## **Selected Prose Poets On Poetry:**

*On Poetry and Craft* Theodore Roethke, 2001-01-01 Roethke's prose teems with fierce intelligence and outrageous quoteable quotes      **Complete Poetry and Selected Prose** Walt Whitman, 1959 An anthology of Walt Whitman's poetry and some of his prose works includes introductions and prefaces to some of the poems      Selected Prose and Prose-Poems Gabriela Mistral, 2010-01-01 The first Latin American to receive a Nobel Prize for Literature the Chilean writer Gabriela Mistral 1889 1957 is often characterized as a healing maternal voice who spoke on behalf of women indigenous peoples the disenfranchised children and the rural poor She is that political poet and more a poet of philosophical meditation self consciousness and daring This is a book full of surprises and paradoxes The complexity and structural boldness of these prose poems especially the female erotic prose pieces of her first book make them an important moment in the history of literary modernism in a tradition that runs from Baudelaire the North American moderns and the South American postmodernistas It's a book that will be eye opening and informative to the general reader as well as to students of gender studies cultural studies literary history and poetry This Spanish English bilingual volume gathers the most famous and representative prose writings of Gabriela Mistral which have not been as readily available to English only readers as her poetry The pieces are grouped into four sections Fables Elegies and Things of the Earth includes fifteen of Mistral's most accessible prose poems Prose and Prose Poems from *Desolación* Desolation 1922 presents all the prose from Mistral's first important book Lyrical Biographies are Mistral's poetic meditations on Saint Francis and Sor Juana de la Cruz Literary Essays Journalism Messages collects pieces that reveal Mistral's opinions on a wide range of subjects including the practice of teaching the writers Alfonso Reyes Alfonsina Storni Rainer Maria Rilke and Pablo Neruda Mistral's own writing practices and her social beliefs Editor translator Stephen Tapscott rounds out the volume with a chronology of Mistral's life and a brief introduction to her career and prose      Sir Philip Sidney Philip Sidney, 1983 An anthology grounded in the historic and aesthetic context of a crucial figure in 16th century English literature      **On the Poet and His Craft** Theodore Roethke, 1965 Overview One of the virtues of good poetry is the fact that it irritates the mediocre Theodore Roethke was one of the most famous and outspoken poets and poetry teachers this country has ever known In this volume of selected prose Roethke articulates his commitments to imaginative possibilities offers tender advice to young writers and zings darts at stuffed shirts lightweights and fools      *Blood, Bread, and Poetry: Selected Prose 1979-1985* Adrienne Rich, 1994-07-17 That Adrienne Rich is not only a major American poet but an incisive compelling prose writer is made clear once again by this collection in which she continues to explore the social and political context of her life and art Examining the connections between history and the imagination ethics and action she explores the possible meanings of being white female lesbian Jewish and a United States citizen both at this particular time and through the lens of the past      Robert Duncan Robert Duncan, 2019-10-22 This volume in the Collected Writings of Robert Duncan series gathers a far reaching selection of Robert

Duncan's prose writings including most of his longer and more well known essays along with other prose that has never been widely available. Ranging in original publication dates between 1940 and 1985 the forty one titles reveal a great deal about Duncan's life in poetry including his impressions of poets whose work he admires both contemporaries and precursors. Evocative and eclectic this work delineates the intellectual contexts and sources of Duncan's poetics and opens a window onto the literary communities in which he participated.

C. Day-Lewis Cecil Day Lewis, 2017 A selection of the prose writings of the poet and novelist Cecil Day Lewis 1904-72 poet laureate and Oxford professor of poetry who published more than twenty volumes of poetry in his lifetime

**Selected Prose of James Clarence Mangan** James Clarence Mangan, 2004 That Mangan is Ireland's foremost Romantic poet is by now a commonplace. The poetry of this self-proscribed Out and Outer may have contributed to the picture of an eccentric genius writhing in romantic agony far removed from the daily throng. But there was a public side to this private poet. In reality from the age of 28 with his publication of the politically engaged *The Two Flats* Our Quackstitution this poet remained in constant dialogue with the wider reading public. Prose afforded the poet his podium. And much of his mature poetry is contained within prose articles. In prose Mangan taught, thought, deliberated, parodied and afforded glimpses of himself which were hidden from his poetic alter ego. In his *German and Oriental Anthologies* he opened up a world of literature to his Irish readers. Articles like *A Sixty Drop Dose of Laudanum* betray his mastery of the well-turned aphorism. Stories like *The Man in the Cloak* manifest his light-hearted fascination for the Gothic. C. P. Meehan prefaced his pioneering *Essays in Prose and Verse* by J. C. Mangan with the apologetic observation that every scrap of writing from Mangan's pen deserves to be rescued from the countless contingencies to which manuscripts are exposed. Having rescued Mangan's work in our collected edition we offer no such apology: our best of Mangan's prose shows a man with his finger on the pulse following his one precept not to bore.

The Cry at Zero Andrew Joron, 2007 Poetry Essays In *THE CRY AT ZERO* Andrew Joron ranges through literature, science and philosophy as he maps a poetics and gripping poetic ontology that responds to the disturbing politics of our time. Confronting postmodern skepticism Joron begins from the premise that poets are chained to the impossible and that the poetic cry exceeds specific social crises. Joron teaches us that more than ever before there is a distinct and obvious place for the unsayable, the abysmal in our poetic practice. Joron's prose works interwoven here with a series of soaringly lyrical prose poems are indispensable in our attempts to embrace a creative space that encompasses human experience.

**The Selected Poetry & Prose of Shelley** Percy Bysshe Shelley, 1994 This edition contains all Shelley's poetry from his juvenilia to his great works such as *The Revolt of Islam* and *Ode to the West Wind* and his only completed verse drama *The Cenci* a melodramatic Venetian tale of incest, murder and revenge.

**The Work of Creation** Luke Hankins, 2016-01-11 In *The Work of Creation* poet, editor and translator Luke Hankins explores literature, art, aesthetics, ethics, religion and the life of the spirit in a number of genres including literary criticism, meditations on art and aesthetics, personal essays and interviews.
