Prophet, Elizabeth Clare Prophet, 2011-01-07 What is immortality Does it mean living forever in the same physical body The Path to Immortality shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness Immortality it shows is your divine right and the destiny of your soul This far reaching work unfolds metaphysical truths about the law of cycles and the seven bodies of man the planes of consciousness the inner working of the chakras and the flow of energy through them It also explores what the soul is and how we can take care of it the meaning of the fiery trial dangers that confront the soul on the homeward path and tools to deal with them Operation Terra Sara Lyara Estes, 2007-04-01 This remarkable series of prophetic messages sourcing from a higher dimensional group of beings who refer to themselves as the Hosts of Heaven claim to be the only source of information that accurately anticipated the events of September 11 2001 Soul Psychology Joshua David Stone, Ph.D., 2010-11-24 The words of Sai Baba God equals man minus ego are echoed by Dr Joshua David Stone in his seminal work Soul Psychology A veteran transpersonal psychologist and family counselor Dr Stone teaches us how our entire understanding of ourselves and others is completely changed when we integrate our soul into the way we live our lives Based on eighteen years of Dr Stone's practice this book is not a psychological approach to spirituality It is rather a spiritual approach to the psychology of everyday living At the heart of Soul Psychology is emotional healing through the dismantling of the negative ego a psychological cancer that prevents us from acting in accordance with our soul's true nature and purpose This negative energy drives us to find our security outside of ourselves whereas the only true security is one that is grounded in having a right relationship with self and a right relationship with the Divine To guide us onto this path of spiritual ascension Soul Psychology offers a stimulating new viewpoint that expands the boundaries of traditional spiritual practice
