A Cowboy Bible Study Mike Coe, 2022-08-01

The title of this book is from that of which it came a group of cowboy believers wanting to know what the Bible really says about the return of Christ Jesus to planet earth John the revelator was in the aEURoeSpiritaEUR on the Lord aEUR tm s Day when he heard a loud voice speaking to him as of a trumpet The voice said to him aEURoeI am the Alpha and the Omega the First and the Last What you see write in a book and send it to the seven churches which are in Asia aEUR It is clear that God wanted to get a message out to the believers It is that message that we at Cowboy Country Fellowship seek to understand In our world today we have many who teach on the book of Revelation Our problem is that they cannot all be right Some teach a pre tribulation Rapture Others teach a mid or post tribulation Rapture that must take place at the return of Christ Still there are others that teach something totally different So who is right Not everyone is going to be right What is the truth concerning the coming of our Lord Jesus Christ and our gathering together unto him We wanted to know It was readily accepted that the only way to know the truth was to know it for ourselves We set aside our preconceived ideas brought about through doctrinal teaching and set out to learn the truth from the Scriptures for ourselves If something didnaEUR tm t fit we would acquit any preconceived idea not backed up in Scripture as unprovable Nonetheless it was difficult to let go of some things we had held so dear from our lack of knowledge It is much easier to believe something that may not be true when it sounds so good and requires little effort Few are willing to suffer for His cross For the first year we spent a lot of time on the words of Jesus given to the early church leaders in Matthew chapter 24 which took us to the book of Daniel In Daniel 2 44 it says aEURoeAnd in the days of these kings the God of heaven will set up a kingdom which shall never be destroyed and the kingdom shall not be left to other people it shall break in pieces and consume all these kingdoms and it shall stand forever aEUR We therefore set out to identify if those kingdoms were in existence today After a rather hard start we began to fit Scripture with Scripture found in both the old and New Testament We began to understand the symbolism God used in scripture based on prophecy already fulfilled We studied the symbols used concerning the coming of Christ Jesus to become the only propitiation for our sins that God would accept After about a year we were ready to begin a detailed study into the book of Revelation written by the only disciple of the twelve who lived to an old age who was not martyred killed for the testimony of Christ Some will escape the sword It may interest you to know that Daniel and John the revelator are the only two men in the Bible of which it is written of them personally that God either aEURoegreatly loved aEUR or aEURoewhom Jesus loved aEUR We know that God loves us all John 3 16 tells us that But for some reason God saw to it to mark these two men by saying he loved them in Scripture You can find it in Daniel 10 23 and John 10 19 and both wrote some of the most prophetic words ever written Enjoy this study Time is running out to forever know the truth within our hearts for ourselves All we need is the aEURoewant to aEUR God will do the rest to open our understanding You will find that this study places

Scripture with Scripture line upon line here a little and there a little and precept upon precept as it is written within the scriptures This study is much more than just a bunch of drug store want a be cowboys blowing off steam We discovered Truth It is exciting to begin a new year with a president who is not a polished politician Will he drain the swamp Or will he become a creature of the swamp Will he keep his promises Or will he morph into broken promises as one of them Only time will tell Personally I was bred and born a democrat some sixty two years ago But within himself this man is neither Pray for him He could be a modern day king Cyrus Thank You Mike Coe Journal of South Asian Literature ,1988 **Subject Guide to Books in Print** ,2001 This is Not that Dawn Yashpal,2010 Jhootha Sach is arguably the most outstanding piece of Hindi literature written about the Partiton Reviving life in Lahore as it was before 1947 **The Hijacking of the American Political System** Kodzo Mawusi,2010-08-31 Mr Kodzo Mawusi is a charismatic Roman Catholic Evangelist and Theologian He is an active member of St John Bosco parish a member of the Parish Council Stewardship Committee and leads their Prayer and Bible Study group After graduating and working for years in engineering decided to pursue theological studies He received his Bachelor of Theology degree from Newman Theological College in 1998 and the Master of Theology degree from St Andrew s College University of Saskatchewan Saskatoon in 2003 He is an inspiring speaker on social and religious or spiritual issues and have authored books on these subjects He is an ordained minister of the Gospel and an affiliate of the Hunter and Joan Hunter Ministries His interest in social justice led him to take a closer look at the impact of politics on our social lives globally The central theme of his message to all politicians is to transform their lives into real leaders capable of standing for morality and personal dignity in society To refrain from their hypocritical behaviours and show proper leadership qualities to make the world a better place for all **The Saint Poets of South India** ,1992 Selected poems **Rise from the Dust** Philip Friday,2020-10-21 One of the most inevitable things about life is suffering In one of his final admonitions to his disciples before he ascended into heaven Jesus warned his disciples that in this world they will suffer You may be having the best time of your life with everything going according to plan when suddenly the dark dreadful clouds gather slowly caving in on you and suddenly the bright sunny day has given way to crumbling walls pain and suffering Rise From the Dust is written to encourage you in the darkest days and usher you into a place of endurance and hope **Hearts** Betty Ames,2006-09-26 GODS Masterpiece but for mankind it is a seat of passion a life giving pump that is a simple machine with a sacred mission This 11 ounce delicate yet durable fountain of life creates effervescence for mankind and is the pivot of life that provides the truth about mans inter most desires to GOD It is GODS link to mortal man and HE alone controls this vital organ Attitudes are a matter of the HEART and their dispositions are recorded as a laceration of pain to seize us in our own prison or a humbling of self for growth The aftereffect of those records are inscribed upon the HEART and will determine the consequence of our soundness of mind and body This Book of HEARTS explains the inter most reasons the root causes we experience illnesses and how they are brought about by attitudes and their lasting effects upon our bodies
