Letters of William Cowper, Vol. 1 of 2 J. G. Frazer, 2015-06-17 Excerpt from Letters of William Cowper Vol 1 of 2 Chosen and Edited With a Memoir and a Few Notes In making this selection from Cowper's correspondence my aim has been to cull such letters as either exhibit the charm and grace of his style at its best or illustrate his life character and opinions on books men and affairs In one sense it is very easy and in another it is very difficult to make a good selection of Cowper's letters It is very easy because the whole correspondence reaches so high a standard of literary excellence that any considerable number of the letters taken even at haphazard could not fail to contain much of beauty and interest But it is just the excellence of the letters as a whole that makes it difficult to pick out those which rise a little above the general level This however I have attempted to do how far I have succeeded must be left to the reader to determine All the letters with a single exception are printed from the text of Southey's edition One letter No CCXCVII is printed with a necessary correction from Mr Benham's selection in The Golden Treasury Series About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
