Felicia

Hemans: Selected Poems, Prose and Letters Felicia Hemans, 2002-01-22 Felicia Hemans was the most widely read woman poet in the nineteenth century English speaking world Broadview's edition shows why she was one of the few standard poets to be found in middle class homes on both sides of the Atlantic despite being routinely disparaged as a merely feminine poet Included here is poetry representative of her entire career from often anthologized works such as *The Homes of England* and *Casabianca* to several long poems in their entirety such as *The Forest Sanctuary* Also included are selections of her prose and letters a comprehensive introduction and selections of views and reviews showing her changing and controversial place in culture into the twentieth century All selections are edited annotated and introduced **The Reservoir** Margaret Ann Shorter Morfeld, 2008-03 *A Donald Justice Reader* Donald Justice, 1991 Pulitzer Prize winning poet Donald Justice displays his command of diverse voices and literary forms in these wide ranging often surprising selections some never before collected There are elegiac poems and stories conjuring people and places from a distant childhood tributes to literary figures such as Wallace Stevens and Cesar Vallejo portrayals of asylum patients and the desolation of old men and critical essays on the power of art to ward off death The poet's virtuosity in many forms is evident in the structured perfection of a sestina or a villanelle free verse of various kinds the rich prose of a short story or the careful analysis of an essay His personality especially his love for music and his creative method come through strongly particularly when he treats the same theme in multiple genres The ending of one story for example is retold as a poem a prose memoir is summarized twice over in a group of poems These exemplary selections reflect four decades of writing by a master now at the height of his powers **Accidental Grace: Selected Poems & Prose** Ann Slayton, 2021 In poetry and prose Ann Slayton takes on wide ranging themes in an array of voices Among them the historical Anne Bradstreet 1612-1672 *We Have from the First Been Singers* Hester Prynne's young daughter *The Spell* Henry Moore's great sculpture itself *Reclining Figure* at Lincoln Center The tone of these poems is characterized by a metaphorical richness and cadenced rhythms as they move between deep meditation and comic satire in works such as *Nothing Is Happening Again* *Partly Mozart* *Mostly Turkey Club* and *Everyone Was a Real One but Gertrude* **These Mirrors Prove it** Holly Prado, 2004 Poetry A stunning retrospective of Prado's lengthy productive creative life *THESE MIRRORS PROVE IT* includes selections from all her major works as well as material too long scattered in now out of print magazines She writes with a lyricism inspired by her ability to move into the depths of the psyche and bring back the messages found there Diane DiPrima has written about Prado's book *ESPERANZA* These poems hold a sweet ripeness a vast dark promise that poetry will heal us will heal the world Robert Peters response to previous writing has been Her writing is done metaphorically speaking with a unique knife sharp edge Prado is both passionate and visionary This book makes available Prado's strongest most generous writing it comes into the world at a time when we all need the healing true poetry and poetic prose can offer **The Lament** Erce H. Hoffman, 2011-06 A Sensuous Exploration of Love in All Its Glory *The Lament* captures the full range of emotion that whirl around human

relationships Here are dozens of poems examining the profound joy of those deeply in love the incredible longing of the separated partner the intense loneliness of modern working life and above all the indisputable necessity of connecting with people around us Poet Erce H Hoffman casts a penetrating gaze on our everyday emotions revealing our extraordinary capacity for feeling empathy and love In *Lost to the Moment* the speaker relishes the irreplaceable first blush of fledgling love that sweeps through her body like a cool summer breeze This *Afternoon* explores the painful possibilities of a love that might have been that I knew could not blossom *Stay Heart Stay* is about the undying fire for another that refuses to be extinguished despite considerable hurdles Meanwhile other poems examine relationships in the contemporary workplace revealing a deeply unsatisfying existence *The Factory* looks at the peculiarly disconnected relationships among underappreciated factory workers while *On the JOB* tackles the boredom of a career that is anything but busy *Chock* full of penetrating insights into the heart *The Lament* is about our most basic needs finding and keeping love and obeying your inner truth

Black Earth Osip Mandelstam, 2021-07-06 Russia's foremost modernist master in a major new translation Osip Mandelstam has become an almost mythical figure of modern Russian poetry his work treasured all over the world for its lyrical beauty and innovative revolutionary engagement with the dark times of the Stalinist era While he was exiled in the city of Voronezh the black earth region of Russia his work as Joseph Brodsky wrote developed into a poetry of high velocity and exposed nerves becoming more a song than ever before not a bardlike but a birdlike song something like a goldfinch tremolo Peter France who has been brilliantly translating Mandelstam's work for decades draws heavily from Mandelstam's later poetry written in Voronezh while also including poems across the whole arc of the poet's tragically short life from his early symbolist work to the haunting elegies of old Petersburg to his defiant Stalin poem A selection of Mandelstam's prose irradiates the poetry with warmth and insight as he thinks back on his Petersburg childhood and contemplates his Jewish heritage the sunlit qualities of Hellenism Dante's Tuscany and the centrality of poetry in society

Lorenzo De' Medici Lorenzo de' Medici, Jon Thiem, 1991 This is the first book length collection in English of the literary works of Lorenzo de Medici the major poetic voice of the Florentine Resistance Lorenzo de Medici 1449-92 was the ruler of Florence and the principal statesman of his time A contemporary of Columbus Lorenzo is hardly known in the English speaking world as a major Quattrocento writer author of a large and varied body of poetry as well as an important literary treatise His poetry and patronage were instrumental in renewing the vernacular literature of his age after a period of stagnation That Lorenzo's literary writings were for the most part never translated is a fascinating curiosity of history attributable to the irreverent bawdy subject matter of many of his poems objections to his authoritarian politics and the unconventional features of his poetic realism Yet Lorenzo is now seen as the most interesting exponent of the cultural renaissance that he encouraged His longer poems in particular reveal the central concerns everyday activities and favorite ideas of his day No other Florentine writer succeeds in capturing as he does the beauty seasonal changes and rhythms of life of the Tuscan countryside His poetic

realism is that which sets him apart from his age yet makes him such a vivid portrayer of it The availability of his works in English will serve to modify and enlarge our conception of the Florentine Renaissance **Ahead of All Parting** Rainer Maria Rilke, 2015-01-21 The reputation of Rainer Maria Rilke has grown steadily since his death in 1926 today he is widely considered to be the greatest poet of the twentieth century This Modern Library edition presents Stephen Mitchell's acclaimed translations of Rilke which have won praise for their re creation of the poet's rich formal music and depth of thought If Rilke had written in English Denis Donoghue wrote in The New York Times Book Review he would have written in this English Ahead of All Parting is an abundant selection of Rilke's lifework It contains representative poems from his early collections The Book of Hours and The Book of Pictures many selections from the revolutionary New Poems which drew inspiration from Rodin and Cezanne the hitherto little known Requiem for a Friend and a generous selection of the late uncollected poems which constitute some of his finest work Included too are passages from Rilke's influential novel The Notebooks of Malte Laurids Brigge and nine of his brilliant uncollected prose pieces Finally the book presents the poet's two greatest masterpieces in their entirety the Duino Elegies and The Sonnets to Orpheus Rilke's voice with its extraordinary combination of formality power speed and lightness can be heard in Mr Mitchell's versions more clearly than in any others said W S Merwin His work is masterful
