## **Shantung Compound:**

**Shantung Compound** Langdon Gilkey, 2024-03-19 An American's diary of life in a WWII Japanese internment camp examining the moral challenges encountered in conditions of confinement and deprivation Langdon Gilkey was a young American teacher at Yenching University near Peking China when the Japanese military under wartime pressure rounded up all foreigners into an internment camp Two and a half years later they were released Shantung Compound is based on a journal Dr Gilkey kept during his imprisonment The prisoners represented a cross section of humanity There were businessmen professors missionaries importers lawyers doctors junkies prostitutes little children the old and infirm The moral problems arising in this polyglot community were shocking and the responses often surprising The camp became a living laboratory a miniature society that illustrated the human condition and moral dilemmas in a way that would not have been possible had more conventional conditions prevailed Shantung Compound is a fascinating memoir that is both a vivid diary of prison life and a theologian's mature reflection on the condition of man in times of stress Time magazine

Shantung compound Langdon Gilkey, 1966 **Christian Heroes - Then and Now - Eric Liddell Unit Study** Janet Benge, Geoff Benge, 2001-06 Curriculum guide for use with the author's Eric Liddell something greater than gold POW Baseball in World War II Tim Wolter, 2001-12-18 Nearly 130 000 American soldiers and 19 000 American civilians were captured by the enemy during the Second World War The conditions under which they were held varied enormously but baseball in various forms was a common activity among these prisoners of war Not just Americans but Canadians British Australians and New Zealanders took the field as well as the Japanese and even a few Germans In the best of the German Stalags permanent German camps where these prisoners were held shortened from Stamm Lager there were often several leagues active at a time with dozens of teams playing games continuously during the warm weather months In the harsher Stalags and in some Japanese camps there was only makeshift ball playing In places like Camp O'Donnell the worst of the camps there was no energy left for anything but the struggle to survive This work is the story of POW baseball complete with guard versus prisoner ball games radio parts hidden in baseballs and future major leaguers The book is divided into the various prison camps and describes the types of prisoners held there and the degree to which baseball was played

**Where in the World Is Integrity?** Bruce B. Roberts, Craig D. Rice, Joe E. Smith, The authors share heartening stories of integrity as seen and told by ordinary people and they encourage people to notice the many acts of integrity around them and then discuss with others what they have observed For the Glory Duncan Hamilton, 2016-05-10 Hamilton is a guarantee of quality Financial Times Duncan Hamilton's compelling biography puts flesh on the legend and paints a vivid picture of not only a great athlete but also a very special human being Daily Mail The untold and inspiring story of Eric Liddell hero of Chariots of Fire from his Olympic medal to his missionary work in China to his last brave years in a Japanese work camp during WWII Many people will remember Eric Liddell as the Olympic gold medalist from the Academy Award winning film

Chariots of Fire Famously Liddell would not run on Sunday because of his strict observance of the Christian sabbath and so he did not compete in his signature event the 100 meters at the 1924 Paris Olympics He was the greatest sprinter in the world at the time and his choice not to run was ridiculed by the British Olympic committee his fellow athletes and most of the world press Yet Liddell triumphed in a new event winning the 400 meters in Paris Liddell ran and lived for the glory of his God After winning gold he dedicated himself to missionary work He travelled to China to work in a local school and as a missionary He married and had children there By the time he could see war on the horizon Liddell put Florence his pregnant wife and children on a boat to Canada while he stayed behind his conscience compelling him to stay among the Chinese He and thousands of other westerners were eventually interned at a Japanese work camp Once imprisoned Liddell did what he was born to do practice his faith and his sport He became the moral center of an unbearable world He was the hardest worker in the camp he counseled many of the other prisoners he gave up his own meager portion of meals many days and he organized games for the children there He even raced again For his ailing malnourished body it was all too much Liddell died of a brain tumor just before the end of the war His passing was mourned around the world and his story still inspires In the spirit of *The Boys in the Boat* and *Unbroken* For the Glory is both a compelling narrative of athletic heroism and a gripping story of faith in the darkest circumstances

