Circle, circle nice and round.
Curve to the left til
you come back around.

Find the circles,
just look and see!
Moon, sun, clock,
and a yummy cookie!

printable rhymes for
8 different shapes!

A rectangle has 4 sides, but
they are not all the same.
Two sides are long,
Two sides are short,
Together they make
a frame!

Find the rectangles,
just look and see!
A computer screen, a
door, and dollar that's
for me!

3-sided triangle is easy to make!
Slide down, across, and up
and you've made the shape!

Find the triangles,
just look and see!
A pizza slice, a flag, and
a sailboat on the sea.

Maksimovic Žirmunskij,2016-11-21 No detailed description available for Introduction to metrics **The Primer of Humor**

Research Victor Raskin,2008-11-06 The book is intended to provide a definitive view of the field of humor research for both

beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor

research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area

There are two primary motivations for the book The positive one is to collect and summarize the impressive body of

knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative

motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who

venture into humor research without any notion that there already exists a body of knowledge they need to acquire before

publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its

being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and

high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters

are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography
