-MAGIC SHOW-

Shakespeares Magic Circle

JS Bruner

Shakespeares Magic Circle:

Shakespeare's magic circle Alfred John Evans,1970 **Shakespeare's Magic Circle. [Maintaining that the Plays Were the Work of a Group of Authors, Not Including the Actor Shakespeare.].** Alfred John EVANS (the Escaper.),1956

Shakespeare's Magic Circle Alfred John Evans,1956 **The Shakespeare Claimants** H. N Gibson,2013-11-05 This edition first published in 1962 The Shakespeare Claimants is a critical survey of the great controversy that has raged over the authorship of the Shakespearean plays It provides the general reader with an outline history of this controversy and with a full description and analysis of the main anti Stratfordian arguments This book concentrates on the four main claimants Bacon Oxford Derby and Marlowe The book contains an extensive bibliography and footnotes to guide the reader through the text Shakespearean Inside Marcus Nordlund,2016-12-05 The Shakespearean Inside is a study of all soliloquies and solo asides dubbed insides for short in Shakespeare s complete plays The first step in the research process was the creation of the Shakespearean Inside Database SID where these speeches were annotated according to variables of genuine literary interest such as act dramatic subgenre probable time of composition dramatic speech acts selected figures of speech and character attributes such as gender and class Such comprehensive and detailed data makes it possible to generalize dependably about Shakespeare s authorial habits and by extension to identify situations where the author departs in interesting ways from his habitual practices The monograph uses these broad patterns and significant exceptions as a backdrop for fresh interpretations of various Shakespeare plays from early works such as The Taming of the Shrew and The Two Gentlemen of Verona to mature tragedies like Hamlet and late plays like The Tempest and The Two Noble Kinsmen Reconsidering Shakespeare's 'Lateness' Xing Chen,2015-02-27 Shakespeare s last plays because of their apparent similarity in thematic concern dramatic arrangements and stylistic features are often considered by modern scholarship to form a unique group in his canon Their departure from the preceding great tragedies and their status as an artist s last works have long aroused scholarly interest in Shakespeare s lateness the study essentially of the relationship between his advancing years and his final dramatic output encompassing questions such as Why did Shakespeare write the last plays What influenced his writing and What is the significance of these plays Answers to these questions are varied and often contradictory partly because the subject is the elusive Shakespeare and partly because the concept of lateness as an artistic phenomenon is itself unstable and problematic This book reconsiders Shakespeare s lateness by reading the last plays in the light of but not bound by current theories of late style and writing The analysis incorporates traditional literary stylistic and biographic approaches in various combinations The exploration of the works namely Pericles Cymbeline The Winter s Tale The Tempest Henry VIII and The Two Noble Kinsmen while underlined by an interest in their shared concern with the effect power and the possibilities of art and language also places an emphasis on each play s distinct features and contexts A pattern of steady artistic development is revealed bespeaking Shakespeare s continued professional energy and ongoing self challenge which are in fact at the

centre of his working methods throughout his career The book therefore proposes that Shakespeare's lateness is in fact a continuation of his sustained dramatic development

Shakespeare's Magic Circle Alfred John Evans, 1956

William Shakespeare's The Tempest Corinna Ruth, 1996

REA's MAXnotes for William Shakespeare's The Tempest The MAXnotes offers a comprehensive summary and analysis of The Tempest and a biography of William Shakespeare Places the events of the play in historical context and discusses each act in detail Includes study questions and answers along with topics for papers and sample outlines

The Poems of John Dryden: Volume One Paul Hammond, 2014-07-10

These first two volumes in a four volume edition of Dryden's poems are the result of a complete reappraisal of the canon text and context of his work The text has been prepared from a fresh examination of the early printed editions and takes account of the large number of manuscript copies which survive Two recently discovered poems are included here for the first time Headnotes to each poem provide details of the poem's date publication history sources and contemporary reception Detailed explanations are given of the controversies addressed in his political poems and particular attention is paid to Dryden's translations from classical writers including Virgil Horace Ovid and Lucretius Volume I covers the poems of Dryden from 1649 to 1681

