trinity and wanted to avoid the same trap
