Shalom, Haver Barbara Sofer, 1996 A photo essay in memory of Yitzhak Rabin the Israeli prime minister who was assassinated in 1995 *Israel in the Making* Hagar Salamon, 2017-03-27 The brilliant kaleidoscope of everyday creativity in Israel is thrown into relief in this study which teases out the abiding national tensions and contradictions at work in the expressive acts of ordinary people Hagar Salamon examines creativity in Israel's public sphere through the lively discourse of bumper stickers which have become a potent medium for identity and commentary on national and religious issues Exploring the more private expressive sphere of women's embroidery she profiles a group of Jerusalem women who meet regularly and create folk embroidery Salamon also considers the significance of folk expressions at the intersections of the public and private that rework change and embrace transformation Far ranging and insightful *Israel in the Making* captures the complex creative essence of a nation state and vividly demonstrates how its citizens go about defining themselves others and their country every day **The Clinton Tapes** Taylor Branch, 2009-09-29 Former President Bill Clinton speaks intimately over seven years to his long time friend a Pulitzer Prize winning historian about what it's like to be president Providing illuminating commentaries on major issues these conversations depict Clinton as a principled man with a restless intellect b w photographs **Shalom, Haver - Goodbye Friend** Barbara Sofer, 1996 A photo essay in memory of Yitzhak Rabin the Israeli prime minister who was assassinated in 1995 **The Men We Loved** Danny Kaplan, 2006 Follows selected stories of friendship ranging over early childhood school the workplace and some unique war experiences This book explores the symbolism of friendship in rituals for the fallen soldiers the commemoration of Prime Minister Yitzhak Rabin and the national infatuation with recovering bodies of missing soldiers BOOKJACKET **The Resistible Rise of Benjamin Netanyahu** Neill Lochery, 2016-11-15 The first English language biography of Benjamin Netanyahu the divisive and controversial Prime Minister of Israel Benjamin Netanyahu is the longest serving Prime Minister of Israel For much of the world Netanyahu is a right wing nationalist zealot for many Israelis he is a centrist who is too soft on Arabs and backs down too easily in a fight Love him or loathe him Netanyahu has been at the very center of Arab Israeli politics since 1990 when he became the telegenic Israeli spokesman for CNN's coverage of the Persian Gulf War arguably ushering in the Americanization of the Israeli media Netanyahu is famous for his TV skills but there is so much more to reveal good and bad about the man and his place in Israeli Middle Eastern and world political history Using the juncture of the Oslo Accords to take the reader back to Netanyahu's formative years Neill Lochery a renowned scholar of Middle Eastern politics and history chronicles not only the Prime Minister's life but also the issues his career has encompassed from the rise of militant Islam to the politics of oil from the transformation of Israeli politics by the 24/7 cable news cycle to the US's changing role in the Middle East **The Fall of the House of Bush** Craig Unger, 2007-11-13 The presidency of George W Bush has led to the worst foreign policy decision in the history of the United States the bloody unwinnable war in Iraq How did this happen Bush's fateful decision

was rooted in events that began decades ago and until now this story has never been fully told From Craig Unger the author of the bestseller House of Bush House of Saud comes a comprehensive deeply sourced and chilling account of the secret relationship between neoconservative policy makers and the Christian Right and how they assaulted the most vital safeguards of America s constitutional democracy while pushing the country into the catastrophic quagmire in the Middle East that is getting worse day by day Among the powerful revelations in this book Why George W Bush ignored the sage advice of his father George H W Bush and took America into war How Bush was convinced he was doing God s will How Vice President Dick Cheney manipulated George W Bush disabled his enemies within the administration and relentlessly pressed for an attack on Iraq Which veteran government official with the assent of the president s father protested passionately that the Bush administration was making a catastrophic mistake and was ignored How information from forged documents that had already been discredited fourteen times by various intelligence agencies found its way into President Bush s State of the Union address in which he made the case for war with Iraq How Cheney and the neocons assembled a shadow national security apparatus and created a disinformation pipeline to mislead America and start the war A seasoned award winning investigative reporter connected to many back channel political and intelligence sources Craig Unger knows how to get the big story and this one is his most explosive yet Through scores of interviews with figures in the Christian Right the neoconservative movement the Bush administration and sources close to the Bush family as well as intelligence agents in the CIA the Pentagon and Israel Unger shows how the Bush administration s certainty that it could bend history to its will has carried America into the disastrous war in Iraq dooming Bush s presidency to failure and costing America thousands of lives and trillions of dollars Far from ensuring our security the Iraq War will be seen as a great strategic pivot point in history that could ignite wider war in the Middle East particularly in Iran Provocative timely and disturbing The Fall of the House of Bush stands as the most comprehensive and dramatic account of how and why George W Bush took America to war in Iraq

