Selling Catholicism Bishop Sheen And The Power Of Television:

Selling Catholicism Christopher Owen Lynch, 2021-12-14 When the popularity of Milton Berle's television show began to slip Berle quipped At least I'm losing my ratings to God He was referring to the popularity of *Life Is Worth Living* and its host Bishop Fulton J Sheen The show aired from 1952 to 1957 and Sheen won an Emmy beating competition that included Lucille Ball Jimmy Durante and Edward R Murrow What was the secret to Sheen's on air success Christopher Lynch examines how he reached a diverse audience by using television to synthesize traditional American Protestantism with a reassuring vision of Catholicism as patriotic and traditional Sheen provided his viewers with a sense of stability by sentimentalizing the medieval world and holding it out as a model for contemporary society Offering clear cut moral direction in order to eliminate the anxiety of cultural change he discussed topics ranging from the role of women to the perils of Communism Sheen's rhetoric united both Protestant and Catholic audiences reflecting and forming a vision of mainstream postwar America Lynch argues that Sheen's persuasive television presentations helped Catholics gain social acceptance and paved the way for religious ecumenism in America Yet Sheen's work also sowed the seeds for the crisis of competing ideologies in the modern American Catholic Church

Religion in the Public Square James M. Patterson, 2019-06-28 Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell religious leaders who popularized theology through media campaigns designed to persuade the public In Religion in the Public Square James M Patterson considers religious leaders who popularized theology through media campaigns designed to persuade the

public Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell differed profoundly on issues of theology and politics but they shared an approach to public ministry that aimed directly at changing how Americans understood the nature and purpose of their country From the 1930s through the 1950s Sheen was an early adopter of paperbacks radio and television to condemn totalitarian ideologies and to defend American Catholicism against Protestant accusations of divided loyalty During the 1950s and 1960s King staged demonstrations and boycotts that drew the mass media to him The attention provided him the platform to preach Christian love as a political foundation in direct opposition to white supremacy Falwell started his own church which he developed into a mass media empire He then leveraged it during the late 1970s through the 1980s to influence the Republican Party by exhorting his audience to not only ally with religious conservatives around issues of abortion and the traditional family but also to vote accordingly Sheen King and Falwell were so successful in popularizing their theological ideas that they won prestigious awards had access to presidents and witnessed the results of their labors However Patterson argues that Falwell s efforts broke with the longstanding refusal of religious public figures to participate directly in partisan affairs and thereby catalyzed the process of politicizing religion that undermined the Judeo Christian consensus that formed the foundation of American politics

Brehm, 2019-09-03 A case study of the intersection of humor and American Catholicism in contemporary society For nine years Stephen Colbert s persona Colbert a Republican superhero and parody of conservative political pundits informed audiences on current events politics social issues and religion while lampooning conservative political policy biblical literalism and religious hypocrisy To devout vocal and authoritative lay Catholics religion is central to both the actor and his most famous character Yet many viewers wonder Is Colbert a practicing Catholic in real life or is this part of his act This book examines the ways in which Colbert challenges perceptions of Catholicism and Catholic mores through his faith and comedy *Religion and the foibles of*

religious institutions have served as fodder for scores of comedians over the years. What set Colbert apart on his show *The Colbert Report* was that his critical observations were made more powerful and harder to ignore because he approached religious material not from the predictable stance of the irreverent secular comedian but from his position as one of the faithful. He is a Catholic celebrity who can bridge critical outsider and participating insider, neither fully reverent nor fully irreverent. Providing a digital media ethnography and rhetorical analysis of Stephen Colbert and his character from 2005 to 2014, author Stephanie N. Brehm examines the intersection between lived religion and mass media, moving from an exploration of how Catholicism shapes Colbert's life and world towards a conversation about how Colbert shapes Catholicism. Brehm provides historical context by discovering how Colbert compares to other Catholic figures such as Don Novello, George Carlin, Louis C. K., and Jim Gaffigan, who have each presented their views of Catholicism to Americans through radio, film, and television. The last chapter provides a current glimpse of Colbert on *The Late Show*, where he continues to be a voice for Catholicism on late night now to an even broader audience. *America's Most Famous Catholic According to Himself* also explores how Colbert carved space for Americans who currently define their religious lives through absence, ambivalence, and alternatives. Brehm reflects on the complexity of contemporary American Catholicism as it is lived today in the often ignored form of Catholic multiplicity, thinking Catholics, cultural Catholics, cafeteria Catholics, and lukewarm Catholics, or what others have called Colbert Catholicism, an emphasis on the joy of religion in concert with the suffering. By examining the humor in religion, Brehm allows us to clearly see the religious elements in the work and life of comedian Stephen Colbert. Praise for *America's Most Famous Catholic According to Himself*: Combining the interpretative skills of an academic with a natural appreciation for pop culture, Brehm offers a lively look at why the new evangelization may be just as much the responsibility of comics as of clerics. James Martin, SJ, Jesuit priest and author of *Jesus: A Pilgrimage* and *The Jesuit Guide to (Almost) Everything: A Spirituality for Real Life*. Anyone interested in religious comedy's recent history in America will enjoy Stephanie Brehm's book. If you want to study how humor, social media, and entertainment inform and mold our church and public opinion today, this book will be a good choice for you. Catholic Philly.

The Transformation of the Christian Churches in Western Europe, Leo Kenis, Patrick Pasture, 2010. KADOC Studies on Religion, Culture, and Society, Volume 6. Research continues to show that the Christian religion is gradually disappearing from the public cultural and social spheres in Western Europe. New forms of religious life and community, however, may point toward a resurgence of Christian churches in postmodern Europe. This book focuses on the complex transformations Christian churches in Western Europe have undergone since World War II. In English and French.

The Rhetorical Leadership of Fulton J. Sheen, Norman Vincent Peale, and Billy Graham in the Age of Extremes Timothy H. Sherwood, 2013-08-15 Fulton J Sheen Norman Vincent Peale and Billy Graham were America s most popular religious leaders during the mid twentieth century period known as the golden years of the Age of Extremes It was part of an era that encompassed polemic contrasts of good and evil on the world stage in political philosophies and international relations The 1950s and early 1960s in particular were years of high anxiety competing ideologies and hero villain mania in America Sheen was the voice of reason who spoke against those conflicting ideologies which were hostile to religious faith and democracy Peale preached the gospel of reassurance self assurance and success despite ominous global threats and Graham was the heroic model of faith whose message of conversion provided Americans an identity and direction opposite to atheistic communism This study looks at how and why their rhetorical leadership both separately and together contributed to the climate of an extreme era and influenced a national religious revival