Shakespeare's Symmetries James E. Ryan, 2016-04-29

The organization of Shakespeare's plays has challenged even baffled audiences and critics since the 17th century Cymbeline has been dismissed as incoherent Hamlet is of no clear shape And Antony and Cleopatra bewilders the mind These judgments result from an incomplete understanding of Shakespeare's constructive practice It is not the narrative arc alone that organizes the plays but a complex structure of interwoven narrative and thematic actions While the narrative varies from play to play thematic actions are invariably created in mirroring pairs around the central scene A B C B A This symmetrical pattern which can be visualized as an arch with a focal keystone is the foundation of all of Shakespeare's mature work as shown through an analysis of the 26 plays in this book This arch illuminates the structure of plays that have long been puzzling demonstrating that they are thematically organized and rigorously crafted It also reveals subtleties otherwise invisible

Shakespeare on Salvation David Anonby, 2024-03-13

This cutting edge book explores Shakespeare's negotiation of Reformation controversy about theories of salvation While twentieth century literary criticism tended to regard Shakespeare as a harbinger of secularism the so called turn to religion in early modern studies has given renewed attention to the religious elements in Shakespeare and his contemporaries Nevertheless there remains an aura of uncertainty regarding some of the doctrinal and liturgical specificities of the period This historical gap is especially felt with respect to theories of salvation or soteriology Such ambiguity however calls for further inquiry into historical theology The author explores how the language and concepts of faith grace charity the sacraments election free will justification sanctification and atonement find expression in Shakespeare's plays In doing so this book contributes to the recovery of a greater understanding of the relationship between early modern religion and Shakespearean drama While the author shares David Scott Kastan's reluctance to attribute particular religious convictions to

Shakespeare in some cases such critical guardedness has diverted attention from the religious topography of Shakespeare's plays Throughout this study the author's hermeneutic is to read Shakespeare through the lens of early modern theological controversy and to read early modern theology through the lens of Shakespeare *Shakespeare's Fascist Followers* Richard Wilson, 2025-08-21 Richard Wilson's meticulously researched powerfully argued and brilliantly written account of Shakespeare's 20th century fascist followers is not just an important but a genuinely essential book Robert Shaughnessy Guildford School of Acting UK In this illuminating book Richard Wilson demonstrates how in the 20th century Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author Wilson argues that the version of Shakespeare this caricature produced authoritarian jingoistic racially intolerant misogynistic was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America while noting striking cases of the same bias in Germany and France Some of the names this book focuses on will surprise many of the right wing political views or leanings of the prominent figures discussed have been left unexplored or ignored from A K Chesterton who was both editor of the British Union of Fascists newspaper Blackshirt and former manager of press and publicity at the Shakespeare Memorial Theatre to celebrated Shakespeareans such as G Wilson Knight and writers artists and theatre practitioners including W B Yeats T S Eliot Edward Gordon Craig and Marshall McLuhan At a time when democracy is under threat populism is on the rise and far right views are increasingly prominent in our political discourse Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship *CliffsNotes on Shakespeare's Romeo and Juliet* Annaliese F Connolly, 2011-05-18 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In CliffsNotes on Shakespeare's Romeo and Juliet you explore Shakespeare's greatest tragedy the heartbreaking love story of Romeo and Juliet amid the conflict between their two feuding families the Montagues and the Capulets This study guide carefully walks you through every twist and turn of Shakespeare's classic by providing chapter summaries and critical analyses of each act and scene of the play You'll also explore the life and background of the Bard himself William Shakespeare Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays The history of the play's development as well as its first performance A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides **Victorian Appropriations of Shakespeare** Robert Sawyer, 2003 Swinburne it may also be used to promote more conservative policies and literary interpretations in other writers such as Robert Browning and Charles Dickens **Shakespeare and the Stars** Priscilla Costello, 2016-03-15 To celebrate the 400th anniversary of Shakespeare's death this book offers fresh and exciting insights