Contemporary Israel Robert O Freedman,2018-05-04 This book provides the reader with a balanced understanding of both the dynamism and the complexity of Israeli politics It is devoted to Israel s domestic politics which includes right wing and left wing parties Israel s main interest group parties Israeli security and foreign policy issues **Yitzhak Rabin's Assassination and the Dilemmas of Commemoration** Vered Vinitzky-Seroussi,2010-07-02 How does a society cope with the challenge of acknowledging and commemorating difficult aspects of its past In Yitzhak Rabin s Assassination and the Dilemmas of Commemoration Vered Vinitzky Seroussi develops a timely sociology of commemoration drawing on the public memory of Israel s Prime Minister Yitzhak Rabin who was assassinated at the end of a peace rally in Tel Aviv in 1995 She identifies and analyzes the building blocks from which commemoration is made agency space time and narrative Acting as a guide she leads the reader through monuments and gravestones memorial services and political demonstrations rituals both moving and banal and individuals determined to remember as well as those who wish to forget Yitzhak Rabin s Assassination

and the Dilemmas of Commemoration examines the meanings boundaries opportunities and limits of commemoration a phenomenon not unique to Israel but shared by many nations across the globe **A Covenant in Shanghai** David Brailovsky,2000-01-20 A Covenant in Shanghai is about survival and alienation We follow Daniel and his three friends as they grow from childhood to adolescence and to early manhood We share their tensions frustrations and their anxieties as they struggle to survive by overcoming the temptations that this sybaritic and decadent city offers at every corner It is about alienation of not accepting and of not being accepted by an ancient and proud culture The four friends do not feel at home in the East nor are they comfortable in the West They have to learn how to live and survive in this limbo The four boys of different backgrounds American English French and Russian accentuate the kaleidoscopic nature of a fascinating yet often ominous and tragic lifestyle This is also the story of the survival of a majestic and resilient city that suffers with dignity the humiliations of shortages the ravages of epidemics the conflict of political ideologies and refuses to be conquered by desecrations of wars This multi ethnic multicultural metropolis is neither Western nor Chinese Like its population it is alien to both It is a tragic hybrid grafted on the map of China Faith for Beginners Aaron Hamburger,2006-11-14 An acclaimed short story writer has created a miraculous first novel about an American family on the verge of a breakdown and an epiphany In the summer of 2000 Israel teeters between total war and total peace Similarly on edge Helen Michaelson a respectable suburban housewife from Michigan has brought her ailing husband and rebellious college age son Jeremy to Jerusalem She hopes the journey will inspire Jeremy to reconnect with his faith and find meaning in his life or at least get rid of his nose ring It s not that Helen is concerned about Jeremy s sexual orientation after all her other son is gay as well It s merely the matter of the overdose Just like Liza Jeremy had told her the green hair and what looks like a safety pin stuck through his face After therapy unconditional love and tough love why not try Israel Yet in seductive and dangerous surroundings with the rumbling of violence and change in the air in a part of the world where there are no modern times mother and son become new old and surprising versions of themselves Funny erotic searingly insightful and profoundly moving Faith for Beginners is a stunning debut novel from a vibrant new voice in fiction **The Path to Geneva** Yossi Beilin,2004-06-01 From the early days of the secret Oslo talks through the recent crises and new developments in Israel and Palestine Yossi Beilin has been at the center of it all This book highlights his intensive and historic meetings with President Clinton Ehud Barak Shimon Peres Hosni Mubarek King Hussein of Jordan and Madeleine Albright as well as Beilin s crucial connections with such seminal Arab leaders as Yassir Arafat Saeb Erekat Faisal Husseini and the first prime minister of Palestine Abu Mazen The Beilin Mazen agreements are the basis of the current road map to Middle East peace The reader is carried with Beilin to Bill Clinton s Oval Office Mubarek s Cairo Hussein s Amman and many other centers of global power becoming privy to historic encounters and the surprising details of those negotiations both public and secret In Path we learn how Beilin came to be this world leader in search of peace how he overcame all the inherent difficulties how he interfaced