**Selections from Shantung Compound** Langdon Gilkey,1997 **The Letters of John** Gary M. Burge,2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context John weaves together themes of light and darkness falsehood and truth and what it means to be children of God in community He explores the theme of love as central to God s nature and thus as the defining characteristic of those who follow him The Letters of John teach us about handling conflict discerning orthodox belief and measuring Christian conduct Gary Burge shares perspectives on John s letters that reveal their enduring relevance for our twenty first century lives To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written *Authentically Emergent* R. Scott Smith,2018-08-08 Are Brian McLaren Tony Jones Doug Pagitt and Rob Bell yesterday s news as many evangelicals seem to think Truth and the New Kind of Christian 2005 tried to provide a balanced assessment of McLaren s and Jones s views But they seem to be right about much more that is affecting

evangelicals than was realized then Also that book misunderstood one of their core claims everything is interpretation Moreover their views have developed over the years e g ethically about colonialism its influences and how we should live now They also have advanced several further claims about the gospel and traditional doctrines To what extent should Christians embrace their views Are these the ways to go forward toward a more authentic Christianity one that is morally better and a better fit for our times Like Truth this book gives careful attention to their thought It also offers its own portrait of major shaping influences on Western Americanized Christianity But there remains a root issue that keeps the Western church whether progressive emergents or evangelicals in its Babylonian captivity It is liberation from that root that will lead to an authentically emergent Christianity

*Creating Campus Community* William M. McDonald, 2007-07-23 We have at our disposal one of the greatest vehicles for community building known to humankind the one called education from the foreword by Parker Palmer Connecting authentically and deeply with others across all dimensions of life enriches the human spirit The sense of community resulting from such connections is a hallmark of a supportive campus environment which we know is an important factor in enhancing student learning The contributions to this book offer a vision we can work toward and provide instructive examples from different types of institutions to point the way George D Kuh chancellor s professor and director National Survey of Student Engagement Indiana University Ernie Boyer was a giant in higher education This book a resource guide focuses on one of his great loves campus community The book examines his contributions and offers a compelling agenda for action Arthur Levine president Teachers College Columbia University This well written and timely book draws on the lessons learned from five very different institutions as they attempted to address a major challenge to higher education building effective campus communities Practitioners will find this to be an invaluable resource and guide as they attempt to bring Ernie Boyer s vision to life on their campuses A great tribute to one of America s leading educators Charles C Schroeder professor of higher education University of Missouri Columbia There is no topic more important in higher education today than creating campus community McDonald and his associates have indeed lived up to Ernest Boyer s legacy by presenting us with a remarkable set of campus models for us to admire and emulate Yolanda T Moses president American Association for Higher Education This book comes at an auspicious time of educational transformation Like the Boyer Center this book s fundamental priority in meeting today s challenging new realities is the discovery and creation of new forms of community Glen R Bucher executive director the Boyer Center

*Postcolonial Public Theology* Paul S Chung, 2017-07-27 *Postcolonial Public Theology* is a tour de force a study in theological reflection in conversation with the most compelling intellectual discourses of our time that offers prophetic challenge to the hegemony of economic globalisation While evolutionary science searches for an ethically responsible practice of rationality and inter religious engagement forces Christians to grapple with the realities of cultural hybridity *Postcolonial Public Theology* makes the case for public theology to turn toward postcolonial imagination demonstrating a fresh rethinking of the public and global issues that continue to

emerge in the aftermath of colonialism Paul S Chung provides students and scholars with a fascinating framework for imagining a polycentric Christianity as well as for discussing the continuing importance of Christian theology in the public arena

