Biography of a Book: Henry Lawson's While the Billy Boils Paul Eggert, 2013 Biography of a Book traces the life of an iconic Australian literary work in the lead up to and for a century after its initial publication Henry Lawson's 1896 collection *While the Billy Boils* Paul Eggert follows Lawson's gradual development of a pared back bush realism in the early 1890s as he struggled to forge a career writing short stories and sketches for the newspapers Lawson's famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry then in its infancy in Sydney The volume's editing design and production were collaborative events that changed the feel and nature of Lawson's writing He had to give ground on his texts and their sequencing The collection went on to be reprinted and repackaged countless times Its production and reception histories act like a geological cross section revealing the contours of successive cultural formations in Australia In unravelling the life of Lawson's classic work Eggert's book historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself

The Bookman, 1919 **Poems of Henry Lawson** Henry Lawson, 1991 *Cowboy Poets & Cowboy Poetry* David Stanley, Elaine Thatcher, 2000 This book offers the first in depth examination of a distinctive and community based tradition rich with larger than life heroes vivid occupational language humor and unblinking encounters with birth death nature and animals in the poetry **Journal of the Royal Australian Historical Society** Royal Australian Historical Society, 1922 Includes Annual report and statement of accounts **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some

50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide
