Shakespeares Lives

Graham Holderness

Shakespeares Lives:

Shakespeare's Lives Samuel Schoenbaum, 1991 This volume presents a study of the changing images and differing ways that the life of English poet and playwright William Shakespeare 1564-1616 has been interpreted throughout history. The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work, bringing the story right up to 1989. He reconstructs as much of the elusive author's life as possible, considering his family history, his economic standing, and his reputation with his peers. The Shakespeare who emerges may not always be the familiar one.

Shakespeare's Literary Lives Paul Franssen, 2016-01-21 In this book Franssen investigates the use of Shakespeare as a fictional character in different literary genres, periods, and cultures.

William Shakespeare Samuel Schoenbaum, 1987 An abridged edition that will remain the standard biography for many years.

[Shakespeare's Lives](#) Samuel Schoenbaum, 1993 First published twenty years ago, this witty and learned book, now completely revised and updated, follows the quest throughout history for Shakespeare the man. Taking us on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work, Schoenbaum presents a wealth of material from collections scattered all over the world, which yield fresh and often dramatic information about a host of controversial characters and incidents. Beginning with the Shakespeare of documentary record, poet of the London stage and burgher of Stratford, Schoenbaum proceeds to the legends of Shakespeare as deer poacher, ale toper, and valiant lover. Other Shakespeares follow the playwright as protagonist in a host of popular and scholarly biographies, which often reveal more about the biographer than the subject. The Shakespeare for whom imaginary history was invented through forged documents, first by Ireland in the eighteenth century and later by the clever and more seasoned J. Payne Collier. And lastly, the Shakespeare who never was, anti-hero of a vast and frequently eccentric literature, crediting his works to luminaries such as Francis Bacon, the Earl of Oxford, and Christopher Marlowe. Enlivened with such notable personages as Johnson, Keats, Hawthorne, Wilde, Joyce, and Freud, Shakespeare's Lives is a book of many lives, both described and lived during the course of four centuries. From the mists of ignorance and misconception, Schoenbaum allows the figure of Shakespeare to emerge, seen through a succession of different eyes and from constantly shifting vantage points. This new edition makes the latest lives of Shakespeare available to whole new generation of the Bard's devotees.

Nine Lives of William Shakespeare Graham Holderness, 2013-09-12 Acclaimed as the greatest dramatist of all time, William Shakespeare needs little introduction. Or does he? Going beyond Shakespeare the writer and actor, Graham Holderness explores the fact and fiction, tradition and myth surrounding Shakespeare's life. Combining biography and fictional narrative, Holderness takes a fresh critical approach to the problem of piecing together a definitive account of Shakespeare's life and work from scant historical information. Instead, this study builds upon and examines the many theories that surround the life of this well-known yet remarkably unknown man. Nine Shakespeares are presented: writer, player, butcher, boy, businessman, husband, friend, lover, Catholic, and portrait. By carefully critiquing these

biographies and reimagining these nine men *Nine Lives of William Shakespeare* creates a unique picture of how this playwright became Shakespeare as he is understood today *Shakespeare Now* is a series of short books that engage imaginatively and often provocatively with the possibilities of Shakespeare's plays It goes back to the source the most living language imaginable and recaptures the excitement audacity and surprise of Shakespeare It will return you to the plays with opened eyes *Shakespeare's Lives* Samuel Schoenbaum, 2006 ***Shakespeare's 'Lady Editors'*** Molly G.

Yarn, 2021-12-09 The basic history of the Shakespearean editorial tradition is familiar and well established For nearly three centuries men most of them white and financially privileged ensconced themselves in private and hard to access libraries hammering out their versions of Shakespeare's text They produced enormous learned tomes monuments to their author's greatness and their own reputations What if this is not the whole story A bold revisionist and alternative version of Shakespearean editorial history this book recovers the lives and labours of almost seventy women editors It challenges the received wisdom that when it came to Shakespeare the editorial profession was entirely male dominated until the late twentieth century In doing so it demonstrates that taking these women's work seriously can transform our understanding of the history of editing of the nature of editing as an enterprise and of how we read Shakespeare in history *Shakespeare : A Life* Park Honan, 1998-10-29 In the most complete accurate and up to date narrative of Shakespeare's life ever written Park Honan uses a wealth of fresh information to dramatically alter our perceptions of the actor poet and playwright The young poet's relationships his early courtship of Anne Hathaway their marriage his attitudes to women such as Jennet Davenant Marie Mountjoy and his own daughters are seen in a new light illuminating Shakespeare's needs habits passions and concerns Park Honan examines the world of the playing companies the power of patronage theatrical conditions and personal rivalries to reveal the relationship between the man and the writing and using previously unpublished material explores the causes of Shakespeare's success Stratford childhood his parents capabilities and his preparations for a London career *Shakespeare A Life* casts new light on the complexity and fascination of Shakespeare's life and his extraordinary development as an artist *The Private Life of William Shakespeare* Lena Cowen Orlin, 2021 Breathes new life into Shakespeare's story by establishing fresh interpretations of his baptism evidence pertaining to his father his wedding his home his will and his monument *Shakespeare's Theatre* Hugh Macrae Richmond, 2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare's time with an explanation of their origins *Shakespeare's Books* Stuart Gillespie, 2016-02-25 *Shakespeare's Books* contains nearly 200 entries covering the full range of literature Shakespeare was acquainted with including classical historical religious and contemporary works The dictionary covers works whose importance to Shakespeare has emerged more clearly in recent years due to new research as well as explaining current thinking on long recognized sources such as Plutarch Ovid Holinshed Ariosto and Montaigne Entries for all major sources include surveys of the writer's place in

