

Self Among Others Henry James As A Biographer

Paul Westover, Ann Wierda Rowland

Self Among Others Henry James As A Biographer:

Henry James in Context David Bruce McWhirter, 2010-09-16 The fullest single volume work of reference on James's life and his interactions with the world around him *Henry James and the Poetics of Duplicity* Annick Duperray, Adrian Harding, Dennis Tredy, 2014-08-26 *Henry James and the Poetics of Duplicity* aims to advance the field of studies on the life and work of Henry James by fully exploring the author's use of duplicity one of the key literary and rhetorical strategies within the author's vast and infamous arsenal of techniques of ambiguity The collection brings together essays by both long established and more recent Jamesian scholars from eleven different countries the collective work of whom through this publication further enhances our grasp of the ever elusive literary style of Henry James The prefatory section of this volume provides a general overview of the myriad uses of duplicity in the writings of Henry James The collected essays are then divided into five sections each providing an in depth study of a particular use of duplicity as a rhetorical strategy The first three sections focus on duplicitous devices employed within James's works of fiction including the author's often underhanded use of undisclosed literary sources Duplicitous Subtexts his staging of characters who rely on subterfuge and outright lying Duplicitous Characters and his creation of doubles and doppelgängers another key connotation of the term duplicity both within a single work and throughout his literary career Duplicitous Representation The two final sections then focus the poetics of duplicity employed in works of non fiction by James including his autobiographies and his reviews of other authors as well as in his personal writings and correspondence This includes James's guileful use of duplicity in his representation of himself particular attention being paid to James's late works of self assessment Duplicitous Self Representation as well as in his assessments of other writers in his reviews or of certain places in his travel writing Duplicitous Judgements *Henry James and the Poetics of Duplicity* would thus be a great asset to scholars of James at all levels from the student grappling with James's literary sleight of hand for the first time to specialists in the field of James who have long studied the masterful art of James's literary trickery *A Self Among Others* Willie Tolliver, 1996 *Transatlantic Literature and Author Love in the Nineteenth Century* Paul Westover, Ann Wierda Rowland, 2016-09-22 This book is about Anglo American literary heritage It argues that readers on both sides of the Atlantic shaped the contours of international English in the 1800s expressing love for books and authors in a wide range of media and social practices It highlights how in the wake of American independence the affection bestowed on authors who became international objects of celebration and commemoration was a major force in the invention of transnational English literature the popular canon defined by shared language and tradition While love as such is difficult to quantify and recover the records of such affection survive not just in print but also in other media in monuments in architecture and in the ephemera of material culture Thus this collection brings into view a wide range of nineteenth century expressions of love for literature and its creators *Henry James and the Language of Experience* Collin Meissner, 1999-06-28 In *Henry James and the Language of Experience* Collin Meissner

examines the political dimension to the representation of experience as it unfolds throughout James's work Meissner argues that for James experience was a private and public event a dialectical process that registered and expressed his consciousness of the external world Adapting recent work in hermeneutics and phenomenology Meissner shows how James's understanding of the process of consciousness is not simply an aspect of literary form it is in fact inherently political as it requires an active engagement with the full complexity of social reality For James the civic value of art resided in this interactive process one in which the reader becomes aware of the aesthetic experience as immediate and engaged This wide ranging study combines literary theory and close readings of James's work to argue for a redefinition of the aesthetic as it operates in James's work *Alan Hollinghurst and the Vitality of Influence* Allan Johnson, 2014-04-09 Alan Hollinghurst and the Vitality of Influence proposes a striking approach for reading the influences that interlace twentieth century gay British writers Focusing on the role of the textual image in literary influence this book moves toward a new understanding of the interpenetration of literary and visual culture in the twentieth century **The Precocious Child in Victorian Literature and Culture** Roisín Laing, 2024-05-06 This book examines representations of precocity in Victorian textual culture canonical literature children's fiction scientific texts and writing by children to argue that precocity challenges the idea of progress It considers how practitioners of literature and science from Wordsworth to Freud represented human development and the way in which Darwin's non progressive model of evolution troubled the existing model of progression by stages from childhood inexperience to adult maturity and understanding Roisín Laing argues that the precocious child undermines the equation of growth with progress and thereby facilitates other ways of imagining both individual and species development The idea represented by the precocious child in Victorian culture that the adult is not necessarily an improvement on the child the human not necessarily an improvement on the ape still troubles us today **Henry James's New York Edition** David Bruce McWhirter, David McWhirter, 1998 Toward the end of James's career Charles Scribner's Sons offered to publish his collected work under the overall title The New York Edition of the Novels and Tales of Henry James This book is the first comprehensive effort to apprehend the full complexity of James's self performance there *Joycean Frames* Thomas Burkard, 2018-02-02 Employing concepts from film theory this much needed study explores in depth the cinematic quality of James Joyce's fiction from Dubliners to Finnegans Wake **De Profundis and Other Prison Writings** Oscar Wilde, 2013-01-03 De Profundis and Other Prison Writings is a new selection of Oscar Wilde's prison letters and poetry in Penguin Classics edited and introduced by Colm Tóibín At the start of 1895 Oscar Wilde was the toast of London widely feted for his most recent stage success An Ideal Husband But by May of the same year Wilde was in Reading prison sentenced to hard labour De Profundis is an epistolic account of Oscar Wilde's spiritual journey while in prison and describes his new shocking conviction that the supreme vice is shallowness This edition also includes further letters to his wife his friends the Home Secretary newspaper editors and his lover Lord Alfred Douglas Bosie himself as well as The Ballad of Reading Gaol the

