Shapers Of The Great Debate On The Civil War A Biographical Dictionary

Joseph Morton

Shapers Of The Great Debate On The Civil War A Biographical Dictionary:

Shapers of the Great Debate on the Civil War Dan Monroe, Bruce Tap, 2005-07-30 With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included Each biography provides a concise account of the subject s life followed by an analysis of the figure s role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War

Shapers of the Great Debate at the Constitutional Convention of 1787

Joseph Morton, 2005-12-30 As the oldest still operational written constitution in the world the U S Constitution and the concepts it proclaims have been under almost constant attack since its inception At a convention in 1787 fifty five delegates assembled in Philadelphia to revise and amend the Articles of Confederation only to emerge sixteen weeks later with a new document the U S Constitution The convention was filled with constant debate over how much power should be given to government and how should this power be allocated state rights v nationalists small states v large states political conservatives v political liberals and slave owners v non slave owners Fifty five biographies one for each delegate are presented Biographies include such notable individuals as Benjamin Franklin Alexander Hamilton George Washington Luther Martin and James Madison An introductory essay appendices including the Articles of Confederation and the United States Constitution and an annotated bibliography are also included The Shapers of the Great Debate series takes a biographical

approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through major and minor biographies

Shapers of the Great Debate on the Freedom of Religion Jonathan A. Wright, 2005-08-30 The First Amendment is categorical and concise on religion and the state Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof Nevertheless these few words have caused much confusion and controversy for successive generations The debate over religious freedom has often come to the forefront during American history Since colonial times Americans have debated how to interpret and apply the First Amendment Through biographical histories of individuals involved in the freedom of religion debates readers will discover how individuals thoughts beliefs and actions affected how the religion clauses are viewed today and throughout American history Topics such as prayer in schools religious symbols exemption from military duty and the pledge of allegiance are addressed Individuals such as Anne Hutchinson Jerry Falwell Ralph Waldo Emerson Joseph Franklin Rutherford and Roger Williams are included An introductory essay an appendix of shorter entries on additional figures and a bibliography are also included

Shapers of the Great Debate on Women's Rights Joyce D. Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women s issues to the forefront of American society Many early feminists supported not only women s rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women s suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women s fundamental need for independence and an identity of their own separate from that of men which thrust the women s movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O Connor are included in this history of the women s movement in America The biographical entries cite works for further reading and the volume closes with a bibliography The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies

Civil War Almanac John C. Fredriksen, 2007 Presents a comprehensive reference to the American Civil War including a chronology of major events biographical sketches related articles and a collection of maps

Shapers of the Great Debate on Conservation Rachel W. White, 2004-09-30 Through biographical examinations of some of the key figures in the debate on conservation this book seeks to explore a range of subjects such as the evolution of the conservation movement its implications for policy makers and how it impacts the daily lives of people everywhere The varying approaches taken by these individuals will serve to emphasize that there are many definitions of conservation and that many viewpoints

are valid Detailed observations of important figures on both sides of the debate including some of the most famous and familiar and some less so provide readers with the knowledge they need to form their own opinions on this topic Major biographies include individuals such as Rachel Carson Dixy Lee Ray John Muir and James Watt An introductory essay an appendix of shorter entries on additional figures and a bibliography are also included [Shapers of the Great Debate on Jacksonian Democracy](#) Paul E. Doutrich,2004-03-30 The successful conclusion of the War of 1812 ushered in a new age of American history the Jacksonian era This book explores the background motives and goals of political and social leaders who dominated this era Divided into three categories Whigs Democrats and Writers and Reformers biographies of Henry Clay Ralph Waldo Emerson James Knox Polk Andrew Jackson and others are included Debates over such issues as westward expansion the Second Bank of the United States Indian policies and slavery are discussed from opposing viewpoints Americans of the Jacksonian era upheld traditions and values of their forefathers while also embracing the unlimited opportunity of the future During this era profound political divisions emerged within the nation with the core debate focused on the extent of the federal government s power Americans debated such issues as the degree to which the federal government could compel states to implement federal legislation administer expansion policy regulate trade and manage the economy Interwoven within these debates were questions about the legitimacy of slavery This book explores the background motives and goals of political and social leaders who dominated this era Debates over such issues as westward expansion the Second Bank of the United States Indian policies and slavery are discussed from opposing viewpoints Students and general readers will find this reference tool useful in describing the lives and views of individuals who directed the course of the nation during the Jacksonian era **The Fort Pillow Massacre** Bruce Tap,2013-10-23 On April 12 1864 a small Union force occupying Fort Pillow Tennessee a fortress located on the Mississippi River just north of Memphis was overwhelmed by a larger Confederate force under the command of Nathan Bedford Forrest While the battle was insignificant from a strategic standpoint the indiscriminate massacre of Union soldiers particularly African American soldiers made the Fort Pillow Massacre one of the most gruesome slaughters of the American Civil War rivaling other instances of Civil War brutality The Fort Pillow Massacre outlines the events of the massacre while placing them within the racial and social context of the Civil War Bruce Tap combines a succinct history with a selection of primary documents including government reports eyewitness testimony and newspaper articles to introduce the topic to undergraduates [Guide to Reference in Genealogy and Biography](#) Mary K. Mannix,Fred Burchsted,Jo Bell Whitlatch,2015 An excellent starting point for both reference librarians and for library users seeking information about family history and the lives of others this resource is drawn from the authoritative database of Guide to Reference voted Best Professional Resource Database by Library Journal readers in 2012 Biographical resources have long been of interest to researchers and general readers and this title directs readers to the best biographical sources for all regions of the world For interest in the lives of those not found in biographical resources this title

