Shakespeares Plays And Sonnets:

Shakespeare's Sonnets William Shakespeare,2000-01-01 The classic love poems of William Shakespeare are accompanied by critical commentary **Shakespeare's Sonnets** Paul Edmondson,Stanley W. Wells,Stanley Wells,2004 The sonnets are among the most accomplished and fascinating poems in the English language They are central to an understanding of Shakespeare s work as a poet and poetic dramatist and while their autobiographical relevance is uncertain no account of Shakespeare s life can afford to ignore them So many myths and superstitions have arisen around these poems relating for example to their possible addressees to their coherence as a sequence to their dates of composition to their relation to other poetry of the period and to Shakespeare s plays that even the most na ve reader will find it difficult to read them with an innocent mind Shakespeare s Sonnets dispels the myths and focuses on the poems Considering different possible ways of reading the Sonnets Wells and Edmondson place them in a variety of literary and dramatic contexts in relation to other poetry of the period to Shakespeare s plays as poems for performance and in relation to their reception and reputation Selected sonnets are discussed in depth but the book avoids the jargon of theoretical criticism Shakespeare s Sonnets is an exciting contribution to the Oxford Shakespeare Topics ideal for students and the general reader interested in these intriguing poems **The Sonnets and Other Poems** William Shakespeare,2009-08-04 Shakespeare became famous as a dazzling poet before most people even knew that he wrote plays His sonnets are the English language s most extraordinary anatomy of love in all its dimensions desire and despair longing and loss adoration and disgust To read them is to confront morality and eternity in the same breath Produced under the editorial supervision of Jonathan Bate and Eric Rasmussen two of today s most accomplished Shakespearean scholars The Sonnets and Other Poems includes all of Shakespeare s sonnets the long narrative poems Venus and Adonis and The Rape of Lucrece and several other shorter works Incorporating definitive texts and authoritative notes from William Shakespeare Complete Works this unique volume also includes an expanded Introduction by Jonathan Bate that places the poems in literary and historical context and illuminates their relationship to Shakespeare s dramatic writing Also featured are key facts about the individual selections an index of the first lines of the sonnets a chronology of Shakespeare s life and times and recommendations for further reading Ideal for students and general readers alike this modern and accessible edition sets a new standard in Shakespearean literature for the twenty first century **Shakespeare's Sonnets** William Shakespeare,William J.