into the ever popular works of the world's greatest playwright. It specifically highlights Shakespeare's use of the archetypal language of astrological symbolism in both obvious and subtle ways. Such references would have been commonly known in Shakespeare's time but their deeper significance is lost to modern day playgoers and readers. The first half of the book describes the Elizabethan worldview and how the seven known planets were considered an integral part of the cosmos and instrumental in shaping human character. The second half of the book examines six of Shakespeare's best loved plays in the light of astrological symbolism showing how they are entirely keyed to a specific zodiacal sign and its associated or ruling planet. The chosen plays are *A Midsummer Night's Dream*, *Romeo and Juliet*, *The Merchant of Venice*, *Macbeth*, *The Tempest* and *King Lear*. Each chapter incorporates information and examples from astrological tradition, classical and Renaissance philosophy, Greek and Roman mythology, esoteric wisdom, modern psychology, especially that of C. G. Jung, and great literature. Thoroughly researched and well illustrated, this book illuminates the plays from a fresh perspective that will deepen and profoundly transform how we understand them. *Shakespeare's Serial Returns in Complex TV* Christina Wald, 2020-11-13. This book examines how Shakespeare's plays resurface in current complex TV series. Its four case studies bring together *The Tempest* and the science fiction Western *Westworld*, *King Lear* and the satirical dynastic drama of *Succession*, *Hamlet* and the legal thriller *Black Earth Rising* as well as *Coriolanus* and the political thriller *Homeland*. The comparative readings ask what new insights the twenty-first century remediations may grant us into Shakespeare's texts and vice versa how Shakespearean returns help us understand topical concerns negotiated in the series such as artificial intelligence, the safeguarding of democracy, terrorism and postcolonial justice. This study also proposes that the dramaturgical seriality typical of complex TV allows insights into the seriality Shakespeare employed in structuring his plays. Discussing a broad spectrum of adaptational constellations and establishing key characteristics of the new adaptational aggregate of serial Shakespeare, it seeks to initiate a dialogue between Shakespeare studies, adaptation studies and TV studies. **Shakespeare and Shakespeareana** Maggs Bros, 1927. **Worldly Shakespeare** Richard Wilson, 2016-02-02. In *Worldly Shakespeare* Richard Wilson proposes that the universalism proclaimed in the name of Shakespeare's playhouse was tempered by his own worldliness, the performative idea that runs through his plays that if 'All the world's a stage' then all the men and women in it are merely players. Situating this playacting in the context of current concerns about the difference between globalization and mondialisation, the book considers how this drama offers itself as a model for a planet governed not according to universal toleration but the right to offend. But with good will. For when he asks us to think we have but slumbered throughout his offensive plays, Wilson suggests Shakespeare is presenting a drama without catharsis which anticipates post-structuralist thinkers like Jacques Rancière and Slavoj Žižek who insist the essence of democracy is dissent and the presence of two worlds in one. Living out his scenario of the guest who destroys the host by welcoming the religious terrorist, paranoid queen, veiled woman, papist, diehard or puritan fundamentalist into his play world, *Worldly Shakespeare* concludes the dramatist instead provides a pretext for our globalized

communities in a time of Facebook and fatwa as we also come to depend on the right to offend with our good will

Shakespeare's Bawdy Eric Partridge, 2001 This classic work fully explains the whole range of sexual scatological language and allusion in Shakespeare's works Consisting of an alphabetical glossary with cross references this book helps the modern reader to make sense of the bawdy

CliffsNotes on Shakespeare's The Tempest Sheri Metzger, 2007-08-20

The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In CliffsNotes on The Tempest you follow the famous story of Prospero and his daughter Miranda Through magic Prospero conjures up a storm that brings a ship full of his enemies to the island on which he and Miranda live What follows is Shakespeare's comic masterpiece that's full of intrigue and romance Summaries and commentaries lead you act by act through this Shakespearean classic and critical essays give you insight into the play as a political romance Other features that help you study include Character analyses of the main characters A character map that graphically illustrates the relationships among the characters A section on the life and background of William Shakespeare A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides
