Selections from the Contributions to the Irish Homestead George William Russell, **Selections from the Contributions to "The Irish Homestead"**. George William Russell, 1978 **The Years of O'Casey, 1921-1926** Robert Goode Hogan, Richard Burnham, 1992 This documentary history covers a period of Irish political and dramatic climax that had an impact not only on the nation but on the world as well During these years both Ireland and its major theater attained a position however precarious of stability De Valera and the Republicans laid down their arms and entered politics while by a state subsidy the Abbey was formally recognized as the Irish National Theatre The importance of these years goes far beyond Ireland itself because the Irish masterpieces of Sean O Casey The Shadow of a Gunman Juno and the Paycock and The Plough and the Stars made an impact upon world drama nearly as profound as that of Luigi Pirandello or of Eugene O'Neill As this book is a documentary history the story is told primarily through the words of the writers actors producers critics and members of the audience who themselves lived and created the story However these contemporary accounts are frequently amplified and put into modern perspective particularly at crucial moments such as a major production a final production or a death The authors have particularly done so with writers of some importance such as Edward Martyn William Boyle or T C Murray Since the theater of these years was especially influenced by the state of the country the authors give considerable space to the disruptive political events of the times Always however this is done from the particular vantage point of the theater and its workers for the Irish theater vigorously reacted to and quickly assimilated the turbulent political events of the day the raids the reprisals the burnings and the murders These 1 800 days really break into two periods The first comprises the violence of the Black and Tan War the exhaustion that led to the treaty and the bitterness occasioned by the treaty that led to the culminating ferocity of the civil war The second is politically and theatrically a time of consolidation and assimilation The two early plays of O Casey might well be seen as symptoms of this healing process The wound in the body politic was deep however and not to be so quickly or so easily healed moreover such matters as The Plough row and O Casey's departure from Ireland inevitably seem to be later more lasting symptoms of divisions that still fester in Ireland today The authors account of Ireland's drama is not merely confined to the capital city of Dublin but also to Belfast Cork and the provinces Also included are a full bibliography and cast listings of all the significant new plays produced or published during the period Lady Gregory Judith Hill, 2011-04-14 Lady Gregory Abbey Theatre founder and patron of W B Yeats writer and daughter of a Galway landowner became a key figure in the Irish Revival This new biography investigates Augusta Gregory's varied relationships and the contradictions and achievements of her life This portrait of a fascinating woman places Lady Gregory in the Ireland of her time showing how her nationalism in politics and literature shaped her life and work **The Crane Bag Book of Irish Studies: 1982-1985** Mark Patrick Hederman, Richard Kearney, 1982 **Women and the Irish Nation** J. MacPherson, 2012-10-16 At the turn of the twentieth century women played a key role in debates about the nature

of the Irish nation Examining women s participation in nationalist and rural reform groups this book is an important contribution to our understanding of Irish identity in the prelude to revolution and how it was shaped by women A New History of Ireland, Volume VI W. E. Vaughan,2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration A History of Food in Literature Charlotte Boyce,Joan Fitzpatrick,2017-05-18 When novels plays and poems refer to food they are often doing much more than we might think Recent critical thinking suggests that depictions of food in literary works can help to explain the complex relationship between the body subjectivity and social structures A History of Food in Literature provides a clear and comprehensive overview of significant episodes of food and its consumption in major canonical literary works from the medieval period to the twenty first century This volume contextualises these works with reference to pertinent historical and cultural materials such as cookery books diaries and guides to good health in order to engage with the critical debate on food and literature and how ideas of food have developed over the centuries Organised chronologically and examining certain key writers from every period including Chaucer Shakespeare Austen and Dickens this book s enlightening critical analysis makes it relevant for anyone interested in the study of food and literature *The Oxford Handbook of Modern Irish Fiction* Liam Harte,2020-10-15 The Oxford Handbook of Modern Irish Fiction presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland s small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook s coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women s fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O Brien and M irt n Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O Connor Se n O Faol in and Mary Lavin and in that of their ambivalent heirs Edna O Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women s fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post millennial fiction from

both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature *Married Love* Marie Carmichael Stopes, 2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become *Married Love* grew from Marie Stopes's conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women's sexuality and sexual desire as well as openly supporting birth control In this edition of Stopes's ground breaking work Ross McKibbin's introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex *J. M. Synge and Travel Writing of the Irish Revival* Giulia Bruna, 2017-10-31 Between the late 1890s and the early 1900s the young Irish writer John Millington Synge journeyed across his home country documenting his travels intermittently for ten years His body of travel writing includes the travel book *The Aran Islands* his literary journalism about West Kerry and Wicklow published in various periodicals and his articles for the *Manchester Guardian* about rural poverty in Connemara and Mayo Although Synge's nonfiction is often considered of minor weight compared with his drama Bruna argues persuasively that his travel narratives are instances of a pioneering ethnographic and journalistic imagination *J M Synge and Travel Writing of the Irish Revival* is the first comprehensive study of Synge's travel writing about Ireland compiled during the zeitgeist of the preindependence Revival movement Bruna argues that Synge's nonfiction subverts inherited modes of travel writing that put an emphasis on Empire and Nation Synge's writing challenges these grand narratives by expressing a more complex idea of Irishness grounded in his empathetic observation of the local rural communities he traveled amongst Drawing from critically neglected revivalist travel literature newspapers and periodicals and visual and archival documents Bruna sketches a new portrait of a seminal Irish Literary Renaissance figure and sheds new light on the itineraries of activism and literary engagement of the broader Revival movement *The Crane Bag*, 1985 **Our Joyce** Joseph Kelly, 2010-06-25 James Joyce began his literary career as an Irishman writing to protest the deplorable conditions of his native country Today he is an icon in a field known as Joyce studies *Our Joyce* explores this amazing transformation of a literary reputation offering a frank look into how and for whose benefit literary reputations are constructed Joseph Kelly looks at five defining moments in Joyce's reputation Before 1914 when Joyce was most in control of his own reputation he considered himself an Irish writer speaking to the Dublin middle classes When T S Eliot and Ezra Pound began promoting Joyce in 1914 however they initiated a cult of genius that transformed Joyce into a prototype of the egoist a writer talking only to other writers This view served the purposes of Morris

Ernst in the 1930s when he defended Ulysses against obscenity charges by arguing that geniuses were incapable of obscenity and that they wrote only for elite readers That view of Joyce solidified in Richard Ellmann s award winning 1950s biography which portrayed Joyce as a self centered genius who cared little for his readers and less for the world at war around him The biography in turn led to Joyce s canonization by the academy where a Joyce industry now flourishes within English departments