also serves as a guide to the most useful genealogical resources Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography

Hemp and the Global Economy Nadra O. Hashim, 2017-10-23 Hemp helped not only to define economic development in southern and border states it also played a crucial role in agricultural production in the Mid Atlantic as well as industrial development in the North east From the founding of the nation the manufacture of American hemp helped monetize the US economy US hemp producers also established a range modern labor practices including the identification and training of skilled labor the use of seasonal workers and ultimately the creation of a sliding scale of wages This book chronicles this history as well as the contemporary controversy obstructing the production of both industrial hemp and medical marijuana The analysis concludes with a survey of current industrial hemp projects including several promising adaptations as a potential medicine a bio fuel and most promisingly a reliable source of clean computing fabrication **Eighty-eight Years**

Patrick Rael, 2015 Why did it take so long to end slavery in the United States and what did it mean that the nation existed eighty eight years as a house divided against itself as Abraham Lincoln put it The decline of slavery throughout the Atlantic world was a protracted affair says Patrick Rael but no other nation endured anything like the United States Here the process took from 1777 when Vermont wrote slavery out of its state constitution to 1865 when the Thirteenth Amendment abolished slavery nationwide Rael immerses readers in the mix of social geographic economic and political factors that shaped this unique American experience He not only takes a far longer view of slavery s demise than do those who date it to the rise of abolitionism in 1831 he also places it in a broader Atlantic context We see how slavery ended variously by consent or force across time and place and how views on slavery evolved differently between the centers of European power and their colonial peripheries some of which would become power centers themselves Rael shows how African Americans played the central role in ending slavery in the United States Fueled by new Revolutionary ideals of self rule and universal equality and on their own or alongside abolitionists both slaves and free blacks slowly turned American opinion against the slave interests in the South Secession followed and then began the national bloodbath that would demand slavery s complete destruction

Lynching and Leisure Terry Anne Scott, 2022-03-04 Winner 2022 Ottis Lock Endowment Best Book Award from the East Texas Historical Association In *Lynching and Leisure* Terry Anne Scott examines how white Texans transformed lynching from a largely clandestine strategy of extralegal punishment into a form of racialized recreation in which crowd involvement was integral to the mode and methods of the violence Scott powerfully documents how lynchings came to function not only as tools for debasing the status of Black people but also as highly anticipated occasions for entertainment making memories with friends and neighbors and reifying whiteness In focusing on the sense of pleasure and normality that prevailed among the white spectatorship this comprehensive study of Texas lynchings sheds new light on the practice understood as one of the chief strategies of racial domination in the nineteenth and twentieth century South Practical Strangers Stephen