Shakespeare's time detailed discussion of their relation to his work and full bibliography. These are enhanced by sample passages from early modern England writers together with reproductions of pages from the original texts. Now available in paperback with a new preface bringing the book up to date, this is an invaluable reference tool.

Shakespeare's Companies Mr Terence G. Schoone-Jongen, 2013-04-28. Focusing on a period c. 1577-1594 that is often neglected in Elizabethan theater histories, this study considers Shakespeare's involvement with the various London acting companies before his membership in the Lord Chamberlain's Men in 1594. Locating Shakespeare in the confusing records of the early London theater scene has long been one of the many unresolved problems in Shakespeare studies and is a key issue in theatre history, Shakespeare biography and historiography. The aim in this book is to explain, analyze and assess the competing claims about Shakespeare's pre-1594 acting company affiliations. Schoone-Jongen does not demonstrate that one particular claim is correct but provides a possible framework for Shakespeare's activities in the 1570s and 1580s, an overview of both London and provincial playing and then offers a detailed analysis of the historical plausibility and probability of the warring claims made by biographers ranging from the earliest sixteenth century references to contemporary arguments. Full chapters are devoted to four specific acting companies, their activities and a summary and critique of the arguments for Shakespeare's involvement in them: The Queen's Men, Strange's Men, Pembroke's Men and Sussex's Men. A further chapter is dedicated to the proposition Shakespeare's first theatrical involvement was in a recusant Lancashire household and a final chapter focuses on arguments for Shakespeare's membership in a half dozen other companies, most prominently Leicester's Men. Shakespeare's Companies simultaneously opens up twenty years of theatrical activity to inquiry and investigation while providing a critique of Shakespearean biographers and their historical methodologies.

The Oxford Handbook of Shakespeare and Embodiment Valerie Traub, 2016-09-08. The Oxford Handbook of Shakespeare and Embodiment brings together 40 of the most important scholars and intellectuals writing on the subject today. Extending the purview of feminist criticism, it offers an intersectional paradigm for considering representations of gender in the context of race, ethnicity, sexuality, disability and religion. In addition to sophisticated textual analysis drawing on the methods of historicism, psychoanalysis, queer theory and posthumanism, a team of international experts discuss Shakespeare's life, contemporary editing practices and performance of his plays on stage, on screen and in the classroom. This theoretically sophisticated yet elegantly written Handbook includes an editor's Introduction that provides a comprehensive overview of current debates.

Shakespeare's Library Stuart Kells, 2019-04-02. A tantalizing true story of one of literature's most enduring enigmas is at the heart of this lively, even sprightly book. Michael Dirda, *The Washington Post*, the quest to find the personal library of the world's greatest writer. Millions of words of scholarship have been expended on the world's most famous author and his work. And yet a critical part of the puzzle, Shakespeare's library, is a mystery. For four centuries people have searched for it in mansions, palaces and libraries, in riverbeds, sheep pens and partridge coops and in the corridors of the mind. Yet no trace of

the bard's manuscripts, books or letters has ever been found. The search for Shakespeare's library is much more than a treasure hunt. Knowing what the Bard read informs our reading of his work and it offers insight into the mythos of Shakespeare and the debate around authorship. The library's fate has profound implications for literature, for national and cultural identity and for the global Shakespeare industry. It bears on fundamental principles of art, identity, history, meaning and truth. Unfolding the search like the mystery story that it is, acclaimed author Stuart Kells follows the trail of the hunters taking us through different conceptions of the library and of the man himself. Entertaining and enlightening, Shakespeare's Library is a captivating exploration of one of literature's most enduring enigmas. An engaging and provocative contribution to the unending world of Shakespeariana. An enchanting work that bibliophiles will savor and Shakespeare fans adore. Kirkus Reviews

Shakespeare and Politics Catherine M. S. Alexander, 2004-09-02. This important collection of essays shows a full range of writing on Shakespeare and politics with shifts of focus as diverse as biography, text and contexts, language and film and from perspectives that are literary, historical, religious, theoretical and cultural. A new introductory article by John Joughin provides a commentary on the essays, relates them to other work in the field and gives an overview of the subject. The comprehensive collection is a stimulating and provocative introduction to a subject that is complex but never dull.

