Under Construction Dug McGuirk, 2019-06-11 This so called life is a journey and it doesn't matter who you are you are special and unique with something to offer and enjoy period The obstacles and detours the roads present are not any easier in one car or another it just boils down to how you navigate your way through and around them One of McGuirk's key principles centers on the concept of State i.e. your state of mind how you feel State is the emotional fuel you want to fill up on the things or experiences that make you feel good Most people have been fueling up the wrong way their entire life and their state is not what it ought to be They fill up on poor quality emotions then spend their lives trying to escape important things because they can't find a way to derive pleasure from them One of the worst things people fill up on is alcohol and drugs sure it helps temporarily but it doesn't take long before they're coughing and sputtering on the exit ramp and nothing works for them any more they're feeling guilty unfulfilled empty Fueling up the right way is what successful people do they fill up with it first thing in the morning every day of their lives They create their own happiness because they know that by feeling great it will be easier to attain the abundance and success they really want For the millions of people fueled on desperation broken down and in need of repair *Under Construction* is a shop It is the place to learn how to give yourself a tune up McGuirk provides all the tools you need to keep from struggling on the road but ultimately it's your shop you are the mechanic If you're ready and willing to turn your world around and start really enjoying

The Journey Thomas Herrington,2010-11 Life is more than a destination Every life has a beginning and an end but it is what transpires between these two points that defines the person and changes those he comes in contact with Jesus life serves as an example of a life lived truly lived where in every moment He embraced the divine appointments along the pathway before Him One day Jesus headed to the Gerasenes to share God s love but on the way a possessed man was set free a woman with a chronic illness was healed a girl was raised from the dead and a family was forever changed This day had no agenda no three ring binder of to do lists and yet every step of the way was an appointment to bring Heaven to the broken and bring glory to God The same is true with us Every moment is a divine opportunity to see God at work God seeks to capture us to have us fully aware that each step each breath is intertwined with His will He wants us to listen to learn and to serve Him every moment The pages of this book will speak to you and encourage you to acknowledge the lessons from God that are all around and to remind you that God s purpose is fulfilled in each step of your life on *The Journey* **Gonna Do Great Things** Gary Fishgall,2010-06-15 A major reappraisal of the life of legendary entertainer Sammy Davis Jr *Gonna Do Great Things* is at once an intimate portrait and an exuberant celebration of a wholly American icon Through his multifaceted talent and personality Sammy became one of the most magnetic and contentious figures in modern entertainment history His outstanding talents as a dancer singer actor impressionist and comedian combined with his close association with megastars and his interracial marriage made him a celebrity in the truest sense Born in Harlem in 1925 Sammy debuted onstage with Will Mastin s vaudeville troupe when he was only three years old He was an instant hit and his talent propelled him into one of the most luminous entertainment careers of his generation No one could please a crowd like Sammy whose overwhelming energy and infectious humor exhilarated audiences for sixty years However Sammy s life was not without hardship and his high spirited attitude often masked a fragile ego From an impoverished broken home he lacked even a single day of formal education and the rigors of his blossoming show business career denied him the traditional pleasures of childhood Racism constantly affected his life particularly when he joined the army in 1943 Because he refused to acknowledge any race related restrictions his very existence became a political statement An active member of the Civil Rights movement and America s first African American superstar Sammy paved the way for other black entertainers As a charter member of the Rat Pack Sammy spent the 1950s and 1960s basking in an image of cool and endearing himself to the public But by the 1970s he was

relying on cocaine and alcohol flirting with Satanism indulging in scandalous sexual behavior and becoming the punchline of jokes on Saturday Night Live Though his fans still adored him his performances suffered A four pack a day smoker Sammy succumbed to cancer when he was sixty four shortly after celebrating six decades in the spotlight Renowned biographer of Hollywood giants Jimmy Stewart Burt Lancaster and Gregory Peck Gary Fishgall brings an actor s and director s understanding of the entertainment industry to Sammy s complicated existence Meticulously researched and filled with insights gathered from interviews with those who knew Sammy best *Gonna Do Great Things* reveals the fascinating and controversial life of this beloved entertainer **New York Magazine** ,1997-09-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Across the Bridge* Elizabeth James,2004-12-07 This is the continuing story of two men alike in many ways who travel far from their native land but are both drawn back to Durham the spectacular mediaeval city that dominates the northeastern counties of England But there is a difference Six hundred years separates the lives of the two men Oswald who has seen action in France and England is loyal to his King Edward III who is also called Plantagenet When Oswald sees that the lives of Edward and his son John of Lancaster called John of Gaunt by many modern historians are in jeopardy he calls to his descendent James Simpson for help James Simpson is a scientist of world renown who turns his talents to writing historical fiction After returning to his native Durham he settles into a quiet village hoping to continue his writing But when Oswald contacts him he realizes that they are closer in relationship and behavior than he had believed Simpson is surprised to find that Oswald is reaching out to him from the past He is also surprised that Oswald has a mission for him that requires being transported back into the fourteenth century Simpson cannot resist being personally drawn into the mystery With the exception of the main fictional characters in the story the book is a historically accurate account of life in the fourteenth century and the politics that surrounded the throne of England Catalog of Copyright Entries Library of Congress. The Power of Kiowa Song Luke E. Lassiter, 1998-09-01 Many Kiowas believe that song is a gift from God Its power argues Luke E Lassiter rests in the many ways that community members hear understand and feel it Song has power As I begin to understand what this means for my mentors I am just beginning to understand what this means in my life They are not just singers They are vehicles for something greater than all of us Indeed I now understand that I am not just a singer But I will sing until I die As a boy Lassiter had an early fascination with pow wows This interest eventually went from a hobby to a passion As Lassiter made Kiowa friends who taught him to sing and traveled the pow wow circuit serving many times as a head singer he began to investigate and write about the pow wow as an experiential encounter with song The Power of Kiowa Song shows how song is interpreted created and used by individuals how it is negotiated through the context of an event and how it emerges as a powerfully unique and specific public expression The Power of Kiowa Song presents a collaborative community wide dialogue about the experience of song Using conversations with Kiowa friends as a frame Lassiter seeks to describe the entire experience of song rather than to analyze it solely from a distance Lassiter's Kiowa consultants were extremely active in the writing of the book re explaining concepts that seemed difficult to grasp and discussing the organization and content of the work In a text that is engaging and easily read Lassiter has combined experiential narrative with ethnological theory to create a new form of collaborative ethnography that makes anthropology accessible to everyone This book is designed for anyone interested in Native American studies or anthropology and it also serves as a resource written by and for the Kiowa themselves Hear the Power of Kiowa Song