Berry,Angela Esco Elder,2017-06-15 These letters chronicle the wartime courtship of a Confederate soldier and the woman he loved a sister in law of Abraham Lincoln It is a relative rarity for the correspondence of both writers in Civil War letter collections to survive as they have here Rarer still is how frequently and faithfully the two wrote given how little they truly knew each other at the start of their exchange As a romantic pair Nathaniel Dawson and Elodie Todd had no earlier history they had barely met when separated by the war Letters were their sole lifeline to each other and their sole means of sharing their hopes and fears for a relationship and a Confederacy they had rashly embraced in the heady early days of secession The letters date from April 1861 when Nathaniel left for war as a captain in the Fourth Alabama Infantry through April 1862 when the couple married During their courtship through correspondence Nathaniel narrowly escaped death in battle faced suspicions of cowardice and eventually grew war weary Elodie had two brothers die while in Confederate service and felt the full emotional weight of belonging to the war s most famous divided family Her sister Mary not only sided with the Union as did five other Todd siblings but was also married to its commander in chief Here is an engrossing story of the Civil War of Abraham Lincoln s shattered family of two people falling in love of soldiers and brothers dying nobly on the wrong side of history The full Dawson Todd correspondence comprises more than three hundred letters It has been edited for this volume to focus tightly on their courtship The complete annotated text of all of the letters with additional supporting material will be made available online [Slavery and Racism in American Politics, 1776-1876](#) Michael C. Thomsett,2020-01-17 From the

very inception of the United States few issues have been so divisive and defining as American slavery Even as the U S was founded on principles of liberty independence and freedom slavery advocates and sympathizers positioned themselves in every aspect of American influence Over the centuries the characterization of early American figures legislation and party platforms has been debated The author seeks to clarify often unanswered or ignored questions about notable figures sociopolitical movements and their positions on slavery From early legislation like the Fugitive Slave Law of 1793 to Reconstruction and the rise of the Ku Klux Klan this book explores some of America s most controversial moments Spanning the first American century it offers a detailed chronology of slavery and racism in early U S politics and society

Historical Dictionary of the Jacksonian Era and Manifest Destiny Mark R. Cheatham,Terry Corps,2016-12-13 The Jacksonian period under review in this dictionary served as a transition period for the United States The growing pains of the republic s infancy during which time Americans learned that their nation would survive transitions of political power gave way to the uncertainty of adolescence While the United States did not win its second war the War of 1812 with its mother country it reaffirmed its independence and experienced significant maturation in many areas following the conflict s end in 1815 As the second generation of leaders took charge in the 1820s the United States experienced the challenges of adulthood The height of those adult years from 1829 to 1849 is the focus of the Historical Dictionary of the Jacksonian Era and Manifest Destiny This second edition of Historical Dictionary of the Jacksonian Era and Manifest Destiny contains a

chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this era in American history **These Truths: A History of the United States** Jill Lepore, 2018-09-18 Nothing short of a masterpiece NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one volume American history in decades award winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation Widely hailed for its sweeping sobering account of the American past New York Times Book Review Jill Lepore's one volume history of America places truth itself a devotion to facts proof and evidence at the center of the nation's history The American experiment rests on three ideas these truths Jefferson called them political equality natural rights and the sovereignty of the people But has the nation and democracy itself delivered on that promise These Truths tells this uniquely American story beginning in 1492 asking whether the course of events over more than five centuries has proven the nation's truths or belied them To answer that question Lepore wrestles with the state of American politics the legacy of slavery the persistence of inequality and the nature of technological change A nation born in contradiction will fight forever over the meaning of its history Lepore writes but engaging in that struggle by studying the past is part of the work of citizenship With These Truths Lepore has produced a book that will shape our view of American history for decades to come **The A to Z of the Jacksonian Era and Manifest Destiny** Terry Corps, 2009-07-27 The brief period from 1829 to 1849 was one of the most important in American history During just two decades the American government was strengthened the political system consolidated and the economy diversified All the while literature and the arts the press and philanthropy urbanization and religious revivalism sparked other changes The belief in Manifest Destiny simultaneously caused expansion across the continent and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country as sectional divisions grew and a national crisis became almost inevitable The A to Z of the Jacksonian Era and Manifest Destiny takes a close look at these sensitive years Through a chronology that traces events year by year and sometimes even month by month actions are clearly delineated The introduction summarizes the major trends of the epoch and the four administrations therein The details are then supplied in several hundred cross referenced dictionary entries and the bibliography concludes this essential tool for anyone interested in history **American Reference Books Annual** Bohdan S. Wynar, 2006 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering **The Journal of Southern History** Wendell Holmes Stephenson, 2006 Includes section Book reviews *Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers* Shannon Graff Hysell, 2006-04 Based on the highly acclaimed reviews of American Reference Books Annual RRB features only those resources that have been recommended for purchase by small and medium sized academic public or school libraries Written by over 200 subject
