Selected Plays Of Arthur Laurents:

Selected Plays of Arthur Laurents Arthur Laurents, 2005 If he had done nothing more than write the book for the musicals *West Side Story* and *Gypsy* Arthur Laurents would be assured a place in the pantheon of American theater But he has done much more including directing screenwriting and playwriting Here for the first time is an anthology of seven of Laurents most acclaimed and challenging plays It begins with *Home of the Brave* the play that launched Laurents career This wartime drama known for its frank treatment of anti-Semitism and war trauma remains as potent today as it was when it opened on Broadway in 1945 The anthology continues through some of Laurents most recent work including *2 Lives* a witty frequently poignant portrait of an elderly gay couple confronting mortality and coming to terms with their lives Also included are *The Enclave* *Jolson Sings Again* *My Good Name* *Closing Bell* and *Attacks on the Heart* Spanning nearly 60 years and covering a wide variety of topical and emotional terrain this is an important book from an American theater legend Includes *Home of the Brave* *The Enclave* *Jolson Sings Again* *My Good Name* *Closing Bell* *2 Lives* and *Attacks on the Heart* The first ever anthology of plays by a giant of American theater Each play features a new introduction by the author Laurents recent memoir was the most highly acclaimed theater memoir in years A revival of *Gypsy* starring Bernadette Peters is playing to sold out audiences on Broadway Author Laurents speaks widely on American theater always to a packed house Advertising in *Back Stage* magazine

The Works of Arthur Laurents: Politics, Love, and Betrayal John M. Clum, 2014-11-28 Arthur Laurents's career as a playwright screenwriter book writer for musicals and director spanned over half a century His first Broadway play *Home of the Brave* was produced in 1945 his last play *Come Back Come Back Wherever You Are* was produced in 2009 when he was ninety one Although he is best known for his work on the classic musicals *Gypsy* and *West Side Story* and for his screenplays for *Rope* *The Way We Were* and *The Turning Point* Laurents is the author of seventeen full length plays numerous screenplays and three volumes of memoirs Despite the length and distinction of Laurents's career until now no one has written a full length critical study of his work Laurents's name was associated with a few hit musicals and films but his best work the plays he wrote since 1975 are not as well known One reason is that the economics of the American theatre have changed during the writer's lifetime and Laurents's serious plays were performed Off Broadway or at regional theatres Few were published except in acting editions until a volume of *Selected Plays* was assembled in 2005 Moreover Laurents's highly controversial volumes of memoirs filled with attacks on people who he felt betrayed him over the years overshadowed his later work Ignoring most his own plays in the memoirs did not help to maintain his reputation as a serious playwright This book rectifies the absence of a serious examination of all of Laurents's major work This first comprehensive study of Laurents's work focuses on the subjects and themes that recur in his work particularly the interrelated topics of gender politics homosexuality and the dynamics of marriage The position of women and gay men changed greatly over the sixty plus years of Laurents's career and we see those changes reflected in his work particularly in

the shifting power dynamics within a marriage Laurents was fascinated by the dynamics of marriage In his plays there is always a tension between love and the difficulty if not impossibility of monogamy In works like *The Enclave* we also see a variety of ways in which gay men try to live proud lives in a heteronormative society In that play and in *Two Lives* Laurents examines how gay men negotiate something like a marriage before gay marriages were legally sanctioned The book also covers the ways in which Laurents s plays reflect his interest in leftist politics from the 1940s through the various liberations of the late 1960s and 1970s Above all the study argues that if there is any common theme running through the plays films and memoirs it is betrayal betrayal of marriage partner friend artistic collaborator and most important betrayal of one s own ideals The Works of Arthur Laurents will be of particular interest to students and scholars of American drama musical theatre American film gender studies gay studies and Jewish studies

The Way They Were Robert Hofler, 2025-01-21 The first ever account of the making of the cinematic classic *The Way We Were* starring Barbara Streisand and Robert Redford revealing the full story behind its genesis and continued controversies its many deleted scenes its much anticipated but never filmed sequel and the real life romance that inspired this groundbreaking love story It s one of the greatest movie romances of all time Fifty years on the chemistry between Barbra Streisand as Jewish working class firebrand Katie Morosky and Robert Redford as all American golden boy Hubbell Gardiner remains potent Yet the friction and controversy surrounding *The Way We Were* were so enormous the movie was nearly never made at all Impeccably researched and eye opening here is the full story behind the challenges rivalries and real life romance surrounding the movie Even the iconic casting was fraught Screenwriter Arthur Laurents wrote the role of Katie with Streisand in mind but finding Hubbell was another matter Redford was reluctant to play what he perceived as the Ken doll to Streisand s lead resulting in ten writers among them Francis Ford Coppola being called in to rework the script The first preview was disastrous Several scenes were cut angering Streisand and Laurents yet the new version was a resounding success and its appeal endures earning it a regular spot in the AFI s annual Top 10 movie romances *The Way They Were* also explores the deep surprising love story that inspired the screenplay the relationship between Laurents a Jewish Brooklyn born college leftist and his longtime partner Tom Hatcher Drawing on Laurents s unpublished writings as well as interviews with Streisand Redford and other key players this is the definitive account of a film that changed the rules of moviemaking and has defined romance ever since