heart rending poem about a man sentenced to hang for the murder of the woman he loved This Penguin edition is based on the definitive Complete Letters edited by Wilde s grandson Merlin Holland Colm T ib n s introduction explores Wilde s duality in love politics and literature This edition also includes notes on the text and suggested further reading Oscar Wilde was born in Dublin His three volumes of short fiction The Happy Prince Lord Arthur Savile s Crime and A House of Pomegranates together with his only novel The Picture of Dorian Gray won him a reputation as a writer with an original talent a reputation enhanced by the phenomenal success of his society comedies Lady Windermere s Fan A Woman of No Importance An Ideal Husband and The Importance of Being Earnest Colm T ib n is the author of five novels including The Blackwater Lightship and The Master and a collection of stories Mothers and Sons His essay collection Love in a Dark Time Gay Lives from Wilde to Almodovar appeared in 2002 He is the editor of The Penguin Book of Irish Fiction

The Scarlet Letter - Second Edition Nathaniel Hawthorne,2004-10-28 Hawthorne s story of the disgraced Hester Prynne who must wear a scarlet A as the mark of her adultery of her illegitimate child Pearl and of the righteous minister Arthur Dimmesdale continues to resonate with modern readers Set in mid seventeenth century Boston this powerful tale of passion Puritanism and revenge is one of the foremost classics of American literature This Broadview edition contains a selection of historical documents that include Hawthorne s writings on Puritanism the historical sources of the story and contemporary reviews of the novel New to the second edition are an updated critical introduction and bibliography and in the appendices additional writings by Margaret Fuller Elizabeth Cady Stanton Henry James and William Dean Howells

The Author in Criticism Elio Attilio Baldi,2020-03-11 The Author in Criticism Italo Calvino s Authorial Image in Italy the United States and the United Kingdom explores the cultural and historic patterns and differences in the critical readings of Italian author Italo Calvino s works in the United States of America the United Kingdom and Italy It considers the external factors that contribute to create recognizable patterns in the readings of Calvino s texts in different contexts This volume therefore covers most notably matters of genre science fiction postmodernism cultural perceptions and conventions the re current image of the author in different media academic schools curricula and canons biographical information such as gender and background and translation and the language in which the author speaks or fails to speak to us It traces the influence of these aspects in the academic discourse on Calvino The Author in Criticism also analyzes Calvino s various professional roles as writer editor essayist journalist private correspondent and public cosmopolitan intellectual reappraising their often little acknowledged importance for academic criticism An important underlying idea is that the preconceived image that every critic has of Calvino before even opening one of his books is often solidified and repeated even in the most refined and complex critical analyses This volume purposefully foregrounds the textual and non textual parts that are usually considered peripheral to the works of an author such as book covers blurbs reviews talks interviews etc In this way this book provides insight into the reception of Calvino s works in different countries Moreover it forms a broader reflection of and on important constants in

the workings of literary criticism and on the way academic discourses have developed in various cultural contexts over the last decades

