Katz, 1994-06-02 Each year since 1983 the American Council of Learned Societies has invited one of America's leading scholars to deliver the Haskins Lecture in honor of Charles Homer Haskins a distinguished scholar and teacher who was instrumental in the founding of the ACLS In this volume which commemorates the 75th anniversary of the ACLS Douglas Greenberg and Stanley Katz bring together the lectures presented by ten of America's most distinguished scholars Each lecture is a personal and intellectual glimpse into the life of learning of such leading scholars as Maynard Mack Annemarie Schimmel and John Hope Franklin The lectures focus on self reflection of lives dedicated to learning rather than on scholarship in the usual sense of the term Ranging from being forced to learn Latin to painful memories of war and racism the lecturers all recount stories from their eventful lives Each offers thoughts on the body of work he or she has produced and the forces personal and intellectual that have shaped it The scholars bring something of their disciplines to the lecture sharing not only personal anecdotes but their love of learning The Winds Of Grace, 2020-01-01 Drawing from the finest and most authentic texts available in the original Persian Farsi language Vraje Abramian offers this extensive collection of stories teachings and poetry from both major and unknown saints and mystics in the Sufi tradition Winds of Grace is a fresh and extensive collection that will both instruct and encourage individuals on the path of love and transformation Readers today need such roadmaps of sanity and wisdom pointing the way through life s obstacles and detours Indeed reading the works of saints and sages serves as a GPS for today s wayfarer The reader will find selections from today s most well recognized and highly acknowledged Masters like Rumi and Hafiz as well as hidden saints such as Sheikh Biabanaki and Sheikh Ali Mesri More uniquely however this book also introduces us to teachings and anecdotes of the obscure hermit the mad but unknown dervish the crazy naked ascetic Whether the mainstream punished tolerated or ignored these crazy wise people those who knew something about the pain they spoke of venerated them as saints Centuries ago many of these voices offered a shock to his or her contemporaries jarring them from the complacency that makes automatons of human beings Other voices contained a paradoxical twist on the religious life or practice of the times yet were soaked with an age old wisdom that is still vital to spiritual practitioners today The translator and editor Vraje Abramian advises readers that these secret sages often had to protect themselves from the powers that be in their society and therefore cloaked their

messages in words that only disciples and initiates or those with a vulnerable mind and open heart could actually decipher He further reminds us that the language adopted by Sufi teachers was designed to break the habits that normally deaden our sensitivities Abramian has therefore selected pieces that remind us to wake up to take stock to continue carefully observing ourselves And by vigilant sequencing of topics his book gently guides readers toward the essence truths or core teachings of these wise ones The translator is uniquely qualified to make this offering to religious studies today As an Iranian by birth a lifelong practitioner of spiritual disciplines and an accomplished teacher of English his renderings are characterized by Roads to Paradise: Eschatology and Concepts of the Hereafter academic authority poetic word craft and spiritual wisdom in Islam (2 vols.)