*Being Church* John F. Alexander, 2012-07-01 What modern church doesn't call itself a community Yet for how many is it real How many churches form disciples intimately connected enough to call themselves Christ's body How many form disciples who know the relational arts that create a robust unity How many form disciples practiced in the ways of sacrificial love Pastor John Alexander a thirty year veteran of living in Christian communities yearns for all the wonder and promise of the New Testament vision of church to come true After struggling with Scripture in live together church communities he shares the Scriptural practices and wisdom that make for an authentic sustainable and joyful life together For any person or church wanting to move beyond the cliché of community to the radical vision of the New Testament this book is an invaluable guide

*Joy Renewed* Benjamin Fischer, Cedric Kanana, 2021-07-23 Countless Americans suffer from chronic joylessness through meaningless work and the loss of significant human connection Often called an age of despair late modernity desperately needs joy and although Christians are the ones who have access to it many have tragically forgotten how to find it Joy Renewed takes a hard look at what afflicts Western society including Christians and provides a reorientation of life that opens the heart to God's good design Fischer and Kanana bring together truth from biblical narratives with glittering insights from the experience of East African suffering to dissect contemporary social ills and offer a layered prescription for rediscovering joy

*Unless a Grain of Wheat* W. A. Willis, 2010-01-24 This is a biography of G Christopher Willis a Canadian missionary to China from 1921-1949 His Christian literature publishing and distribution was the last Protestant missionary work in China after the Communist takeover continuing for another ten years under Communist rule At a time when the church in China entered a period of prolonged spiritual famine there remained a storehouse of Christian literature to feed the hungry and build up spiritual leaders enabling them to faithfully feed their flocks Today the church in China is the single most powerful witness of New Testament Christianity standing as a witness to the Western church as it flounders in materialism and liberalism This book is also a study of spiritual fruitfulness using the biography as a case study to understand Jesus words Unless a grain of wheat and their practical meaning in daily life There is a way forward for a floundering Western church to follow along the narrow path that Jesus has called it to walk

**On Secular Governance** Ronald W. Duty, Marie A. Failing, 2016-04-05 This volume puts forth an unprecedented distinctive Lutheran take on the intersection of law and religion in our society today On Secular Governance gathers the collaborative reflections of legal and theological scholars on a range of subjects women's issues property law and the environment immigration reform human trafficking church state questions and more all addressed from uniquely Lutheran points of view

*Earth-Honoring Faith* Larry L. Rasmussen, 2015 Larry L Rasmussen offers a dramatic new way of thinking about human society ethics and the health of our planet Rejecting the modern ethical assumption that morality applies to human society alone Earth honoring

Faith argues that we must derive a system of ethics and morality that accounts for the wellbeing of all creation on Earth

Lectionary Preaching Workbook, Series VI, Cycle B E. Carver McGriff, 1999-06 I would like to enter a partnership with you sharing what these assigned passages say to me setting forth what I might do with each assigned text hopefully igniting ideas in your busy and at times overburdened mind and spirit so that together we may bring that word from the Lord My hope is not to take the work entirely out of sermon preparation but to generate a process whereby the busy sometimes overworked preacher can get off to a running start

Created in God's Image Anthony A. Hoekema, 1994-09-06 according to Scripture humankind was created in the image of God Hoekema discusses the implications of this theme devoting several chapters to the biblical teaching on God's image the teaching of philosophers and theologians through the ages and his own theological analysis Suitable for seminary level anthropology courses yet accessible to educated laypeople Extensive bibliography fully indexed

**A New Handbook of Christian Theologians** Donald W. Musser, 1996-09-01 In recent years the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology liberation theology feminist theology and womanist theology To survey this abundance and diversity of current Christian theology this book examines the theologies of representative theologians Particularly to help students navigate the sea of information the editors have identified various routes for reading and have traced several threads or issues common to many of the essays thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology their variant assumptions and conclusions about the nature of God their divergent approaches to understanding the person and purpose of the Christ and their distinct expectations for the destiny of history and faith

*Bible and Ethics in the Christian Life* Bruce C. Birch, 1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority Uses of Scripture in Christian ethics
