Bride of Ice Marina Tsvetaeva,2023-01-26 Marina Tsvetaeva is among the great European poets of the twentieth century With Anna Akhmatova Boris Pasternak and Osip Mandelstam she retained her humanity and integrity through Russia s terrible years of the Great Terror Even in her long tragic exile her roots were in Russia and the great tradition of Russian poetry Her voice lives in part because it remains alert to her past and to cultures especially French where she spent her exile When Elaine Feinstein first read Tsvetaeva s poems in the 1960s they transformed her Their intensity and honesty spoke to her directly To her first translations published to acclaim in 1971 she added in later years not least the sequence *Girlfriend* dedicated to her lover Sofia Parnok Feinstein published Tsvetaeva s biography in 1987

At the Edge Marina Tsvetaeva,2025-11-11 Marina Tsvetaeva s political poems a crucial part of her sensibility and life s work have largely been neglected in English language translation Emphasized instead are poems she wrote about her tumultuous personal and romantic relationships an emphasis that suggests a gendered reading of the poet as an extreme personality rather than a poet responding to the extremity of her time In fact Tsvetaeva was deeply attuned to the political circumstances in which she lived and she wrote extensively and incisively about them To erase this part of the poet and her work domesticates and exotifies her and ignores her reality *At the Edge* seeks to correct this misreading of Tsvetaeva s work by bringing together a selection of her political poems many of them never before translated into English at a moment in our own culture when they are acutely relevant

Gods and Mortals Nina Kossman, 2001-03-22 For centuries poets have looked into the mirror of classical myth to show us the many ways our emotional lives are still reflected in the ancient stories of heroism hubris transformation and loss that myths so eloquently tell Now in Gods and Mortals Modern Poems on Classical Myths we have the first anthology to gather the great 20th century myth inspired poems from around the world Perhaps it is because the myths echo the structure of our unconscious that every new generation of poets finds them a source of inspiration and self recognition says Nina Kossman in her introduction to this marvelous collection Indeed from Valery Yeats Lawrence Rilke Akhmatova and Auden writing in the first half of the century to such contemporary poets as Lucille Clifton Derek Walcott Rita Dove Wislawa Szymborska and Mark Strand the material of Greek myth has elicited a poetry of remarkably high achievement And by organizing the poems first into broad categories such as Heroes Lovers Trespassers and secondly around particular mythological figures such as Persephone Orpheus or Narcissus readers are treated to a fascinating spectrum of poems on the same subject For example the section on Odysseus includes poems by Cavafy W S Merwin Gregory Corso Gabriel Zaid Louise Gluck Wallace Stevens and many others Thus we are allowed to see the familiar Greek hero refracted through the eyes and sharply varying stylistic approaches of a wide range of poets from around the world Here then is a collection of extraordinary poems that testifies to and amply rewards our ongoing fascination with classical myth
