economics religion language and the writing system food and customs sports and martial arts crafts and architecture important Chinese figures outside of mainland China important Westerners in China *Chinese Buddhism and Traditional Culture* Litian Fang, 2018-11-21 Since the first century when Buddhism entered China the foreign religion has influenced and been influenced in turn by traditional Chinese culture and eventually became an important part of it That is one of the great historical themes not only for China but also for East Asia This book explores the elements of Buddhism including its classics doctrines system and rituals to reveal the basic connotation of Buddhism as a cultural entity Regarding the development of Buddhism in China it traces the spread in chronological order from the introduction in Han Dynasties 202 BC 220 AD to the prosperity in the Sixteen Kingdoms ca 304 439 AD and then to the decline since the Five Dynasties 907 ca 960 AD It is noteworthy that the Buddhist schools in the Southern and Northern Dynasties 420 589 AD and the Buddhist sects in Sui and Tang Dynasties 581 907 AD contributed to the sinicization of Buddhism This book also deals with the interesting question of the similarities and differences between Chinese Buddhism and Indian Buddhism to examine the specific characters of the former in terms of thought and culture In the last chapter the external influence of Chinese Buddhism in East Asia is studied Scholars and students in Buddhism and Chinese culture studies especially those in Buddhist countries will benefit from the book Also it will appeal to readers interested in religion Chinese culture and ancient Chinese history

Cultural Symbols of China: Spring Festival, Sweet Time for Family Reunion 2021-01-01 Although times change the traditional Chinese Lunar New Year is always the most important festival mirroring the deepest feeling and simplest wishes of all Chinese Family reunion is the eternal theme of the Spring Festival No matter where you are all have to go back home to reunite with their parents and kith and kin The unique concept of family and kinship of the Chinese which has passed down from generation to generation has become a cultural gene flowing in the blood of Chinese people for numerous centuries On Lunar New Year's Eve most people choose to sit glued to their mobile phones sending blessings to relatives and friends distributing or snapping up Hongbao gift money through WeChat as a modern form of greeting and at the same time they may also watch the annual CCTV Spring Festival Gala is being broadcast live The subsequent seven day holiday will be full of various feasts or dinner parties Of course some people may make good use of the time to travel with their families within the country or abroad

Henning's Scholarly Works on Chinese Combative Traditions Stanley Henning, 2018-03-09 What we think are Asian martial arts is usually derived by Hollywood images fanciful novels and a superficial idea of what role combatives played in the long histories of Far Eastern countries There are only a few people in the world who can truly be called scholars in this field A leading figure in the USA for the study of Chinese martial traditions is Stanley Henning This special anthology is a collection of Henning's superb articles that were previously published in the *Journal of Asian Martial Arts* including one he co wrote with Marnix Wells a leading British scholar on Chinese martial traditions Henning has little patience for those who miss the original essence of practical martial arts and who fell under the

enticement of flowery boxing True combative arts are not play although they influenced other practices In the fifteen chapters included here you ll find a strong historic base for what the martial arts meant in old China and how they changed over the centuries In order to understand martial arts as they were evolving over dynastic periods it is necessary to look at the political and social settings technology and even geography and linguistics When it comes to research Henning presents clear facts and accurate conclusions At the same time he wisely states what is open to debate and requires further research Why is the chapter on Korean martial arts included in this anthology Because the Chinese had tremendous influence on their neighbors including Japan and Korea Thanks to a few scholars like Henning and Wells we are getting a clearer picture of just how much Chinese martial arts have influenced the fighting arts in other countries Leading scholars are having an impact on how Asian martial traditions are perceived understood and practiced Henning introduces the new wave of Chinese scholars who have presented their findings in various articles and books opening new vistas for all interested in this growing field of study at least for those who ready Chinese Fortunately Henning s work is in English This anthology is not an easy read for those unfamiliar with Chinese history the various dynasties the terminology and variety of martial systems However it will no doubt benefit the serious scholar of Chinese martial arts and hopefully others will likewise benefit by patiently reading each chapter to broaden their understanding of the rich martial culture of China

Historic Monuments of Mount Songshan

Wei Ren,Yan He,2020-12-21 This book tells the story of the Mount Songshan area architecture in simple terms while also providing detailed information on the history of Buddhist architecture The history of the Mount Songshan area can be traced back to the Xia Dynasty in the 23rd century B C The heritage architecture in this area has seen the rise and fall of various powers including the Han Dynasty Northern Wei Dynasty Tang and Song Empires Jin Dynasty Yuan Dynasty and the Ming and Qing Empires and reflects the character of each historical period Over the past 2 000 years history has been continuously woven into the architecture The Mount Songshan area is therefore a perfect representation of the perpetual Chinese civilization and the most magnificent museum of ancient Chinese architecture Most importantly these various types of architecture offer valuable insights into the architectural design and technologies of each historical period The products of ingenuity and innovation they are marvellous creations that ancient Chinese people took great pride in