William Hayley Lisa Gee, Mark Crosby, 2025-04-29 This volume of essays reassesses William Hayley's contribution to the literary and artistic history of the long eighteenth century and situates his work and influence in a broader cultural and specifically life writing context In his biographies of Milton Cowper Romney Thomas Alphonso Hayley and in his autobiography Hayley is concerned with recuperating and memorializing his subjects He considers that the duty of the biographer is to present unvarnished accounts This volume brings together scholars in a variety of disciplines and geographies to re-examine Hayley's relationships with some of the most important poets writers and artists in British history including William Blake and Jane Austen and to show how he wrote about people and how people have written about him It restores Hayley as a valuable yet often misunderstood figure whose literary networks redefinition of the genre of biography and intellectual influence extend across the culture of the Romantic period

Alternatives in Biography Michael Kaylor, Stephen Hardy, Martina Horáková, Kateřina Prajznerová, 2014-01-01 Kniha se zabývá texty z anglicky psané literatury, které svým způsobem zpochybňují fiktivní osobní i akademické konvence ve vztahu k literární auto biografii a slouží jako upozornění na mnohoznačnost způsobu psaní o životě a konstruování subjektivity Každá z těchto kapitol zkoumá specifický typ transgresivní auto biografie pastora In biografii v dílech Petera Ackroyda Johna Bergera a Paula Cartera kolaborativní auto biografie domorodých obyvatel v Austrálii v textech Kima Scotta a Hazel Brown a Rity a Jackie Hugginsových beletrizovaná autobiografie A Newmana a Forresta Reeda a bioregion In biografie Emily Carrov a Emmy Bell Milesové

Henry James as a Biographer Willie Tolliver, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Conrad, Autobiographical Remembering, and the Making of Narrative Identity Xiaoling Yao, 2023-11-24 Drawing on recent studies on life writing memory the narrative turn and psychology Conrad Autobiographical Remembering and the Making of Narrative Identity is the first major work that extensively explores the dynamic interplay between Conrad's autobiographical remembering and storytelling in relation to his identity construction within a historical and cultural context This unique perspective makes the book particularly attractive for students teachers and researchers of Conrad Contrary to the prevalent achievement and decline paradigm that implies a decline in quality of Conrad's works in his later period this volume contends that Conrad's later works continue to engage with the complex questions of memory identity and culture demonstrating a sustained commitment to exploring the intricacies of the human experiences Essential reading for Conrad enthusiasts but also for those who seek to explore how memory studies in literature intersect with psychology philosophy and cultural studies

Studia Litteraria Universitatis Iagellonicae Cracoviensis vol. 6 (2011) ,

Technique and Sensibility in the Fiction and Poetry of Raymond Carver Arthur F. Bethea, 2013-04-03 A comprehensive examination of the fiction and poetry of Raymond Carver

The Trial of Curiosity Ross Posnock, 1991-11-07 In this important revisionist study Posnock integrates literary and psychological criticism with social and cultural theory to make a major advance in our understanding of the life

and thought of two great American figures Henry and William James Challenging canonical images of both brothers Posnock is the first to place them in a rich web of cultural and intellectual affiliations comprised of a host of American and European theorists of modernity A startlingly new Henry James emerges from a cross disciplinary dialogue which features Veblen Santayana Bourne and Dewey as well as Weber Simmel Benjamin and Adorno **Postmortem Postmodernists** Laura E. Savu, 2009 This book scrutinizes the genre of the author as character with respect to three broad issues authorship the posthumous and cultural revisionism that arise in reading such works from a contemporary perspective Late twentieth century fiction postmodernizes romantic and modern authors not only to understand them better but also to understand itself in relation to a past literary tradition aesthetic paradigms cultural formations etc that has not really passed Penelope Fitzgerald's *The Blue Flower* Peter Ackroyd's *The Last Testament of Oscar Wilde* and Chatterton Peter Carey's *Jack Maggs* Michael Cunningham's *The Hours* Colm Toibin's *The Master* and Geoff Dyer's *Out of Sheer Rage* Wrestling with D H Lawrence the mighty dead Harold Bloom are brought back to life reanimated and bodied forth in new textual bodies that project a post modern understanding of the author as a historically and culturally contingent subjectivity constructed along the lines of gender sexual orientation class and nationality Laura E Savu is a lecturer at the University of Bucharest

Self Among Others Henry James As A Biographer: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Self Among Others Henry James As A Biographer : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Self Among Others Henry James As A Biographer : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