with world leaders and how he sees a solution to this ancient problem that creates a fair resolution for all sides This book is an extremely important and inspiring document giving hope via pragmatism and the personal will of a dedicated brilliant diplomat and visionary participant in this most challenging of arenas Dr Yossi Beilin served as Israel's Minister of Justice from 1999 to 2001 A member of the Knesset for 11 years Beilin has held ministerial positions in the governments of Rabin Peres and Barak He is a leading proponent of the peace process and initiated the secret talks resulting in the 93 Oslo Accords He is the author of several books including *Israel A Concise Political History* *Touching Peace* and *The Manual For Leaving Lebanon*

The Iron Wall Avi Shlaim, 2015-07-30 Avi Shlaim's *The Iron Wall* Israel and the Arab World is the outstanding book on Israeli foreign policy now thoroughly updated with a new preface and chapters on Israel's most recent leaders In the 1920s hard line Zionists developed the doctrine of the Iron Wall negotiations with the Arabs must always be from a position of military strength and only when sufficiently strong Israel would be able to make peace with her Arab neighbours This doctrine argues Avi Shlaim became central to Israeli policy dissenters were marginalized and many opportunities to reconcile with Palestinian Arabs were lost Drawing on a great deal of new material and interviews with many key participants Shlaim places Israel's political and military actions under an uncompromising lens His analysis will bring scant comfort to partisans on both sides but it will be required reading for anyone interested in this fascinating and troubled region of the world *The Iron Wall* is strikingly fair minded scholarly cogently reasoned and makes enthralling reading Philip Ziegler *Daily Telegraph* Anyone wanting to understand the modern Middle East should start by reading this elegantly written and scrupulously researched book Trevor Royle *Sunday Herald* A milestone in modern scholarship of the Middle East Edward Said *Fascinating* Shlaim presents compelling evidence for a revaluation of traditional Israeli history Ethan Bronner *The New York Times Book Review* Avi Shlaim is Professor of International Relations at St Antony's College Oxford His previous books include *Collusion Across the Jordan* 1988 and *War and Peace in the Middle East* 1995

Mothers in the Jewish Cultural Imagination Marjorie Lehman, Jane L. Kanarek, Simon J. Bronner, 2017-08-01 Most Jews will feel intimately familiar with and attached to the figure of the Jewish mother yet few have questioned representations of mothers and motherhood in Jewish culture This volume aims to fill this gap by bringing to the fore the vast network of symbols and images which Jews have associated with mothers from the Bible to the modern period It demonstrates the complex ways in which the Jewish mother has been used to construct and frame Jewish religion and culture Conférence Moshé Flato 1999 Giuseppe Dito, Daniel Sternheimer, 2000-07-31 These two volumes constitute the Proceedings of the Conference Moshé Flato 1999 Their spectrum is wide but the various areas covered are in fact strongly interwoven by a common denominator the unique personality and creativity of the scientist in whose honor the Conference was held and the far reaching vision that underlies his scientific activity With these two volumes the reader will be able to take stock of the present state of the art in a number of subjects at the frontier of current research in mathematics mathematical physics and physics Volume I is prefaced by reminiscences of and tributes to Flato s life and work It also includes a section on the applications of sciences to insurance and finance an area which was of interest to Flato before it became fashionable The bulk of both volumes is on physical mathematics where the reader will find these ingredients in various combinations fundamental mathematical developments based on them and challenging interpretations of physical phenomena Audience These volumes will be of interest to researchers and graduate students in a variety of domains ranging from abstract mathematics to theoretical physics and other applications Some parts will be accessible to proficient undergraduate students and even to persons with a minimum of scientific knowledge but enough curiosity **American Jewish Year Book 1997** David Singer, Ruth R.