Shakespeare Survey: Volume 68, Shakespeare, Origins and Originality Peter Holland, 2015-09-24. Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948 the Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme or play or group of plays; each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances. The theme for Volume 68 is Shakespeare: Origins and Originality. The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey>. This fully searchable resource enables users to browse by author, essay and volume, search by play, theme and topic and save and bookmark their results.

William Shakespeare Garry O'Connor, 2000-02. Celebrates the life and work of William Shakespeare including his marriage, sexuality, family life and experiences in the theater.

On Life-Writing Zachary Leader, 2015-10-08. Life writing is a generic term meant to encompass a range of writings about lives or parts of lives or which provide materials out of which lives or parts of lives are composed. These writings include not only memoir, autobiography, biography, diaries, autobiographical fiction and biographical fiction but letters, wills, written anecdotes, depositions, marginalia, lyric poems, scientific and historical writings and digital forms including blogs, tweets, Facebook entries. On Life Writing offers a sampling of approaches to the study of life writing, introducing readers to something of the range of forms the term encompasses, their changing fortunes and features, the notions of life, self and story which help to explain these changing fortunes and features, recent attempts to group forms, the permeability of the boundaries between forms, the moral problems raised by life writing in all forms but particularly in fictional forms and the relations between life writing and history, life writing and psychoanalysis.

life writing and philosophy The essays mostly focus on individual instances rather than fields whether historical theoretical or generic Generalizations are grounded in particulars For example the role of the life changing encounter a frequent trope in literary life writing is pondered by Hermione Lee through an account of a much storied first meeting between the philosopher Isaiah Berlin and the Russian poet Anna Akhmatova James Shapiro examines the history of the cradle to grave life narrative as well as the potential distortions it breeds by focusing on Shakespeare biography in particular attempts to explain Shakespeare s so called lost years *Shakespeare Survey 70: Volume 70* Peter Holland,2017-12-07 The seventieth volume in the annual series of volumes devoted to Shakespeare study and production The articles are drawn from the World Shakespeare Congress held 400 years after Shakespeare s death in July August 2016 in Stratford upon Avon and London The theme is Creating Shakespeare **Shakespeare and Elizabeth** Helen Hackett,2021-08-10 Did William Shakespeare ever meet Queen Elizabeth I There is no evidence of such a meeting yet for three centuries writers and artists have been provoked and inspired to imagine it Shakespeare and Elizabeth is the first book to explore the rich history of invented encounters between the poet and the Queen and examines how and why the mythology of these two charismatic and enduring cultural icons has been intertwined in British and American culture Helen Hackett follows the history of meetings between Shakespeare and Elizabeth through historical novels plays paintings and films ranging from well known works such as Sir Walter Scott s *Kenilworth* and the film *Shakespeare in Love* to lesser known but equally fascinating examples Raising intriguing questions about the boundaries separating scholarship and fiction Hackett looks at biographers and critics who continue to delve into links between the queen and the poet In the Shakespeare authorship controversy there have even been claims that Shakespeare was Elizabeth s secret son or lover or that Elizabeth herself was the genius Shakespeare Hackett uncovers the reasons behind the lasting appeal of their combined reputations and she locates this interest in their enigmatic sexual identities as well as in the ways they represent political tensions and national aspirations Considering a wealth of examples *Shakespeare and Elizabeth* shows how central this double myth is to both elite and popular culture in Britain and the United States and how vibrantly it is reshaped in different eras

Whispering the Secrets of Language: An Psychological Quest through **Shakespeares Lives**

In a digitally-driven earth where screens reign supreme and quick communication drowns out the subtleties of language, the profound secrets and psychological nuances hidden within phrases usually get unheard. However, located within the pages of **Shakespeares Lives** a fascinating fictional prize blinking with fresh emotions, lies an exceptional journey waiting to be undertaken. Shakespeares Lives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeares Lives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeares Lives has opened up a world of possibilities. Downloading Shakespeares Lives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeares Lives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeares Lives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeares Lives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeares Lives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Shakespeares Lives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeares Lives Books

1. Where can I buy Shakespeares Lives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shakespeares Lives book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Shakespeares Lives books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Shakespeares Lives audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Shakespeares Lives books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
